ONE HUNDRED SIXTEENTH COUNCIL

JOHN F. COUNAHAN.....President
LOUIS C. DINARDO.....City Clerk
MICHAEL A. PERRY.....Ass't City Clerk

Monday, January 5, 1970.

Pittsburgh, Pa.

On Monday, January 5, 1970, at 10:00 o'clock, A.M., the members-elect of the Council of the City of Pittsburgh, together with those holding over, convened in the Council Chamber of said City in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved May 31, 1911.

The Council was called to order by Louis C. DiNardo, City Clerk, who acted as Chairman, Pro tem of the meeting.

The Chair:

This being the day and hour fixed by the Act of Assembly for the organization of the Council of the City of Pittsburgh, the One Hundred Sixteenth Council will be in order.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

We are honored this morning by the

presence of Very Reverend Monsignor Charles Owen Rice, Pastor, Holy Rosary Church, who will offer the prayer of invocation.

Monsignor Charles Owen Rice:

Almighty God, we ask Your blessing upon each Councilman of the City of Pittsburgh, new and old Councilmen, and upon the Mayor-Elect. We ask You to bless our City in this difficult time. We pray for peace and tranquility with justice through Christ our Lord. Amen.

The Chair:

Thank you, Monsignor Rice.

Which was read, received and filed.

The Chair appointed the Honorable William F. Cercone, Judge, Superior Court of the Commonwealth of Pennsylvania, to administer the oath of office to the members-elect.

This is a happy occasion for me to have the privilege of administering the oath of office to my five friends, Thomas L. Fagan, J. Craig Kuhn, Edgar W. Michaels, George W. Shields, and John P. Lynch, as they are about to take up their duties for the new term as Councilmen of this great and historic City of Pittsburgh which can trace its beginnings to a frontier fort started over 200 years ago.

There is always a great excitement about a moment like this. The history, the heritage, the tradition, the generations of people of every race, ethnic group and creed who have lived here, and who have helped make Pittsburgh the meaningful and significant city that it is, are all a part of this moment—this ceremony.

But the greater excitement comes from our appreciation of the great potential which these men who are about to be inducted into office have for achieving the goals that must be reached in the big city during the 1970's.

John Lynch, George Shields, and Edgar Michaels will be taking up their responsibilities in Council for the first time, but their accomplishments and successes in the business and professional worlds enable them to bring to their new duties a composite experience, knowledge and dedication to a given assignment for which the citizens of Pittsburgh are truly grateful.

Tom Fagan, illustrious son of an illustrious father, Pat Fagan, who was, until his recent retirement, a member and President of this Council, has endeared himself to the people of Pittsburgh for his intrepid leadership and honesty in office and as his smashing victory at the polls indicates he has received a clear mandate to continue to give his valuable counsel and leadership.

J. Craig Kuhn whose view of public life is in the highest and most inviolate conception and tradition of public service will continue to serve a most grateful people.

These are young, dynamic, and fearless men who have the qualities of stewardship to help us appreciate the greatness of our City and of this nation. They possess those higher attributes of human nature—compassion, understanding, serenity, and imperturbable patience to improve those things that are good and to correct those things that are not so good in the life of our City for the sake of the health, welfare, and safety of all the people.

It is only for Almighty God to know which man or group of men will cause a city, state, or nation to take a giant step forward in improving the chances of man to live tranquilly with his fellow-man for the simple and common purpose of enjoying life on earth.

The excitement of this moment is also attributable to the hope that this group of men can help us to do so in this great city in which we work and live.

It has been said that public life is like a drum—strike it anywhere and it resounds everywhere.

Every course of action man takes in public office has an immediate and lasting effect on his image as a man, citizen, and public servant.

With a clear conscience and steadfast purpose a man in public office can enjoy to a greater degree than most men in any other field of endeavor the deep inner satisfaction and sustaining strength that comes with the knowledge that he has served well and with a nobility of purpose.

And so out of the events of politics have come great and ineffable benefits to mankind.

The Magna Charta, The Declaration of Independence, and the Constitution each of which began new eras and new phases of freedom and caused men to lift their eyes to new horizons of human dignity.

We have seen politics bring great benefits to this City of Pittsburgh through the valiant and steadfast efforts of men in public office. The name, David L. Lawrence will always be among the truly great leaders of city and state government. Joseph M. Barr is one of the finest

men who ever graced the office of Mayor and that includes any city in the nation and who we are certain will continue to dedicate himself to the service of his fellow Pittsburghers and fellow Pennsylvanians.

The advances in the industrial, business, educational, religious, ecumenical, cultural life of this City has received nation-wide acclaim for the display of dynamic and breathtaking architecture of brilliant mid-20th Century administration of government.

This morning you become the heirs of this tradition and heritage. You are part of this hope for the future.

You have a great task ahead. No one can possibly underestimate its proportion. No one can minimize the awesomeness of the undertaking—the education of our children; the health - welfare of our elderly citizens; the opportunity to be provided to those whose economic status threatens foreclosure on the great challenges of America—the hundreds of other things that need attention and solution.

But with your great potential to accomplish these objectives, with qualities you have thus far demonstrated you can become the catalytic agent which brings about the harmony and the correlation of the activities in this community for the common good.

In behalf of your loved ones, friends, and the people of Pittsburgh, we extend to you our most fervent prayers and wishes that the Almighty God will continue to bless you with strength, wisdom, and guidance in the work that is before you.

The following members-elect:

Thomas L. Fagan, J. Craig Kuhn, John P. Lynch, Edgar W. Michaels and George W. Shields, took and subscribed to the oath of office.

The Chair:

The members will sign the oath of office.

And the members signed their respective oaths of office.

The Chair:

The Clerk will call the roll:

And the roll having been called, there were present:

Mrs. D'Ascenzo	Mr. Lynch
Mr. Fagan	Mr. Mason
Mr. Kamyk	Mr. Michaels
Mr. Kuhn	Mr. Shields
	Mr. Counahan

The Chair:

The first order of business is the nomination and election of a member of Council to serve as President for the ensuing term.

The Chair now recognizes Mr. Mason.

Mr. Mason:

Mr. City Clerk, I would like to take this opportunity, the second opportunity I have had to nominate for President of City Council a man who has been an outstanding labor leader, an active citizen in the community, an outstanding leader in the American Legion, a Veteran of World War II, he has served in this body since 1952 and as President of Council for the past two years. He has brought wisdom, leadership, insight, melding and welding influence on Council's deliberations.

It is my privilege to submit the name of John Thomas Francis Aloysius Counahan as President of this august body.

The Chair recognizes Mr. Kamyk.

Mr. Kamyk:

I have learned, Mr. Clerk, to respect our President, Mr. Counahan and, not to waste too many words, I second the name of John Francis Aloysius Counahan.

Mr. Fagan moved

That nominations be closed.

Which motion prevailed.

The Chair:

Roll call on the nomination.

Mrs. D'Ascenzo Mr. Lynch
Mr. Fagan Mr. Mason
Mr. Kamyk Mr. Michaels
Mr. Kuhn Mr. Shields

Ayes 8, Mr. Counahan not voting.

The Chair:

Ladies and gentlemen, members of Council, may I present the President of Council, John F. Counahan.

Mr. Counahan:

Thank you, Judge Cercone, Reverend Clergy, members of Council, City Clerk, elected officials, ladies and gentlemen, friends. I wish to thank Monsignor Rice for his inspiring invocation and for giving up his valuable time to be here. Judge Cercone, I wish to thank you for administering the oath-of-office to the newly elected members of Council.

I wish to thank Councilman Mason for nominating me and Walter Kamyk for seconding that nomination and Council for re-electing me.

When I was first elected President of this organization, I promised to perform my duties to the best of my ability, providing, of course, that you people work with me. I was going to make some mistakes and I needed your patience and your help. You have given me that help. I intend to proceed and promise to emulate some of the former Presidents of this Council and do this job to the best of my ability.

To the members of City Council, their families and all of the people assembled here, I wish you a healthy and prosperous New Year.

The Chair now presents Mr. Thomas Fagan and if Mr. Fagan has any relatives or friends he cares to introduce, he may do so at this time.

Mr. Fagan:

Mr. President, I want to thank you for the opportunity and I don't know whether they are all here, but I will call upon them. First, I want to introduce my wife, Wilma; my children, Tommy, and he is at Dayton University; Janie is

in school; Nora is what we refer to as a non-resident as she lives in Richmond, Virginia, and I would like to introduce to you, Nora. Next, I would like to introduce someone well-known to these Council Chambers and all the City of Pittsburgh, my father, Pat Fagan. Next, we have listed among the brothers, Chuck Fagan, is he here? We have Pat Fagan, Jr., and Billy, I imagine he is here. I think most are out in the hall and Mr. Chairman, I would like, at this time, to thank all of those who have come here today to witness the swearing-in—all of my friends from organized labor, industry, the trucking industry and all of the associations, all of the good Democrats and also a few Republicans here. Thanks to all of you for the opportunity to serve the City of Pittsburgh. Thank you.

Mr. Counahan:

The Chair now recognizes Mr. Kuhn.

Mr. Kuhn:

Thank you, Mr. President. I don't know whether my wife has been able to get here. Yes, there she is; I know it was not easy for her to make arrangements for our children and I want to thank her and my family for the support they have given me and the sacrifices they have made during the time of my service here. I want to also thank all of my friends and the people of the City for their renewed confidence. I will yield any other time to the new members of Council. Thank you.

Mr. Counahan:

The Chair now recognizes Mr. Lynch.

Mr. Lynch:

Thank you, Mr. President. This morning, as I was getting dressed, I asked my family, my children, how they felt about today and my daughter said "most exciting." When I asked why, she said "because they were out of school. I am delighted my family is here. My lovely wife, Elleen; my son, Kirby; my daughter, Maura; daughter, Nancy; and this is Patty, the photographer; our son, Kieran, with the necktie; and my brother-in-law, Mr. King.

I might say I am honored to be a part of this body. I realize we move into an era now in Pittsburgh we probably haven't seen before. Until now, Pittsburgh has been widely acclaimed and recognized as the renaissance city, famous for its rebuilding program. But this rebuilding has been in a material sense. I think, now, we move into an era of new challenges for this legislative body and the nature and scope of our duties in Council will now take on a new tone as we have never seen before. I am excited and thrilled and look forward and anticipate with optimism to participating in this effort. My hope is to justify the faith of two groups of people—those who voted for me and those who did not—for an elected official owes a solemn obligation to all. Our great President Kennedy used to be fond of saying that is the sweep of history, many times one man can make a difference and every man should try. It is my hope in the four years it can be said of my humble efforts here that I tried.

Mr. Counahan:

The Chair now recognizes Mr. Michaels.

Mr. Michaels:

My congratulations to you, Mr. President.

I now introduce my family: my wife, Norma; Laura, my daughter; son, Jimmy; son, Garry; brother, Dr. Bernard Michaels; sister-in-law, Pauline; brother-in-law, Mr. Irwin Barker; my mother-in-law, Mrs. Jacob Barker; and my mother, Mrs. Louis Michaels.

I have been greatly inspired by the messages delivered here this morning by Monsignor Rice and Judge Cercone. It has been my experience to be in Council a short four months and I can honestly say in that time, I have found people dedicated to government service to the extent I think is not well known enough by our citizens. We are too quick to disclaim and not anxious enough to give encouragement and recognize these capable people who dedicate their lives. I hope, and think we will, fulfill the requirements of the office, with the support of all, in a manner that will make us all proud. Thank you, very much.

Mr. Counahan:

The Chair recognizes Mr. Shields.

Mr. Shields:

Thank you, Mr. President. With great pleasure, I would introduce my family: my wife, Helen; father, George B. Shields; my sister-in-law, Ruth Pace; another sister-in-law, Martha Saunders; sister-in-law, Evelyn Wright; brother-in-law Joe Pace; and my favorite God-son, Thomas Douglas.

Mr. President, I must admit, I haven't the foggiest notion as to how I will perform, or what I will be able to accomplish in my next four years. I recognize and have a deep sense of gratitude, however, to the citizens of Pittsburgh responsible for my election and to my family for their support. Recognizing that feeling and understanding of the confidence shown and realizing perhaps more heavily the responsibility that follows confidence and the placement of confidence, I can only assure this City of one thing. That is, my total dedication, my sincere effort to do the job expected of me and an approach to all problems and situations with fair play and an honest desire to do good. I feel honored to work in the company of these distinguished men of experience and I feel, together with their help, and with the help of the citizens of Pittsburgh, we can, in some manner, add to the progress of this fine community and that at the end of our four years, our stewardship will be acclaimed as one being worthwhile and good for the City. Thank you, very much.

Mr. Counahan:

We have a former member of Council here, Mr. Baskin and, Mr. Baskin, do you care to say a word?

Mr. Baskin:

Only too late did I learn when to keep my mouth shut. I just want to congratulate you and the members of Council and wish you all the best wishes and luck, along with Mayor Flaherty.

Mr. Counahan:

We wish you the same, on be-

half of all of Council, and invite you to come around and see us occasionally.

I see Mr. Fagan is here. Pat, we miss you around here. You did a wonderful job while you were here and I wish you health and happiness.

Mr. Fagan: (Patrick)

Thank you, John, and health and success to you and all the members of Council. I am delighted to be here this morning. In fact, I am happy to be anywhere.

Mr. Counahan:

The Chair recognizes Mr. Kuhn.

Mr. Kuhn:

I move that the Rules of Council as they presently exist be adopted, those rules being the rules which we have carried forward from preceding Councils and subject to revisions as they have been made in the past.

I also move that the President of Council be authorized to appoint such Committees as he may see fit to further review and make recommendations concerning the Rules of Council.

Mr. Kamyk:

I second the Motions.

Which motions prevailed.

Mr. Counahan:

The next order of business is presenting Mayor-elect Flaherty with his Certificate of Election.

Bill No. 6.

Commonwealth of Pennsylvania
County of Allegheny

CERTIFICATE OF ELECTION

We, the undersigned members of the Return Board of the County of Allegheny, do hereby certify that at the Election, held on the fourth day of November, 1969, in said County

PETER F. FLAHERTY

was duly elected to the office of

MAYOR

City of Pittsburgh
in the County aforesaid.

Witness our hands and seal this first day of December, 1969.

LEONARD J. STAISEY

THOMAS J. FOERSTER

WM. R. HUNT, M.D.

Board of Elections of the
County of Allegheny, Pa.

Mr. Counahan:

Mayor Flaherty, would you care to say a word?

Mr. Flaherty:

Thank you, President Counahan. I want to first of all congratulate the newly-sworn in members of City Council and also, of course, the incumbent members of City Council. I look forward to, as all of you do, and as Judge Cercone said, the tremendous task ahead of all of us and working together to make this a greater city.

I would like to thank Mr. Baskin for coming this morning and for all of the hard work and effort he has expended over the last four years. As you know, we have not always agreed. Most of the time we have but those times we did not, we have always come away from the issue still looking forward to solving the great problems of tomorrow and I am very happy to see Phil here today.

And Mayor Barr, I am very happy to see. I talked with him a little earlier and I want to express, as I will a little later, at greater length, the dedication Mayor Barr has given to this City for so many years, as is known to all of us, and it is with great gratitude and appreciation that I look forward to following and being his successor as Mayor of the City of Pittsburgh. With your help, and the help of God, I hope to keep our City moving forward at all times. Thank you, very much.

Mr. Counahan:

We wish you continued luck,

success and happiness, on behalf of all of the members of City Council and the citizens of the City of Pittsburgh.

The next gentleman I would like to introduce is the Mayor of the City of Pittsburgh, Mr. Joseph Moran Barr.

Mr. Barr:

Thank you very kindly, President Counahan. Members of Clergy, Judge Cercone, members of City Council, Mayor-elect Flaherty and to my fellow Pittsburghers.

Really, I thought my last hoorah was last Friday when I had a news conference, but being an Irishman, never lost for words—

I want to say, I thought a couple of the Councilmen hit upon it, we have spent a great deal of time in the last two decades in rebuilding our City physically. We have spent a great deal of time, money and effort, over the past three or four years, in human renewal and this, to me, is the number one problem facing each and every City. It is going to be not an easy job for Mrs. D'Ascenzo and you eight gentlemen, nor for our new Mayor. Simply, I can conclude by saying to the members of City Council, there has never been a more able and more devoted group with whom I have worked so closely.

A lot of people thought we never had disagreements. Well, there is a little room in back of this room, and if there could be chalk marks for every disagreement, there wouldn't be any room for photographs of former Mayors of the City of Pittsburgh.

To them, the elected officials of City Council, and elected officials of this City, I say if you can work as one, you can do a great deal more for this City. I would like to go out of office saying one thing to the Legislature of Pennsylvania about Pittsburgh. Without Pittsburgh, there won't be any suburbs, and without Philadelphia, there won't be any suburbs, and it is time they come to the reasoning that men of good will must work together if we are going to survive.

To the new Councilmen, I say, God

bless you in your new duties, and to you, Pete, all is not gold that glitters. God bless you.

Mr. Counahan:

On behalf of City Council, I wish to express our appreciation and thanks to you, Mayor Barr. Your term of office was during the most trying times in the history of our great City and you handled the problems with fairness and dispatch. We also wish you health and happiness, to you and your family.

We have a former member of City Council in the audience, Mr. Charles Leslie.

Mr. Leslie:

Thank you.

Mr. Counahan:

As the next order of business, I wish to announce the appointment of Standing Committees.

Mr. Kuhn—Committee on Finance.

Mr. Mason—Committee on Public Works.

Mr. Shields — Committee on Public Service and Surveys.

Mr. Lynch—Committee on Water.

Mrs. D'Ascenzo—Committee on Parks, Recreation and Libraries.

Mr. Fagan — Committee on Public Safety.

Mr. Kamyk—Committee on Lands and Buildings.

Mr. Michaels—Committee on Planning and Redevelopment.

Special Committees:

A Labor Committee—we, for the first time last year, decided to appoint a Committee on Labor. Now, that Committee would be active all year so that our employees, whether belonging to a labor organization or an employee with an individual grievance, would have an oppor-

tunity to air their complaint or make recommendations to this particular Committee. This Committee, in my opinion, and I believe I am speaking for all of the members of City Council, relieved us of many pressures at budget time. They worked day and night. I now have the privilege and pleasure of reappointing that Committee. Mr. Fagan, Chairman of that Committee; Mr. Mason, and Mr. Kuhn, members of that Committee. Again, I want to thank them for a job well done. If you need any assistance or help from the members of Council, all you have to do is ask for it.

Mr. Kamyk was a member of the Committee set up by Mr. Barr, that Committee consisting of members of his administration, and Mr. Kamyk was appointed to represent City Council. He has done a wonderful job on that Committee. If Mr. Flaherty reorganizes that committee, Mr. Kamyk will be our member. If not, then Mr. Kamyk will certainly help us when it comes to insurance and pensions. I appoint him to that committee.

Carnegie Library, I appoint Mrs. D'Ascenzo, Mr. Fagan, Mr. Kamyk, Mr. Kuhn, Mr. Michaels, Mr. Mason, and myself, Mr. Counahan.

I want to thank Judge Cercone for giving the oath-of-office and thank the clergy for being here, using their valuable time for the Invocation and Benediction.

The Chair recognizes Mr. Kuhn.

MOTIONS AND RESOLUTIONS

Mr. Kuhn presented

Bill No. 7. Whereas, the Pittsburgh Vacation Ordinance, Ordinance No. 36, approved February 13, 1964, establishes annual vacations for all full time employees in the service of the City; and

Whereas, said Ordinance provides that such vacation right accrues at the beginning of each calendar year; and

Whereas, Section 6 of said Ordinance provides that in the event of termination, each employee shall receive accrued and unused vacation for the calendar year prior to such termination; and

Whereas, the retiring Directors and Bureau Chiefs of the various City Departments and Bureaus have rendered meritorious service to the citizens of the City of Pittsburgh, it is hereby

Resolved, that these retiring Directors and Bureau Chiefs of the City Departments and Bureaus shall receive earned vacations for the year 1970, but such vacation period shall not prohibit the appointment of new Directors and Bureau Chiefs so that the business of the City may continue.

Which was read.

Mr. Kuhn moved

The adoption of the resolution.

Which motion prevailed.

Mr. Kuhn:

I would only say, briefly, in explanation, that I am advised by the Solicitor, and have discussed with the Mayor-elect, the fact this resolution simply recognizes the legal obligations of the City to provide vacation pay to persons who retire from office at or near the beginning of the year. In order that there be no question as to the intention of Council and as I understand Mayor-elect Flaherty's intentions as well, this resolution is being presented in recognition of that fact.

The Chair:

Now, we will have the Benediction, before we recess for the Mayor-elect's Inauguration, and that Benediction will be by Reverend Darkins.

Reverend Darkins:

Today, Oh Lord, we beg Thee Thy presence and today, we pray, Thy blessing for these five Councilmen sworn in today to give them wisdom and, above all, understanding; to be with them and give them great health. Make them strong; give them peace-of-mind. Dismiss us from this place but not from Thy presence. Keep our feet in the path of righteousness and these are the blessings we ask in the name of the Father, Son, and the Holy Spirit. Amen.

Mr. Counahan:

If there are no objections, Council will recess until such time as the new Mayor is sworn in and then reconvene as soon after the Inauguration as possible.

Thank you.

And Council recessed.

**Mayor-elect Peter F. Flaherty's
Inauguration**

Presiding for Ceremony of Inauguration,
Mrs. Irma Manella D'Ascenzo

Mrs. D'Ascenzo

We are gathered together for a happy occasion. It is the ceremony of inauguration of the Mayor of this City, Peter F. Flaherty.

The Constitution of the United States of America permits the voices of dissent—and we find that even on this memorable occasion some are present to voice their dissent—this is a rare privilege and all should say "Thank God for America."

The Star Spangled was performed by Harold Betters, trombone artist.

The Pledge of Allegiance was led by the Youth Volunteers for Flaherty.

Mrs. D'Ascenzo introduced the Most Reverend Vincent M. Leonard, Bishop of Pittsburgh.

INVOCATION

O, Lord, God, Father of us all, look with kindly eye on us, as we transfer from one man to another the burdens of authority and responsibility of governing this great city.

Let him who has borne them depart, knowing that he has carried them well and may he be strengthened by the certainty of a work well done and the comfort of an oath faithfully kept.

May Peter F. Flaherty, who now receives this authority and responsibility, know the security of Thy presence.

Grant him, we pray, continued health of mind and body needed for the fulfillment of his arduous duties. May he accomplish duly and honorably the tasks assigned. May his actions and those of his associates in administration be gov-

erned not by opportunism, greed, or personal gain, but by a sense of justice and charity towards all citizens irrespective of race, creed, or color. May he have the support of all citizens concerned about the welfare of this city, so that together they may work to achieve justice and love for all in the community. May he be blessed, with the love and affection of his family. Amen.

Mrs. D'Ascenzo introduced Mr. Louis C. DiNardo, City Clerk, reading the Certificate of Election:

Board of Elections of the
County of Allegheny, Pa.

Which was read, received and filed.

Mrs. D'Ascenzo introduced the Honorable John J. McLean, Jr., Judge of the Court of Common Pleas of Allegheny County to administer the oath of office to the Mayor-elect.

And the Mayor, Peter F. Flaherty, took and subscribed to the oath of office, which was administered to him by the Honorable John J. McLean, Jr., Judge of the Court of Common Pleas of Allegheny County.

Mr. Flaherty:

This is both a happy and yet solemn occasion for me.

The opportunity to serve as Mayor of the City of Pittsburgh is indeed a great

privilege and presents a tremendous challenge—which I am prepared to accept.

When I made my decision to seek the office of Mayor I did so with the full realization and knowledge of the many obstacles I would have to overcome to attain that goal.

I sensed a feeling of unrest and frustration among the people and above all their desire for a change—a change in politics and a change in government.

I took my campaign to the people.

By their vote, I believe they expressed their confidence in me to make the changes they wanted and felt were needed to make this a better City.

I will not betray their faith and confidence.

With the continued support of the people and with the same personal conviction and determination that compelled me to seek this office, I intend to make changes, that, in my judgment, will create maximum efficiency in City government.

As the day and hour of my taking the oath of office approached, I experienced an increased awareness of grave responsibilities that I was to assume and the pressures inherent in making the difficult decisions which must be made by the Mayor.

Changing the status quo of Pittsburgh's municipal operations is, in many respects, as painful for me as for those who are affected.

I was faced with the difficult decision to either retain the political and administrative traditions and practices of the past or to develop a fresh new team to carry through with new concepts and new programs.

I chose the latter course because I believe such a course was mandated by the voters of this City.

I want to stress quite clearly that such administrative changes should not imply that those being replaced are not competent. They were and I pray tribute to their good work and loyal service.

I believe that if my administration is to function properly and realize its goals, the installation of new, qualified

people in key administrative positions is essential.

To my predecessor, Joseph Barr, I salute a fine leader who always worked for the best interests of the City.

Both he and City Council displayed great perseverance and courage these past few weeks in resolving the City's complex financial problems.

They are to be commended for their devotion to total City interests and I look forward to their continued assistance and cooperation as I prepare to face the awesome responsibilities as Mayor.

During the past 20 years, Pittsburgh has been the focal point of a physical renaissance that has been acclaimed the world over. It involved the revitalization and restructuring of the physical and economic growth of this community.

Such vital urban renewal will not only continue but be accelerated during my administration.

However, today I propose another type of renaissance—a renaissance in City government.

Its primary purpose will be to develop a resourceful and responsive government—a government able to achieve a genuine and lasting renaissance in City affairs.

Priority attention must be given to the achievement of social justice for all citizens, neighborhood improvement, decent and adequate housing for low income groups, and the abatement of crime and maintenance of peace in the community.

Such basic City services as ridding our streets of potholes, finding remedies for traffic congestion and improving and extending recreational facilities throughout the City must receive necessary attention.

Achievement of a solid economic base, new employment opportunities and improving methods of upgrading the skills and educating the hard-core unemployed must also receive dominant consideration.

Quite obviously the problems are many—they are sensitive as they are complex.

I do not pretend to have any magic formula that will resolve them today or tomorrow.

Unfortunately, as most other cities have found, there are no immediate solutions to many of them.

However, I do believe they can be resolved and I pledge to you that this new administration will begin immediately to search out solutions—in every level of government, local, state and federal—and implement those solutions as soon as they can be found.

It is imperative that we find a better and more equitable answer to the critical economic problems in the City—specifically the problem of taxation.

We must unshackle ourselves from archaic legislative restrictions which compel us to operate under horse and buggy economic and administrative conditions.

No more dramatic evidence of this frustrating problem can be found than in the difficulties encountered by the Mayor and City Council in balancing the 1970 budget.

Incensed as many may have been over the imposition of burdensome real estate taxes, there simply were no other alternatives left by the courts or the State Legislature.

It is obvious that unless the State Legislature takes a more realistic and urgent view of the City's financial crisis, the survival of the City and its sister communities will be threatened.

I intend to use all of the resources and power of the Mayor's Office to carry forward measures aimed at the City Charter revision begun by Mayor Barr and City Council.

There are many things we can do now administratively to strengthen internal organization and management, particularly in the development of modern budgeting and personnel systems.

I am intent on providing the people of Pittsburgh with an alert, capable and dynamic City government.

There is little that we can do on the local level of government to curb the national inflationary trend.

We are, like everyone else in the country, victims of it and must live with it.

I do pledge close control of City expenditures and reductions in spending where possible.

The renaissance in City government will focus on the human side of community development—on meeting human needs, on creating better social conditions, on fostering self help and mutual help measures in improving our homes and neighborhoods.

It will be a cooperative effort—embracing all groups and organizations as well as people from all walks of life and segments of our community.

Because the City is only one element of a mosaic government, it must necessarily involve inter-governmental planning and action. As the central city in the region, it is the key unit, but it is dependent on suburban communities just as their economic life-blood is drawn from the City.

I believe it is time we stopped berating our neighbors for failing to grasp the grave significance of our mutual problems. It is obvious that we must find a new approach in communicating and resolving related city-suburban problems.

I will diligently pursue some method of developing such lines of communication and cooperation with our sister communities.

We cannot continue to squabble like feuding neighbors over a backyard fence over matters that could destroy all of us.

There has been developed in the City a good work force and I expect every City employee to play an important role as the new administration seeks to attain its goals.

I cannot hope to succeed as Mayor without the close cooperation and loyalty of every City employee.

And, of course, I will need that same support and understanding from the people of this City to help me carry out the goals to make Pittsburgh a better City in which all of us can live in unity and peace.

As of this day—and during the years that I am to assume leadership in this

great City—I dedicate myself to this purpose.

With the help of God—with the help of the people—I am confident we can succeed.

Mrs. D'Ascenzo introduced Rabbi Richard Rubinstein, Ph. D.

Benediction by Rabbi Rubinstein.

Heavenly Father: As we depart from this new beginning for Pittsburgh, we are mindful of the extent to which America's hopes for the future rests upon those who lead our cities. We rejoice that a man of the people has been chosen to lead the people. We pray that he will be blessed with the strength and wisdom to unify all of the people of Pittsburgh in their common quest for a liveable community. In Thy presence we pledge him our support and our understanding of the multiform challenges which await him. Blessed be Thou the source of every good and perfect gift. Amen.

Mrs. D'Ascenzo:

All present are cordially invited to the reception in the Lobby of the City-County Building to meet Mayor and Mrs. Flaherty.

MOTIONS AND RESOLUTIONS

The Chair presented

Bill No. 9. Bond of the Continental Casualty Company in the amount of Twenty-five thousand dollars (\$25,000) on behalf of Peter F. Flaherty as Mayor of the City of Pittsburgh.

Which was read.

Mr. Kuhn moved

That the bond be accepted and approved, subject to the approval by the City Solicitor.

Which motion prevailed.

The Chair presented

Bill No. 10.

President and Members
City Council
City of Pittsburgh:

Gentlemen:

It gives me great pleasure to appoint Joseph L. Cosetti, 428 Sulgrave Road, Pittsburgh, Pennsylvania to the position of City Treasurer effective Monday, January 5, 1970 subject to the approval of your honorable body.

Very truly yours,

PETER F. FLAHERTY
Mayor

Which was read, received and filed.

Also,

Bill No. 11. Resolved, That the appointment by the Mayor of Joseph L. Cosetti as City Treasurer, effective today, be and the same is hereby approved and confirmed.

Which was read.

Mr. Kuhn moved

The adoption of the resolution.

Mr. Fagan:

Mr. President, at this time, I would like to say it was only Saturday night, somewhere around the hour of five o'clock that I was notified, as a member of City Council, as to who would be appointed, not only to this position of City Treasurer, but positions as Directorships of the City of Pittsburgh. I have not had an opportunity to discuss it with the newly-elected Mayor, nor with my colleagues in City Council. I think this is a direct reflection on the fact this City Council, as it was sworn into office today, starts off on the basis it has a responsibility to the citizens of Pittsburgh and we are not going to be a "rubber stamp" to Mayor Flaherty or anyone else. At this time, I take the position, I am not voting against the appointment, but until such time as City Council has had an opportunity to study these appointments and all of City Council members have had a chance to be appraised of the appointees and fair and equal opportunity to interrogate them has been had. As I understand, there is a professor from the University of Pittsburgh among them and I think our interest here in City Council far transcends that of a professor at the University of Pittsburgh, such as going over the applicants to run and direct the various departments of the City of Pittsburgh.

As a result of that, in voting against this appointment I am taking the position of asking for ample time to have an opportunity to become acquainted with anyone appointed to operate any of the various directorships of the City, any appointees that must be affirmed by City Council of the City of Pittsburgh.

Mr. Lynch:

I would like to add my comment and support Mr. Fagan's stand. I think to approve these men with the kind of notice I was given—the notice I received was hand-delivered, sketchy, to say the least and the kind of data I don't think informative—and I would like to defer judgment on any of these gentlemen, without prejudice against them. I would like to have an opportunity to go over this in detail and get acquainted without prejudice to them. I think it untoward

and unseemly not to allow a Councilman in my position to perform my function as I swore to do this morning.

Mr. Kuhn:

Mr. President, in moving approval, I was not suggesting that I or any member of Council do other than the regular, traditional, recognized function of the Legislature in approving the appointments of the Executive Offices of the Government. To suggest that by doing this we are "rubber stamping" the actions of the Executive is not, I think, to understand, as I do, the function of the legislative to confirmation of Executive appointments. Under our principle of separation of powers in this Country, the administration and execution of the law is given to the executive branch and making selections of officers to do that, the Executive is given a broad discretion and within which the Legislature does not share as to the responsibility except to a rather healthy and, I would say, largely negative way; that is, to say, in approving an appointment, the legislature does not vouch for or make a judgment as between individuals who might be appointed to a position. The Legislature, in approving or withholding approval, only determines that there is no objection to the appointment or, if it withholds approval, that there are objections.

I, for one, feel I can and should properly support or approve the appointments of the Mayor in order that he may have the means of carrying on the business of the City of Pittsburgh and so doing, I do not conceive my voice as being one which appoints, but rather only one which says there is no known objection to this appointment.

I think we can find the parallel to this in State and National government. Recently, an appointment to the Federal Judiciary was disapproved, in itself remarkable, because so unusual a procedure in the Senate. I think it is important for us to recognize what the legislative body there took upon itself. It took upon itself a finding that the person being named was not qualified and the senators, after long and serious deliberations—in which, by the way, I don't believe the nominee participated or

was called forward for questioning—the senators found, a majority of them, that the nominee was not qualified.

Now, I don't conceive, in this instance here, voting to fill a vacancy that presently exists in the important office of the Treasurer, that I should look hard to find a disqualification in a man—although I will admit with Mr. Lynch and Mr. Fagan that the information did not come to me until last weekend—who appears to be qualified for the position by education and experience. In approving or voting to approve this appointment, I say simply that I am recognizing the executive prerogative, the responsibility of the Mayor to administer and conduct the executive business of the City. There is no objection known to me in the appointment of Mr. Cosetti to this position and for this reason, I would propose and I would suggest, unless one knows of a reason not to, that we affirm the position before us.

Mr. Kamyk:

Mr. President, we know this. That there is a vacancy and there is no City Treasurer at the present time. I know nothing that would stand in Mr. Corsetti's way to be approved today. I may not look the same at the other appointments as I do at this one. But I want to bring to the Councilmen's attention that under the Charter Act of 111, if we reject anyone today, he cannot be reappointed. A new man has to be appointed. So, let's give this some thought and consideration because if we reject someone today and he may be a good man with good background, I think the best thing to do is give the members of Council another chance to take a look at all of these people to be appointed as directors and give it a good look. It may be better to postpone it for another week so we can study and find out just who is who and what is what. Of course, you have a motion on the floor and I am going to support that motion, but I may not support some of the other appointments.

Mr. Michaels:

Mr. Chairman, I do not know Joseph Cosetti but I believe we owe him a debt and that debt is to place him in

the office with the cooperation of every member of this Council, if that man is qualified. I, having a great deal of respect for the newly-elected Mayor, believe Mr. Cosetti is qualified but, so there would be no doubt in each of our minds as to this man's character and qualifications, I would ask whether the motion for his appointment to the job could be tabled, at the discretion of the President, until such time, as early as possible, as we reconvene this Council for consideration of a man who has not previously held a government position.

The Chair:

It is not within the power of the President. The one who makes the motion can do so.

I want to stress the fact as Walter Kamyk mentioned, that if this gentleman is turned down today, the Mayor must present to us another name. He cannot be voted on again.

Mr. Fagan:

Mr. President, if I may, the question of qualifications of the appointee to the City Treasurer position is not at this time being questioned. As far as knowing him, I know him very well. I had an opportunity to serve with him in Harrisburg at the Constitutional Convention. He is well known in the field of finance and marketing and is well qualified.

The question arises as to the proper authority invested in the legislative body in the City of Pittsburgh and in their right to be recognized and to be informed as to what we are considering as far as appointees are concerned. We should know their qualifications, have an opportunity to know their background, experience and ability and to question on that. I would ask, because I would not want to vote against not only the appointee presently before us but none of the other appointees of Mayor Flaherty, I would ask the maker of the motion to withdraw and withhold until such time meetings can be held and explanations made and all Councilmen become knowledgeable of every appointee they are being asked to confirm and vote upon.

Mr. Kuhn:

Mr. President, a suggestion was made that I should withdraw the motion. I do not believe I conscientiously can do so because I regard the function of this Council in approving or withholding approval of an executive appointment to be a very narrow and a very limited one. I believe, if I felt as Mr. Fagan does, from the experience he has had with this man whose nomination is before us, there would be no legislative reason for withholding of the approval. As a consequence, in order that the executive may have that respect, which we, as a legislature would also expect the executive to give us, I suggest that we permit and authorize the executive to go forward and carry out the administration of the affairs of the City.

It is obvious the vacancy exists. The office of the City Treasurer is one of the most important in which immediate action and immediate decisions are important for the financial welfare of the City in the administration of one of its most important departments. What I am saying is, confine, for the moment, ourselves to this particular appointment. I think this, with respect to the conduct of the affairs of the City, bears also upon the other executive branches, but clearly as to this one appointment of City Treasurer. A vacancy in that office should not be permitted to exist unless we know of some reason why an appointee should be disapproved.

If it is solely a question of prerogative and as to the duties of this Council as a legislative body, I am satisfied that I am prepared to vote and I would not agree to withdraw the motion. I am satisfied our rights in this matter are not being infringed upon and the Mayor is not asking us to do anything improper or inconsistent with the oaths of office which we, as Councilmen, took this morning.

Mr. Shields:

I concur in the thinking of Mr. Kuhn and recognizing first of all the authority and responsibility our Mayor has and recognizing the fact our own function as the Legislature is to approve, not act as a personnel committee. Realizing the Mayor was elected by the people of this City and in order to do a job

must have a team of his persuasion and thinking, I don't think we should ask any man to dig a ditch without giving him a shovel with which to dig it.

I think Mayor Flaherty has a right to have a team at this time. He deserves our support and we should approve his appointments.

Mr. Lynch:

There was no question raised as to disapproval of this appointment. I think Mr. Kuhn has at great length outlined his theory of the duty of this Council. I don't happen to agree.

I think under the laws this Council was given the authority to carefully weigh all executive appointments. From here on out, we shall have no further relationship in supervision of these people. It seems clear to me, no one suggested it not be approved. It is merely felt by Mr. Fagan, and I feel the same way, this is being done on a crash program basis and without ample time to the Council. As one of my first duties in this Council, I regret I would have to approve or disapprove of an appointment of a man who may be perfectly acceptable or who possesses all of these fine qualifications. I don't know how I could reasonably be expected to vote aye or nay.

Mr. Kuhn implies I am not to look for something wrong but I would like to have data in terms of background and experience available on any appointee presented to this Council. That has nothing to do with making an evaluation of the man's qualifications, only an evaluation of the man's worthiness to serve in the cabinet.

Mrs. D'Ascenzo:

Mr. Chairman, in seconding the nomination of Mr. Cosetti as Treasurer of the City of Pittsburgh, I do think of myself as a Councilwoman who is a member of the legislative branch and our responsibilities do not extend to the Executive and Administration and in this context, I want my second to stand.

Mr. Mason:

I am concerned about the "crossfire",

of the discussion here. I would like that it be known, and I guess every other member of City Council or potential City Councilman, we were not informed until around 5:30 Saturday afternoon as to the qualifications of these people. My good comrade and colleague in Council, Mr. Kamyk, has given the implication that withdrawal of the motion is, in a sense, rejection, and my colleague, Mr. Lynch, feels there is no reflection on any of the nominees at this given point.

The point that faces us is that City Council was not notified until 48 hours before these names came before us for consideration. I am asking, as one of my previous speakers has already indicated—and no reflection on the Mayor, or the appointees, or the Mayor's prerogative on selection of employees, but we have not had an opportunity to examine the qualifications or look into their biographical sketches, so to speak—I am asking, without being legalistic, that such appointees at this time be given to Council for Council study, deliberation and discussion. Not for interrogation or investigation and I want that stricken in any way from the record, but we need an opportunity to go over each biographical sketch and arrive at a decision within a week.

The Chair:

I want it understood thoroughly. If this is defeated, this gentleman is defeated. I want everyone to understand that.

Mr. Kuhn:

I have one further observation to make. I am not so young I cannot remember the degrading state of public affairs that existed in this City before the resignation of Mayor McNair in 1930 when the legislative body saw fit to question every appointment the executive made and in the end, the executive found it virtually impossible to administer the affairs of the City. I am not suggesting that in that dispute the legislative or executive were alone at fault. I am observing that stepping into the area of administration in legislative action is a very serious peril. We have seen legislative abuses in State and

National government and I think we have had them in local government. I believe a proper respect in the administration of public affairs calls for the responsibility of the executive to administer and by this, I do not, by any means, mean to suggest that I would be in agreement with a matter of policy with the incoming administration any more than I was with the outgoing administration, nor is any member of Council in exercising his legislative function in adopting the ordinances and regulations of this City bound one way or another to respect the executive prerogative.

However, in this limited function we have of either approving or withholding approval of executive appointments, we have, I think, to consider the proper administration of City government and if we frustrate the executive's ability and capacity to do so, I think we do so at our own peril, recognizing we may provide for ourselves a state of affairs in which the public, whom we are elected to serve, may justifiably inquire as to whether we are paying attention to work we should be doing. The Mayor should be administering the affairs of the City and to do so, he needs appointments.

If I remember my history correctly on the change of administration in Harrisburg, of Washington say, from Governor Leader to Governor Lawrence, in every instance, there was a resignation on the desk of the chief executive and thereafter, new appointments were made, some the same people, some different. The same thing in Washington in the change of administration, whether of the same party or not and in these instances, I think we have seen that cabinet offices, on the State or National level, are recognized as being the people who do the executive work and it is up to the executive to see that choices are made of persons capable and qualified. It is to the legislature only to withhold approval if there is reason to do so and in this instance, I believe we have before us a communication which calls only for that limited participation of this Council and I think we should give the Administration, the Executive Office, the means to carry out its functions. By doing so, we do not, by any means, say we are going to agree on any particular policy or other, but certainly I would say we have to

see affairs of the City Treasurer's office are administered and administered promptly because it is vitally important to the financial affairs of the City.

Mr. Fagan:

Mr. President, Councilman Kuhn, for reasons of his own, is trying to distort what is before this Council or distort the positions that have been explained by the Councilmen who have taken an opposite view to his in the confirmations of the appointments of the Mayor. I was glad to hear Councilman Kuhn has such a great memory he remembers what happened in 1932 and 1933 but he has a convenient memory which lets him forget what happened in this Chamber some four weeks ago.

The Mayor of the City of Pittsburgh, at that time Joseph Moran Barr, sent to this Council for confirmation appointees to the Stadium Authority and one also to the Allegheny County Sanitary Authority, and in both of those, he voted against those appointments. The appointments were voted down, one, because of the fact the Mayor of this City of Pittsburgh failed to communicate properly with this City Council as to what his appointments would be. As a result, I voted against it, along with "short-memory Kuhn" who evidently had reason for doing it. I say, it is hard for me to understand why someone has a great memory for 30 years ago and becomes completely oblivious to what happened in this Council a few weeks ago. This is not a personal vendetta. I am just trying to refresh his memory. No one finds fault with the fact that an appointee by Mr. Flaherty, or Mr. Flaherty, who must run this city, are the administrative. As a member of City Council, we also have a responsibility and I think the position that has been taken by Councilman Kuhn only points out the fact that in the past, we have had a "rubber-stamp" Council. We have not had one willing to stand up and assume its obligation to interrogate, if you will, and find out who is going to run the departments of this City of Pittsburgh.

I think that is one of the things we have been lacking and as a City Councilman for two years, today I won't run

away. If I am going to confirm someone, it is not going to be on someone else's word. I feel the people of Pittsburgh elected me for one reason—to conduct this office as a Councilman in a manner conducive to their best interests, not being misled, nor in a position where I blanketly go along with an approval, whether subject-matter or individual, of something of which I am not knowledgeable.

Mr. Kuhn:

I hope we can continue to transact the legislative business of the City without resorting to name calling or accusations of distortion. I fully respect Mr. Fagan's feelings in this matter and respect his vote and his right to adopt a different opinion from mine and I hope we will be able to continue to deal on that same basis. I would like, however, because I think my memory does serve me in this and I believe I can explain why I voted as I did with regard to the two appointments. They were consistent with the position I am taking today because in both instances, which I believe I called to the attention of this body, vacancies did not exist.

When those vacancies arose, they were the terms to be filled and served under the Mayor-elect and it was a respect for him, as executive administrative leader of the City, that he should have been consulted. It was not our concern as legislators. In both those instances, I believe I took pains to observe that neither Mr. Casey nor Mr. Tucker would have been disapproved by me. They are both gentlemen of outstanding experience and ability. But the question was one as precisely the matter I am raising here today and that is, the responsibility and the right of the executive to administer the affairs of the City through officers of his choosing, so long as those officers are not known to us to possess any reason for disqualification.

I hope Mr. Fagan will accept my explanation for my vote then. I have not attempted to distort. If I did, I apologize and hope what I say now will clarify. I think we should vote on this issue, keeping in mind what our function is and not permitting our personal differences to color it.

Mr. Lynch:

Mr. President, Mr. Kuhn once again articulates clearly his notion of what our function is. Fundamentally, I think our function, the function of the legislative branch, is to act as a check-point. I think, also, it is its obligation to carefully consider nominations before it. I think it might be the most important name before Council this year. I point out, if this young man is not approved and the City is deprived of his services, it will be because of Mr. Kuhn's resistance to the rest of the members of this Council having the necessary three or four days to do a minimum deliberating of this man's ability to serve. I think it unreasonable and emotional not to withdraw his motion which places this man in jeopardy.

Mr. Kuhn:

Mr. President, I do not assume any responsibility for any appointment. These appointees were submitted by the Mayor. I do not serve to submit or withdraw nominations. That is the Mayor's prerogative. Perhaps I am not persuading you by my view of our function as a legislative body in this limited area. I regret it may be so, but unfortunately, what I regard as our function is clearly defined by law, recognized by court decisions and tradition of this legislative body in time immemorial. I am not assuming any responsibility other than as outlined and that is, I know no reason why these appointments will not be confirmed. I will not withdraw the motion. If the Mayor so directs, that would be his prerogative but I think it is not our function to tell the Mayor how or whom to appoint.

Mr. Michaels:

If, then, we are to vote on the man, I think it is important we know the following facts. Joseph L. Cosetti, aged 40, single; he lives at 428 Sulgrave Road; B.S. Degree from Ohio State; MBA in Economics and Marketing from Ohio State Graduate School; employed as Staff Economist at J&L Steel Corp.; Economist (Senior Planner) at J&L, since 1959; was Manager of Market Research at Virginia Carolina Chemical Corpora-

tion in 1958 and 1959 and from 1953 to 1958, Commercial Research Analyst at United States Steel Corporation.

These are the facts on Joseph Cosetti, before us. I do not know the individual. I am impressed by these facts. If I am to vote, I am going to vote on the man rather than the issue. I would not want to deny the new administration or the City the talent I see before me, and I would ask if there is any other member of this body who knows of anything else, I would ask he speak up now so that I can better make a judgment.

Mr. Shields:

Mr. Chairman, I would like to make an observation and I hope the Chair will not think me brash since I am a freshman member; but I see something happening here rather disheartening. Reference has been made several times to Council being a "rubber-stamp" legislature. Reference was made in that area during our most recent campaign. I hope we are not becoming psychologically bound by this accusation to the extent we are going to swing to the other extreme in hopes of alleviating the situation; in hopes of convincing everyone, to the detriment of everyone, that we are not a "rubber-stamp" legislature. The question of whether or not we should approve this nomination, we should not concern ourselves with doing anything but what we honestly think right, forgetting what others might think. Let us not fall into that area, overriding accusations, particularly if we feel, within our own hearts, they are not true.

Mr. Fagan:

Mr. Chairman, before putting the appointment to the vote, I would like to have a Parliamentary inquiry as to whether or not, if an appointee would not receive the necessary five votes, he could be reappointed after he had lost that appointment, as far as City Council is concerned. May we have an answer to that?

The Chair:

I asked Mrs. Finkelhor that question before the beginning of this meeting, figuring it would come up and if

the man's appointment would be defeated here, his name could not be presented again.

Is that correct?

Mrs. Finkelhor:

That is correct. If a name is voted down, it cannot be resubmitted. However, if tabled, this is not a negative vote, of course.

Mr. Kamyk:

I would like to have a Parliamentary ruling on that. Sometimes, two or three motions can be made and certain motions have priority. If I had made a motion to hold up an appointment today until next Monday, would my motion take priority over Mr. Kuhn's motion.

Mr. Lynch:

In that case, I would make a motion to table.

Mr. Michaels:

The Seconder of the motion has the ability to table?

The Chair:

Anyone can make a motion to table.

Mr. Michaels:

I move we table.

Mr. Kuhn:

Called for a roll call vote.

Mrs. D'Ascenzo:

Mr. President, a matter of information. Why does the second motion, to table, take precedence over the first motion, which is bonafide, regularly moved and seconded, that the nominee be voted?

The Chair:

I don't make the rules.

Mrs. Finkelhor:

The tabling of the motion is, in fact, an amendment to the regular motion.

The ayes and noes were taken, agreeably to law, on the motion to table, and were:

Ayes:—

Mr. Fagan
Mr. Kamyk
Mr. Lynch

Mr. Mason
Mr. Michaels
Mr. Counahan
(Pres't)

Noes:—

Mrs. D'Ascenzo

Mr. Kuhn
Mr. Shields

Ayes 6. Noes 3.

And a majority of the votes of Council being in the affirmative, the motion to table prevailed.

Mr. Mason:

Mr. Chairman, and correct me if I am wrong, I move all nominees to be presented to this body this afternoon, be held over until Council has had a chance to examine and discuss them and present those names on Monday at 2 o'clock, P. M., January 12, 1970.

The Chair:

The motion is out of order. Each name will be brought up separately.

The Chair presented

PETER F. FLAHERTY,
Mayor

Which was read, received and filed.

Also,

Bill No. 19. WHEREAS, As successors to Magistrates Ernest C. Jones, Julius J. Strba, John J. Florucci, Harry B. Fitzgerald, John Lloyd Jones and Rocco A. Burello, I hereby appoint, subject to approval of your honorable body, the following named persons to the Office of Magistrates for the City of Pittsburgh:

Sholom D. Comay, Housing Magistrate,
2139 Beechwood Boulevard

John W. Chapas, Allegheny Center
Apartments

Louis Dadowski, 4214 Davison Street

Earl L. Harris, 5835 Alderson Street

Jerry B. Landis, Chief Magistrate,
5 Grandview Avenue.

Which was read.

Mr. Lynch:

I would like to raise a question. I notice the City is in a serious financial bind at this juncture. Recently, there was a ruling at the Constitutional Convention pertaining to Justices of the Peace and Magistrates and I believe their duties will pretty much overlap, except for the Housing Magistrate. I am wondering if this whole notion of the present magistrates is not somewhat outmoded. Perhaps we don't need them, except for the Traffic Magistrate and Police Magistrate. Perhaps we could save the City in the neighborhood of \$300,000—the State pays the salary—but the expenses of the clerical help. I bring that

up for the consideration of this Council
and for the general information of the
public at large.

Mr. Fagan moved

The resolution be tabled.

And the ayes and noes were taken,
agreeably to law, on the motion to table,
and were:

Ayes;

Mr. Fagan
Mr. Kamyk

Mr. Lynch
Mr. Mason

Mr. Michaels

Mr. Counahan
(Pres't)

Noes:

Mrs. D'Ascenzo

Mr. Kuhn
Mr. Shields

Ayes 6. Noes 3.

And a majority of the votes of Council
being in the affirmative, the motion to
table prevailed.

And on motion of Mr. Fagan,
Council Adjourned.

RESOLVED, that Resolution No. 1, approved January 9, 1970, shall be amended to state as follows:

"RESOLVED, that these retiring Directors and Bureau Chiefs of the City Departments and Bureaus shall receive earned vacations for the year 1970, but such vacation period shall not prohibit the appointment of new Directors and Bureau Chiefs so that the business of the City may continue, and that such vacation payments shall be payable in a lump sum from Code Account No. 42—Contingent Fund.

Which was read.

Mr. Kuhn moved

The adoption of the resolution.

Which motion prevailed.

The Chair:

We have some resolutions that are tabled that we will now take up.

The Chair presented

RESOLVED, That the appointment by the Mayor of Joseph L. Cosetti as City Treasurer, effective today be and the same is hereby approved and confirmed.

Which was read.

Mr. Kuhn:

I move that this resolution be taken off the table.

Mr. Fagan:

I second the motion.

Which motion prevailed.

Mr. Kuhn moved

The adoption of the resolution.

Upon which motion the ayes and noes were taken, and being taken were:

Ayes:

Mrs. D'Ascenzo

Mr. Mason

Mr. Fagan

Mr. Michaels

Mr. Kamyk

Mr. Shields

Mr. Kuhn

Mr. Counahan

Mr. Lynch

(Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Also,

Bill No. 13. Resolved, That the appointment of Bruce D. Campbell as Director of Departments of Lands and Buildings, effective today, be and the same is hereby approved and confirmed.

Which was read.

Mr. Kuhn:

I move that the resolution be taken off the table.

Mr. Mason:

I second the motion.

Mr. Kamyk:

Mr. President, since I made a motion to table this particular appointment or request for appointment, I thought I would have the privilege to

take it off the table and that is the reason I tried to find out who the next appointment was that is being considered.

However, before we act on this appointment I would like to say something about the retiring Director, Mr. James Hughes, because I have been a Chairman of the Committee on Lands and Buildings since I became a Councilman. Director Hughes was in charge of Lands and Buildings and I found the cooperation and the best spirit and just the best. So, Mr. Chairman, I would like to remind ourselves of some history about Mr. Hughes. I recall way back in Lawrence's first administration when all the yards in the City of Pittsburgh were piled up with rubbish because, at that time, the City of Pittsburgh had been a novice in disposal and collection of rubbish. My good friend, Mr. Frank Halloran, at that time, said to me well maybe that rubbish situation will be straightened out because the Mayor appointed Jim Hughes to be Superintendent of Refuse. Jim Hughes did a swell job, real good at that time. He remained Superintendent of Refuse until we had problems in Land and Buildings. At that time, again, the late Mayor David L. Lawrence, called on Jimmy Hughes to straighten the Department out.

Since then he has been a Director of Lands and Buildings and he has done a good job and I think he deserves special recognition today from us and that is the reason I'm rising and speaking up today because I think we should recognize good work when we see it. I was real proud to serve as Chairman of the Committee on Lands and Buildings with James Hughes as Director.

So, Mr. Chairman, I will not offer any opposition to the new appointee because I do not know of anything bad about him. I wish that he continues the good work in Lands and Buildings as Director Hughes did in the past.

The Chair:

Thank you. Now as far as taking it off the table, you made the motion to lay it on the table and you had an opportunity, if you cared, to take it off the table. Any member of Council can, of course, stand up and be heard from. So

we don't make any special privileges and I just wanted to say I didn't do this to hurt you. I recognized the man that stood up to make the motion.

Mr. Kuhn:

Mr. President, I would be very glad to yield to Mr. Kamyk's desire that the record show that he lifted this from the table and I so move and yield my motion to his in that regard.

Mr. Kamyk:

Thank you. I move that the recommendation by the Mayor be taken off the table.

Mr. Kuhn:

I second the motion.

Which motion prevailed.

Mr. Kamyk moved:

The adoption of the resolution.

Upon which motion the ayes and noes were taken, and being taken were:

Ayes:

Mrs. D'Ascenzo	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Prest)

Ayes 9. Noes none

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Also,

Bill No. 37. Resolved, That the appointment of Ralph Lynch, Jr., as City Solicitor, effective today, be and the same is hereby approved and confirmed.

Which was read.

Mr. Mason:

I move that this bill be taken off the table.

Mr. Michaels:

I second the motion.

Which motion prevailed.

Mr. Mason moved

The adoption of the resolution.

Upon which motion the ayes and noes were taken, and being taken were:

Ayes:

Mrs. D'Ascenzo	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Also,

Bill No. 19. WHEREAS, As successors to Magistrate Ernest C. Jones, Julius J. Strba, John J. Florucci, Harry B. Fitzgerald, John Lloyd Jones and Rocco A. Burello, I hereby appoint, subject to the approval of your honorable body, the following named persons to the Office of Magistrate for the City of Pittsburgh:

Sholom D. Comay, Housing Magistrate
2139 Beechwood Boulevard
John W. Chapas,
Allegheny Center Apartments
Louis Dadowski,
4214 Davison Street
Earl L. Harris,
5835 Alderson Street
Jerry B. Landis, Chief Magistrate
5 Grandview Avenue

Which was read.

Mr. Mason:

I move that this bill be taken off the table.

Mr. Michaels:

I second the motion.

Mr. Lynch:

Mr. Chairman, I'd just like to make a few remarks concerning the newly appointed or nominees for Magistrate. As we all know the Police Magistrates system in the City of Pittsburgh has traditionally been part of the Mayor's prerogatives and his political patronage and it should be used in that sense. However, a week or so ago it was

brought to my attention that it may not be necessary with the new Justices of the Peace that we have Police Magistrates. It is a substantial saving for the City. I asked for a comparison of the duties of the Justices of the Peace and the duties of the Police Magistrates and I have, as of this moment, not received an answer from the City Law Department. I was notified, in effect, that the Mayor was obliged under the law to appoint Police Magistrates.

I have been informed, however, and I have made public this information, by independent, competent and responsible counsel that, the fact is, and herein lies an area of disagreement, that it may not at all be a responsibility of the Mayor to appoint these Police Magistrates. In view of this question I, therefore, stand in favor of the course of action that this Council ought to continue to table these Magistrates until we determine whether they are necessary, and to what extent, in fact, we have Magistrates now serving. The arguments I get are two in private conversation. Number one, I have been told that this thing is really going to work out and we should wait, I should be patient and in a year or so we will take another look at that time. I'd like to say, respectfully, that this Council will not take another look at it. Once they go through they do not come back to this body.

Secondly, I have never known of a political bureau to talk itself out of work yet. I don't mean to apply Parkinson's law here. Police Magistrates can justify themselves. They will justify themselves whether objectively necessary or not.

Just one more observation on Housing Magistrates. I might indicate that I'm speaking of a couple just off hand about one or so agencies involved with housing in the City, from the Housing Magistrate as to a newly appointed Housing Coordinator, a housing administrator, to Jim Knox, who does the Housing job for the County, to the Safety Department who has building inspectors to inspect housing, to the Health Department, to the Department of Sanitation, to the Urban Redevelopment Authority, to Action Housing, and I suppose there are other agencies, all of whom are concerned with housing. Now the people who are victims of the bad housing are mostly black people and we are now,

by way of making appointments this day, in which we are going to appoint a Housing Magistrate, those people who are the greatest victims of it aren't going to have a vote. Therefore, I favor the Justice of the Peace System because that lets the people who are, overall, the people of this administration, have a say in who shall be their administrators of it.

I now have concluded over the lunch hour, I talked with my colleagues in private and I'm not ignorant of the fact that I will have no support here in passing this motion. My original idea was to abstain in voting but now I realize that I have reason to and I will vote but I thought it was important for me to explain to this Council why I voted no. The reason I voted for the nominees for the Department heads, on the other hand, was that seven days have gone by and in the tradition of the old west, we have had enough time for someone to come forth to us. The facts were made clear on everyone and I'm satisfied to the background and morals of our nominees.

Mr. Kuhn:

Mr. President, I intend to vote for these appointments for the following reasons: First, the Housing Court was created by action of this Council among others to meet a definite need in the enforcement of the housing programs in the City, particularly the administration of programs in code enforcement and in rent withholding and other laws legislative enforcement that called for special knowledge and a special court.

The reasons why we did so are familiar to those of us who participated in the very long and thorough CASH, or Citizens Against Slum Housing, hearings that that organization and others had before Council several years ago. With respect to the other Magistrates, I can't quite agree with Mr. Lynch because the necessities of a City of this size with a Police Bureau, numbering over 1600, again, prompt, fair, and efficient law enforcement to all of its citizens call for an availability of committing Magistrates in conformity with the requirements of the Courts of this Commonwealth and of the United States. There are certain administrative limitations in

relying upon a heretofore untried and new Magisterial system that is just taking effect as of the first of this year under the new Justice of the Peace system.

There are geographical limitations of authority and there are questions of the administration of this program that I think must be developed. This is not to say that we may not ultimately, in the future, find reason to question whether there is a continuing necessity for a separate committing Magistrate system in the City, but I believe, at least for now, it is clear that the administration of justice to all persons who are coming before the courts by reasons of complaints by our Police Bureau justify the continuance of a Magistrate system that does confine itself to criminal cases, and does give, in accordance with the current prevailing rules of due process, procedural unsubstantity, and opportunity for persons to have prompt, expeditious and fair hearings. I'm satisfied that the qualifications of the persons submitted to us by Mayor Flaherty should promise that we would have a fair administration of justice in these regards.

There is one other aspect that I think does require some consideration and that is in continuing its legislative power set up under the Charter Act to operate its own system of minor judiciary, the City itself realizes in the administration of justice certain legal costs which are fairly and properly ones which the City should recover because of the expenses involved in the administration of the system. Now in this respect we would anticipate that the costs we added to fines and penalties exacted in our system should more than pay for the administration of this system and so we are talking about a revenue item which as the new Chairman of the Committee on Finance of this Council, I can only say I find it a matter of concern.

I do not think that we should operate a system of judiciary in the City for the purpose of making money, but I do not think either that we should accept an alternative of an untried system with new courts that are just getting started when we have very difficult and very important rights to protect through the operation of our Police Bureau and our courts.

So, I think we have reason to approve these appointments. I think it is also significant that the Mayor has submitted to us less than the number of Magistrates who held office before. I would only assume that this is done in order that some experience might be obtained before making any further appointments, if any.

Mr. Fagan:

Mr. President, it is my intention today to vote for the appointment of the Magistrates, although I agree with Councilman Lynch in pointing out the fact that the new minor judiciary system that has been instituted under the recent change in the constitution in the Commonwealth of Pennsylvania will eventually be adequate to handle justices in these particular cases. Being a Delegate to the Constitutional Convention, I'm very familiar with it and exactly with the desires of the delegates were to find out that and to finally approve a minor judiciary that was elected by the electorate. So that in turn the justice would be met in the proper manner. But I feel that in just going into the new arrangement of the Justice of the Peace system under the minor judiciary, I think it is too early at this stage to eliminate the Magistrates that I feel are necessary to handle the cases that we have here in the City of Pittsburgh. I feel that at a later date when Magistrates can properly be phased out and still put the City of Pittsburgh into a position where it can properly take care of all of the cases that it has through the Justice of the Peace systems set up that just has been put in this January, the one I feel that the City will take advantage of.

As Councilman Kuhn has pointed out there is a great question as to where the cost would be allocated on the cases that would be handled by the Justice of the Peace. Their salaries are paid under the new constitution by the State and their offices are handled through the expense of Allegheny County. There are many problems involved here that we can, as we go along, phase out the Magistrates when we feel it is to the greatest advantage of the electorate of the City of Pittsburgh, and have them make the determination as to who will operate the minor judiciary.

I would like to say further that in the

last seven days it has been our opportunity, myself and our other Councilmen here, to become better acquainted and to become more knowledgeable of the appointees of Mayor Flaherty, and I stand ready to make that approval today, Mr. Chairman.

Mr. Lynch:

Mr. Chairman, I just have one or two more remarks I might say in reference to Mr. Kuhn's remarks on the cost. We were talking about the cost this morning, I believe, that the Magistrates collected. I see now they collected about half a million dollars and half stayed in the City, the other half were fines. Under the new system, half would go to the County and State, but the cost to the Police Magistrates was a quarter million. The fact is we have \$584,000 in salaries to Magistrates. As an example, the Housing Court had a budget somewhere around \$42,000. They have had a Housing Clinic, adding over \$80,000. Their job is to go to homes and take care of houses. I'm not sure precisely what this function involves.

Secondly, I'd like to point out that the Magistrate system existing now does not seem to me to be in arguments for not trying. The Mayor has at his disposal, unless the State removed it, and we have the right as Council to go back and reappoint Police Magistrates. We cannot, today, appoint Police Magistrates and one year or two years from now remove them. When we appoint them now we won't have another look unless the Mayor decides to make one.

One more observation, there are five County Magistrates appointed, I wonder if that implies that there will be no more to make it because of the cost to the City. The City is passing a tremendous crisis this year and it is apparent to me that this is a serious and profound problem and I'm therefore concerned with conserving and saving money, but I can recognize that we have to maintain for the citizens of our City all of the things we can provide for them and all of the benefits.

Mr. Kamyk:

Well I just wanted to bring to our attention that I looked at the Controller's report on revenues to include

November 30, 1969, and in that report an item of fines and forfeits is quoted as \$578,000 or \$2,000 more than the estimated revenue for this year for 1969 ending December 31. Now this is only a report from November 30, and when you speak about a Housing Court that is a very exclusive field that we got into.

We have, for instance, a Housing Clinic and perhaps even if we eliminated the Magistrate maybe we'd still need a Housing Clinic. So, there would still be the cost involved there. So, at this time, I think that this time we ought to keep our Magistrates and see what happens to the Justices of the Peace.

Mr. Shields:

I would like to first say that I intend to vote in favor of today's appointments as I would have last Monday. I'd like to address myself just briefly to something my colleague, Mr. Lynch, made reference to when he was concerned about the fact that the Housing Court which probably affects blacks more than anyone else could not be voted upon by blacks.

I would just like to thank him for that consideration as a black man myself, and I'd like to suggest to him that in his thinking that certainly those who are affected are tenants, not land owners by and large. We are concerned not only about black people in this City, we are concerned about people who need the help of Government to live as all people should be living. I would just hope and recommend and pray it is the same type of consideration in terms of serving all the people of this City will remain with him and Council and our deliberations on other matters.

Mr. Mason:

I concur in my colleague's remarks and I have been urged by certain organizations in this community to approve, both by telegram and telephone, the appointment of these Magistrates. But I think, Mr. President, and my colleagues, that it should be made quite abundantly clear to some of my colleagues who may not be clean on this subject, that there is a constant liaison between an agency which we spend almost \$192,000, namely the Commission on Human Relations and the Office of

the Housing Court, so that there is ample protection for everybody involved. As my colleague, Mr. Shields, has pointed out, most of the problems that come before the Housing Court are those of tenants and as Mr. Kuhn has pointed out, the question of rent held in escrow pending the repair of the house and code enforcement and so forth that we do have a liaison which seems workable.

Secondly, I would like to take just a tiny bit of exception with regard to one small remark that was made by my colleague, Mr. Lynch, that Council will probably never take another look at that problem of Magistrates, and certain discontentment within the payroll of the City of Pittsburgh. There was appointed by you, sir, a job, a labor, sub-labor committee to hear all of the discontentments and we did this for one whole year and I believe we came up with some solid reasons to this body. So, the criticism is very ill founded and this is important and I'm sure that you, as President, will find a way for Council as a body to reexamine the whole system in terms of Justices of the Peace.

Thirdly, the Justices of the Peace are still in training and it is a trial balloon basis and I believe people in the poverty stricken areas, whether black or white, needs, as Mr. Kuhn succinctly put it, as quick and expeditious as possibly can be obtained. In other words, some police officers arresting somebody, carrying him to a Justice of the Peace, that is not available, the next one is not available and he ends up in Sewickley and this a hardship, be they black or white, and I want to see how the Justices of the Peace get off the ground.

Mr. Lynch:

One last comment I have to make to Mr. Shields for his admonishment as to my motives, but I really don't need his guidance or suggestions as to what my motives may or may not be.

Secondly, I might point out that in no sense did I question Council's intentions or integrity in terms of reexamination of the appointments. I don't see any method whereby they come before this body again. We again begin to exceed our narrow obligations as a Legislative body if we begin to second guess. So, going along with that I think now is

the time to make our observations, and that is all I have to say on the subject from here on.

Mr. Kamyk moved

The adoption of the resolution.

Upon which motion the ayes and noes were taken, and being taken were:

Ayes:

Mrs. D'Ascenzo	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan, (Pres't)

(Mr. Lynch voting "no.")

Ayes 8, Noes 1.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Kuhn:

Mr. President, I wish to ask if we might adjourn out of respect for the memory of the late John Duff Jr., who was a member of this body for a number of years and then a Judge of our Court of Common Pleas. I ask that an appropriate memorial resolution be drafted and sent to Judge Duff's family.

The Chair:

Mr. Kamyk, would you be a committee of two with Mr. Kuhn to draft that resolution.

Mr. Kamyk:

Yes sir.

And on motion of Mr. Kuhn,

Council adjourned.

DECLARATION OF EMERGENCY

WHEREAS, Article XIV, Section 13 of

the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that appropriations shall be made annually by general ordinance except in cases of emergency, when special appropriations may be made to meet the same; and

WHEREAS, the Director of the Department of Public Works, in letters addressed to the Mayor and the City Controller under date of January 28, 1970, has stated that because \$158,562.42 will be needed to pay for salt purchased and used by the City of Pittsburgh in the year 1969 and that it is estimated that an additional \$150,000.00 will be needed to pay for salt purchased for the year 1970 and that because the City of Pittsburgh has experienced a very difficult winter and the use of salt for icy streets has increased accordingly requiring purchase of salt over and above the average, there will be required an additional appropriation of the sum of \$300,000.00 to Code Account No. 1629-1, Salt for Icy Streets, Department of Public Works; and

WHEREAS, the same appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

NOW, THEREFORE, We, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John T. Hughes, Jr., Deputy Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of the sum of \$300,000.00 to Code Account No. 1629-1, Salt for Icy Streets, Department of Public Works.

UNFINISHED BUSINESS

The Chair presented

Bill No. 186. RESOLVED, That the appointment by the Mayor of Charles H. Cooper as Director of the Department of Parks and Recreation, effective March 1, 1970, be and the same is hereby approved and confirmed.

Which was read.

Mr. Fagan:

Mr. Chairman, I rise, at this time, to oppose the appointment of the new Director to the Department of Parks and Recreation. I do it with the understanding that as far as the background of the new appointee is concerned it has no relationship to my decision, because I think that as far as his background is concerned he is one of the finest citizens of our communities of the City of Pittsburgh.

But I take my position out of the fact that the City of Pittsburgh has had the opportunity, in my opinion, of enjoying the Directorship in Parks and Recreation of one of the finest individuals I have ever had the privilege to know. I think that his dedication to his duty as a Director in Parks and Recreation has gone a long ways in bringing about over this past summer a successful, cooperative spirit as far as Parks and Recreation is concerned, and went a long ways in keeping peace in our City.

I feel that any political considerations that the Mayor may have should transcend the best interests in this City of Pittsburgh. Therefore, I, at the present time, vote in opposition to the appointment of a new Director of Parks and Recreation.

Mr. Lynch:

Mr. Counahan, on a totally different point than Mr. Fagan, any understanding with regard to Mr. Cooper and Mr. Sullivan was that this Body directed a communication be sent to the Mayor's office requesting that a background report be submitted to this Legislative Body testifying as to the fitness, character, and qualifications of both these men.

Now I understand that at this morning's private meeting that some of the members already were informally notified that these men have no impediments in their qualifications, but I think this Legislative Body ought to have some formal notice of their fitness before we take any action that would be in line with our formal request in order that we can set up a procedure that somebody has done that kind of work.

This is without any prejudice or any imputation because I know full well because I have been told by Mr. Mason of the qualifications of Mr. Cooper. But I must ask that a formal notice be submitted to this Council before we are asked to vote on the fitness of these men.

So, for that reason I don't know that we are in a position yet to take an accurate vote. Therefore, I'd like to make a motion that these motions be tabled for another week, and that the Executive branch, once again, be asked to submit these backgrounds that they have.

Mr. Fagan:

I second the tabled motion.

The Chair:

Regularly moved and seconded that these motions be tabled for another week because of the failure of a report from the Mayor's office as requested by this Council.

The Clerk will call the roll on the motion to table the appointment.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Fagan

Mr. Lynch

Noes:—

Mrs. D'Ascenzo

Mr. Mason

Mr. Kamyk

Mr. Shields

Mr. Kuhn

Mr. Counahan

(Pres't)

Ayes 2. Noes 6.

And there not being a majority of the votes of Council in the affirmative, the motion to table was defeated.

The Chair:

I do think that the report should be in here and from now on I will expect to have a report, a proper kind of a report.

As I understand, there was a report made verbally to the members of City Council, but not to me. I didn't attend any meeting wherein that this subject matter was brought up. But if it was brought up and accepted by Council, then I'm voting no for that particular reason. The motion has lost.

Mr. Lynch:

Very well, could I ask then that any Council member here present who was in the conference this morning and was notified of the men's character and fitness, might they just speak now for the record so we can establish that such a check was made?

Mr. Mason:

I'll speak on that Mr. Counahan.

Mr. President, I'm privileged to say that we were advised by the Mayor's Executive Secretary Mr. Cyril Fox this morning that there has been a complete check of both of the candidates in question, or the candidate in question. There is no record of police malfeasance or malfeasance of any kind or a criminal record of any kind during his residency in the City of Pittsburgh, and the City of Minneapolis, and the City of St. Paul, Minnesota.

Mr. Fagan:

I'll verify the remarks of Councilman Mason.

Mr. Lynch:

Mr. Chairman, that satisfies my comments and I will join in with you that that report be made formerly to this body.

Mr. Mason:

I would like to suggest and strongly urge that when this body takes an ac-

tion in which there is a request made to the Mayor's office or any other Director of any Department for a written report on any given subject, that this body be duly afforded, individually and collectively.

The Chair:

I would gather that you are expanding and not talking about the subject matter completely, and that you are talking about other things?

Mr. Mason:

Correct, because Mr. Lynch has indicated there is some difference of opinion in terms of what this Council asked of the Mayor's office. I don't want to single out the Mayor's office. I want to tell every Department, I want a written report.

The Chair:

Did you include that in your motion?

Mr. Mason:

Yes, I did, a written report.

Mrs. D'Ascenzo moved

That the appointment of Charles H. Cooper as Director of the Department of Parks and Recreation be approved.

The Chair:

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mrs. D'Ascenzo	Mr. Mason
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 7 Noes one (Mr. Fagan voting "No").

And a majority of the votes of Council being in the affirmative, the appointment of Charles H. Cooper was approved.

Also,

Bill No. 188. Resolved, That the appointment by the Mayor of Paul G. Sullivan as a member of the Board of Adjustment, for a three year term, be and the same is hereby approved and confirmed.

Which was read.

Mr. Lynch:

I would like to make the same request regarding Mr. Sullivan and that is that any Council member here present who was in the private conference this morning and informally notified as to Mr. Sullivan's character and fitness, that they make it a matter of record now.

Mr. Kamyk:

Mr. President, I was at this morning's conference when we were informed about Mr. Sullivan and Mr. Cooper, and that they had no kind of record with the police or anything that would be detrimental to their appointment.

The Chair:

Thank you. Now what we are confronted with now is the fact that the Mayor's office must be notified to the effect that we want all of these reports in writing.

From now on nothing will be done here until such a time until we receive that report.

As far as The Chair is concerned that is the way it is going to be done.

Mr. Kamyk moved

That the appointment of Paul G. Sullivan as a member of the Board of Adjustment be approved.

The Chair:

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mrs. D'Ascenzo	Mr. Lynch
Mr. Fagan	Mr. Mason
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the appointment was approved.

MOTIONS AND RESOLUTIONS

Mr. Kuhn presented

No. 235.

Whereas, the City of Pittsburgh desires to carry out the Garfield Code Enforcement Program with federal financial assistance under the Code Enforcement Grant Program of the Department of Housing and Urban Development; and

Whereas, the United States of America, acting through the Department of Housing and Urban Development, has tendered to the City of Pittsburgh a Grant Agreement for said Program; and

Whereas, it is necessary in connection therewith that the City of Pittsburgh submit to the Department of Housing and Urban Development an authorized signature card for payment vouchers on a letter of credit;

Now, Therefore, Be It Resolved That any two (2) of the following officers be and they hereby are authorized and directed to execute payment vouchers on a letter of credit in connection with the Garfield Code Enforcement Program:

Mayor
City Treasurer
City Controller
Director, Department of
Public Safety

and

Be it Further Resolved, That the City Clerk is hereby authorized and directed to certify the authenticity of the signatures of the Mayor, the City Treasurer, the City Controller, and the Director of the Department of Public Safety in connection with the Garfield Code Enforcement Program.

Which was read.

Mr. Kuhn moved

The adoption of the resolution.
Which motion prevailed.

Also,

No. 236.

Whereas, David Stahl devoted his remarkable abilities of mind and training and his great qualities of character to the service of the City of Pittsburgh for most of two decades; and

Whereas, in his work as City Solicitor, as Deputy Mayor and as adviser to Mayors David L. Lawrence and Joseph M. Barr, as well as to the Council and the officials and employees of the City, he was honest, fair, compassionate and diligent, as well as wise and knowing; and

Whereas, his legal career in public service was distinguished by brilliance and exceptional thoroughness and diligence in research, from his earliest work as a Research Fellow in Public Health Law at the University of Pittsburgh, where his scholarship assisted the City in upholding the Restaurant Grading Ordinance in the Courts; through his his work as an Assistant and later as City Solicitor in drafting legislation of importance to the City in the fields of housing, human relations, public safety and municipal home rule and constitutional reform, and his work in the office of Attorney General of the Commonwealth of Pennsylvania, and again thereafter as City Solicitor; and

Whereas, he honored his profession and his City in his work as a law teacher and scholar and as a member of the Army Reserve, following his active duty in World War II; and

Whereas, his early distinction as an honor student and a scholar at the University of Pittsburgh and its School of Law, and as an Editor of the Law Review marked him for the career which followed, culminating in his appointment in 1968 to the United States Court of Appeals for the Third Circuit by President Lyndon Baines Johnson; and

Whereas, Judge Stahl's widow, Ponce Stahl, his daughter, Judith Amtzis, his son, Gerald, and his mother, Rachel Lurie, and all his friends and colleagues have suffered an irretrievable loss.

Now, Therefore, Be It Resolved,

That the Mayor and the Council of the City of Pittsburgh mourn the death of David Stahl and extend their deepest sympathies to his family in their loss and the loss of the City of which he was an outstanding citizen.

Which was read.

Mr. Kuhn

Mr. President, I move that when we adjourn today we do so out of tribute to the memory of Judge Stahl.

I would just like to say, personally, having known Judge Stahl from the time when we were law students together through research work and service in the City, that he honored this City and its government by his devotion to duty in it.

All of us who knew him and worked with him knew that he was an exceptional man, a man of great depth of intellect and wisdom, and a wonderful quality of patience in working with others. It was not just his ability to see very clearly the immediate, practical or legal issue that was involved, but it was always his ability to patiently study and to find with others the correct course of action without conflict or rank to see that the work of the City is carried forward.

We are all losers in his death. I know I am talking for all of us who knew him well. We will feel for a long time his loss.

I move the adoption of the resolution.

Which motion prevailed.

Mr. Mason

Mr. Chairman, I'm sure that anything I would have to say would be quite redundant to what Councilman Kuhn has already indicated.

But as former Executive Director of the Mayor's Commission on Human Relations, David Stahl was assigned by the City Solicitor then, now Judge Alpern, to serve as legal counsel to the Commission to the fair employment practices committee and later to the Commission on Human Relations.

We found all the attributes which Mr. Kuhn has set forth to be a very part of the character of David Stahl, and we would not have achieved in this community, or this nation, the stature which the Commission on Human Relations has received without the invaluable guidance and leadership to the various chairmen of the Commission.

I'm speaking about this personally because it is a deep personal loss to me.

Mr. Mason moved

That Mr. Michaels be excused for absence from this meeting.

Which motion prevailed.

Mr. Mason moved

That the minutes of Council, of Monday, February 16, 1970, be approved.

Which motion prevailed.

Mr. Mason:

Mr. President, in line with my colleague's request, Mr. Kuhn, I move that this meeting be adjourned in a moment of silent prayer in memory of the former City Solicitor and Judge of the Third Circuit United States Court, David Stahl.

Which motion prevailed.

And Council adjourned.

Municipal Record

ONE HUNDRED SIXTEENTH COUNCIL

JOHN F. COUNAHAN.....President

LOUIS C. DINARDO.....City Clerk

MICHAEL A. PERRY.....Ass't City Clerk

Pittsburgh, Pa.

Monday, March 2, 1970

Present:—

Mr. Fagan
Mr. Kamyk
Mr. Kuhn
Mr. Lynch

Mr. Mason
Mr. Shields
Mr. Michaels
Mr. Counahan
(Pres't)

The meeting was opened by the recitation of the Pledge of Allegiance to the Flag of the United States of America.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation, under God, indivisible with liberty and justice for all.

Mr. Counahan:

Before we go into the presentation of papers, I would like to make a statement to the effect that on Sunday, March 1, 1970, we lost a dedicated member of Council, Mrs. Irma M. D'Ascenzo. Out of respect for her memory, we would ordinarily postpone this particular meeting of Council until a later date. However, since we have sche-

duled a public hearing, and since it would be almost impossible to notify the public that the hearing had been called off, we have decided to proceed with our regular schedule of Council.

PRESENTATIONS

The Chair presented

Bill No. 213. Resolved, That the appointment by the Mayor of Robert E. Dauer as Chief Magistrate of the City of Pittsburgh be and the same is hereby approved and confirmed.

Which was read.

Mr. Fagan moved

That the appointment of Robert E. Dauer as Chief Magistrate be approved.

Mr. Mason:

It is my pleasure to second the motion. I have known Mr. Dauer since I served as Director of the Commission on Human Relations. I know of Mr. Dauer's background; I know the tremendous wealth of information he brought to our Commission, and I believe I have it from those learned in the law, who are friends of mine, that Mr. Dauer brings a real wealth of background knowledge to this position for which he is nominated.

Therefore, I second the motion.

Mr. Lynch:

My position regarding magistrates is well known. I still hold that the magistrates might be selected from the ranks of those justices of the peace who have

been already chosen. However, I concur, Mr. Dauer is singularly well qualified and, therefore, I abstain from voting.

The Chair:

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

UNFINISHED BUSINESS

Mr. Counahan:

Our next order of business, Unfinished Business, will be the nomination and election of a successor to Mrs. Irma M. D'Ascenzo of happy memory. Of course, it is necessary that the Mayor participate in the election and I request that Mr. Kamyk and Mr. Kuhn escort the Mayor to the podium.

The Chair recognizes Mr. Fagan.

Mr. Fagan:

Mr. President, I rise at this time for the purpose of placing in nomination for the vacant seat in City Council the name of James A. Cortese. I have done this after many hours of study and deliberation because of the some 30 odd names submitted to Council for consideration to fill this particular vacancy. Many of them were well qualified and dedicated citizens and thus it took many hours of deliberation to make this final determination. I have arrived at my conclusion based on the biographical sketch of Jim which is indicative of the qualifications that he brings to City Council. Surely in filling the position of the late Councilwoman Irma D'Ascenzo, it would be necessary to select someone of the highest degree as far as in-

tegrity is concerned and as far as ability to perform a job certainly, Mrs. D'Ascenzo possessed all of that. Therefore, after a great deal of study and based on the background and experiences that Jim brings to City Council, I feel he is well qualified to serve. Especially his position as Director of Public Safety, which is a very sensitive area, in which position he was able to render complete justice to all of the citizens of the City of Pittsburgh and bring peace to our streets.

So, Mr. Chairman, I ask that the Mayor and my colleagues concur in this action.

Mr. Flaherty:

Mr. President, members of Council, and ladies and gentlemen. It is my pleasure to second the nomination of James A. Cortese to fill the vacant seat created by the recent tragic death of Mrs. Irma D'Ascenzo. The City of Pittsburgh, will, however, in receiving Mr. Cortese, receive a man as its Council member who has been very dedicated to the City of Pittsburgh for a great many years.

He has been a very able administrator in the Department of Public Safety as its Director and under his leadership, an outstanding job was done. I believe he will bring with him the valuable experience of knowing our City and of knowing a very great deal about its people in order to bring about the balance this City needs. I know he will make an able colleague and an able legislator for the City of Pittsburgh and I am very happy to second the nomination.

Mr. Kuhn:

Mr. President, I would like to move the nominations close on the name of Mr. Cortese. In doing so, however, I would like to observe what Mr. Fagan has already noted. There were presented to Council and the Mayor the names of many outstanding citizens and I think we are fortunate in this, that persons of very high qualifications have seen fit to have their names suggested or themselves present their names for consideration to serve in this body. We are living in a time right now when service in

government is under greater pressure and where we see so often, tragically, people withdrawing from service in government. I think we should encourage as much as we can and urge that those who have expressed the interest shown in this vacancy continue to do so in the future because our government will be responsible only to the degree we are to attract good and well-qualified people.

In moving that the nominations close, and with those observations, I can only concur with what Mr. Fagan and Mr. Flaherty have said. In the time I have been fortunate to serve with this Council as Chairman of the Committee on Public Safety, I have had the opportunity to work close-hand with Mr. Cortese, not only in his work as Superintendent of Building Inspection, in which he did a remarkably fine job, but also as Director of the Department of Public Safety.

Therefore, I feel it appropriate to consider the nominations as closed on the name of James A. Cortese.

Mr. Kamyk:

Mr. Chairman, I second the motion.)

Which motion prevailed.

The Chair:

The Clerk will call the roll for the election of Mr. Cortese as a member of City Council.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)
Mr. Mason	Peter F. Flaherty, Mayor

Ayes 9. Noes none.

Mr. Counahan:

Mr. Lynch and Mr. Mason, Please escort Mr. Cortese to the podium.

Mayor Peter F. Flaherty administered the oath of office to James A. Cortese.

Mr. Counahan:

Mr. Fagan, Please escort Mr. Cortese to his seat.

Mr. Counahan:

Mr. Cortese, on behalf of the members of Council, we wish to welcome you as a new member of Council and also to wish you all the success. When our meeting is adjourned, which won't take too long, we would like to all greet and congratulate you and meet the members of your family.

MOTIONS AND RESOLUTIONS

Mr. Michaels:

During the past several weeks the Mayor has made certain statements, in fact, taken certain actions with respect to the lay-off of City employees. At the same time, he has discussed the possible curtailment of services and the reduction of recreational facilities. Mr. Flaherty has indicated these actions are necessary due to the inadequacy of funds which, in effect, question whether or not the budget as voted at the end of 1969 for 1970 and the passage of a tax package of unprecedented size was ade-

quate to cover services and was, in fact, a balanced budget.

Our own colleague, Mr. Kuhn, Chairman of our Finance Committee, has, from time to time, indicated his own feelings relative to the budget passed by the Councilmanic body whose term expired at the end of the past year. That body was acting upon the recommendations of our then Mayor, Joseph M. Barr, that Council was taking action based upon his recommendations and their own knowledge, and not necessarily does this reflect the feelings of the present Mayor and his administrators.

It seems fitting and proper to me that the duty of this Council then to conduct a hearing relevant to this serious matter as soon as possible. Of particular importance would be to receive testimony from the City Treasurer, the City Controller, Council's Budget Controller, and other fiscal officers relative to our projected income and expenses. Also that we have some overview from the present Mayor and certain Department heads as to their interpretation of the budget, possible curtailment of services or reduction in the work force under consideration by them and the effect of such changes on the residents of this City.

It is of serious concern now, whether we can expect services such as salting of the roads during icy driving conditions; continued operation of the Zoo or Aviary. Let's clear the air, now.

Since it is the responsibility of Council to establish the tax base and pass the legislation for the expenditures of the funds during the current year, I believe such communication must take place between administrators and this legislative body.

Therefore, I move that the President of Council establish a date for a hearing in the City Council as soon as practical for the purpose of an evaluation of the current budget and its anticipated income and expenditures and the effect of reduced services during the balance of the current year.

Mr. Mason:

Mr. Chairman, I second the motion.

Mr. Shields:

I would like to express my concurrence in Mr. Michael's motion. I am concerned about a number of things including the dismissal of employees and the manner of that dismissal. There is a question of priorities on our limited budget, an austerity budget, because I think if we are going to cut, or need to cut, or have to cut, our expenditures, we certainly need to know what services will be maintained and what will be cut and I think that we, as the legislative body of the City and in anticipation of next year's budget for the City, should know what is going to happen to this year's budget, and what advice we can extend to the executive branch of our government.

Mr. Kuhn:

As Finance Chairman, I would like to suggest that the motion and second be taken in context with the meetings which have begun of a new committee appointed by the Mayor and the President of the body for fiscal investigation and oversight of City affairs. Mr. President, you had the duty of making the appointment and I was the appointee. The Mayor and City Treasurer and the Mayor's Executive Secretary have been meeting with this fiscal advisory committee and it has begun detailed investigations of the subjects that are under inquiry. I would suggest, in view of the fact there is much immediate staff work to be done on this, that the fixing of the date for a hearing be arranged after the Chair has had an opportunity to consult with members of the committee in order that the report from that committee may be an informative one for the consideration of this body.

Mr. Fagan:

Mr. Chairman, I concur in the motion and I think the time has come when City Council should bring about the full force and effect it has to the citizens of the City of Pittsburgh in correcting some of the actions of the Mayor's office. As far as I am concerned, I think he has been derelict of duty in withholding services that the people of the City of Pittsburgh are paying taxes for but, at the present time, not receiv-

ing. I think the reduction of work forces, in many cases, has been improper and I think the motion should be followed through as quickly as possible so that City Council is not placed in the same position as the Mayor's office in taking actions that have made the citizens of the City of Pittsburgh feel services are being withheld improperly. I made a check in the Works Department where on last Friday night, one of the worst nights we have had, there were one and two trucks out because overtime was not being provided. Truck drivers are not paid overtime but they are on a salary basis to see that people receive the proper care. Because of some of the improper actions, this has been withheld and I think City Council must follow through. We must have a public hearing in order to restore the confidence to the City of Pittsburgh that this Council is going to look out for its welfare.

Mr. Mason:

Mr. President, I seconded the motion for a number of reasons. First, I did not know such committee to which my colleague referred had been set up. Secondly, it seemed to me the motion set forth a tremendous problem which needs to be clearly understood by the members of this legislative body as to the austerity program—whether to close the zoo and the aviary—and it seems to me, if you will pardon the quip here, in terms there is a communication gap between the fiscal information made available to this legislative body. With full recognition of the fact Mr. Kuhn has indicated it is going to take a great deal of bookwork, I hope you will take his remarks under advisement when setting such a date as quickly as possible.

Mr. Lynch:

These matters ought to be a matter of public knowledge. I think the members of Council, if they want to hold a public hearing, inquiring into the motives and circumstances in the Mayor's recent, fiscal gyrations, I think we should do it and I concur with Mr. Michaels.

And the roll being called the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Mason
Mr. Pagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion passed finally.

Mr. Counahan:

Mr. Cortese, would you care to say a word?

Mr. Cortese:

Mr. President, I really believe it is a tremendous honor to be taken into this august group but more than that, to serve the citizens of the City. I have one firm desire—to live up to the high standards of my predecessor. Thank you.

Mr. Counahan:

Are there any members of your family here?

Mr. Cortese:

My wife, Ruth; little Joe, here; Jimmy; Lauranne; Elizabeth; and my mother, Mrs. Cortese.

Mr. Counahan:

After adjournment, we would ask that you come up front to meet the people and bring your lovely wife and family with you.

Mr. Mason moved

That the Minutes of Council of Monday, March 9, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.

MOTIONS AND RESOLUTIONS

The Chair:

I forgot to announce the fact that Mr. Cortese has been appointed as Chairman of the Committee on Parks, Recreation and Libraries. You will also be a member on the Board of the Carnegie Library.

Mr. Michaels:

Its just been brought to my attention that at 2:00 P.M. this afternoon the

Supreme Court heard our brief with regard to the appeal of the Institution, Service Tax, and that hearing has now been concluded.

Mr. Mason:

Mr. Chairman, I rise to make a motion. That the minutes of March 16, 1970, be approved with the following corrections. That the motion made by Mr. Michaels under motions and resolutions does not show the fact that I seconded the motion. I only bring that to the attention of the Chair for the reason that further on, on page 133 of these minutes it also shows that Mr. Mason arises to say, "Mr. President, I seconded the

motion for a number of reasons", and goes on to state the number of reasons which I based my seconding on.

Secondly, that I believe, and my colleagues in here can correct me, there was a roll call on Mr. Michael's resolution relative to the budgetary item on the austerity program.

With that I would move that, with these corrections that I have noted, these minutes be approved.

Which motion prevailed.

And upon motion by Mr. Mason,

Council adjourned.

CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section

13 of the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that all appropriations shall be made annually by general ordinance except in the cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, Arthur L. Burt, Executive Director of the Model Cities Program, in a letter addressed to the Mayor and the Deputy Controller under the date of March 26, 1970, states that the efficient operation of the Model Cities Program requires the addition of certain positions, while others were being eliminated; and that the U. S. Department of Housing and Urban Development requires the addition of certain of these positions; and that one of these positions was inadvertently not provided for in the original Salary Ordinance; and that the present staff of the Model Cities Program is inadequate to handle the administration of the Program for the fiscal year, 1970; and

WHEREAS, the following additional staff is needed for the present emergency:

Job Title	Grade	Salary
Project Leader	27E	\$15,199 per annum
Senior Systems Analyst	26D	\$13,927 per annum

Administrative Clerk	13B	\$ 6,891 per annum
Consultant-In-Training	10B	\$ 5,964 per annum
Eight Stenographer I	6E	\$ 5,691 each per annum

WHEREAS, such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

NOW, THEREFORE, we, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John T. Hughes, Jr., Deputy Controller, do hereby certify to City Council the existence of an emergency requiring the addition of certain job titles for the purpose hereinbefore set forth.

UNFINISHED BUSINESS

Mr Michaels presented recalled Bill

Bill No. 310. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor, the Chairman of the City Planning Commission, and the Director of Planning and Development, Department of City Planning, to enter into a second supplemental agreement with ZBIGNIEW JAN KRYGOWSKI, an individual, amending an agreement between the City of Pittsburgh and ZBIGNIEW JAN KRYGOWSKI, dated January 23, 1968, by extending the term of the said agreement to December 31, 1970 by providing for a maximum payment for services and expenses of TWELVE HUNDRED (\$1,200.00) DOLLARS for the period January 1, 1970 thru December 31, 1970."

Which was read.

Mr. Michaels moved

That the Bill be amended by deleting the amount of "\$4,000.00" in Section 1 and inserting the amount of "\$1,200.00" in lieu thereof.

Which motion prevailed.

The title of the bill was read and agreed to.

The bill was read on final action.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese
Mr. Fagan
Mr. Kamyk
Mr. Kuhn
Mr. Lynch

Mr. Mason
Mr. Michaels
Mr. Shields
Mr. Counahan
(Prest)

And a majority of the votes of Council being in the affirmative, the bill, as amended, passed finally.

REPORTS OF COMMITTEES

Mr. Kuhn presented

No. 409. Report of the Committee on Finance for April 1, 1970, transmitting sundry ordinance and two resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 358. An Ordinance entitled, "An Ordinance further amending and supplementing Ordinance No. 706, approved December 31, 1969, entitled 'An Ordinance—Fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof,' as amended by Ordinance No. 12, approved January 30, 1970, by changing the term 'Maximum Salary' to 'Salary,' by changing certain position classifications, by eliminating certain positions and by creating certain additional positions in connection with the Pittsburgh Model Cities Program heretofore established in the Office of the Mayor."

Which was read.

The title of the bill was read and agreed to.

The bill was read on final action.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Lynch
Mr. Fagan	Mr. Mason
Mr. Kamyk	Mr. Michaels
Mr. Kuhn	Mr. Shields

Ayes 8, noes 1. (Mr. Counahan (Pres't.) voting "no".)

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also,

Bill No. 359. An Ordinance entitled, "An Ordinance exempting the position of one Neighborhood Area Director, 27C, in the Pittsburgh Model Cities Program in the Office of the Mayor as created by Section 1 of Ordinance No. 12, approved January 30, 1970, from so much of the provisions of Section 42, Ordinance No. 450, approved January 7, 1902, as amended, as require employees to have resided in the City of Pittsburgh for at least two years immediately prior to appointment and as require employees to reside in the City of Pittsburgh during their term of service and employment; and authorizing the Mayor to employ a person in said position who does not meet such requirements."

Which was read.

Mr. Lynch:

In Bill Number 359, I call your attention to it, section one. The last part of that paragraph it says it requires employees to have resided in the City of Pittsburgh for at least two years immediately prior to appointment. This particular bill goes on and says it requires employees to reside in the City of Pittsburgh during their term of service and employment.

It is my understanding that the Model Cities appointment has to reside in the City while they are employed by the Model Cities. So I presume it is a typographical oversight and that the appointment is required to reside in the City of Pittsburgh during their term of service and employment.

I offer that amendment.

The Chair:

All those agreeing to the title of the bill vote aye. Those opposed no. The ayes have it and the title has been agreed to. There was no second to the motion.

Mr. Lynch:

Did I understand that my motion is defeated because I didn't have a second.

The Chair:

Your motion didn't have a second to it.

Mr. Lynch:

Can I make the motion again. I'm sure it was not the intent of Council to relieve people working for Model Cities of living in the City.

Mr. Michaels:

I think what we are talking about in Bill 359 is with regard to one position which is one neighborhood area director for 270 and refers to no other Model City employee, but this specific individual.

Mr. Lynch:

And this particular individual, as I understand now, is relieved not only from the requirement of living two years before, but afterwards he can now live out of the City.

Mr. Michaels:

In essence, he does now live out of the City, and he may continue to do so and I'd like to add too, that this was a gentleman that is employed by the Model Cities program, not a new employee, but a gentleman who owns a home outside the City. The program has now been assumed by the City and would require this man now to sell his home and move into the City which I think, considering the longevity, or the question of the longevity of the program, would be an extensive hardship on this man.

Mr. Lynch:

This was not an oversight and it was a deliberate intention of Council to do this?

Mr. Michaels:

Referring to a specific individual, "yes".

The Chair:

What is your motion?

Mr. Lynch:

My motion was then to withdraw that portion of the ordinance which allows the individual in question to reside outside the City of Pittsburgh during his term of service and employment. Now I make that motion, and if Mr. Kamyk would second that motion maybe we could get a record on this matter.

Mr. Kamyk:

I second the motion.

The Chair:

Regularly moved and seconded. Now, question or any remarks.

Mr. Kuhn:

Mr. President, I don't want to repeat what Mr. Michaels has said, but I would like to say, however, that the position that is being exempted from the prior residency and the residency requirement here is presently filled by a man who was a long-time resident of the area involved and whose continued residence in that office has been urgently requested by the Civic organizations in the community as well as by the entire Model Cities Commission.

For that reason I believe this exceptional situation should be granted. I agree that if there is a justification for residency requirements the philosophy of the Model Cities program in general would be consistent with it. That is that the persons who are actively involved in the planning of the programs in the community should be residents of it. This exception to that, however, it seems to me, has substantial reason applied.

Therefore, I'm going to vote against the amendment.

The Chair:

Anybody else have any further remarks. All those in favor of the amendment vote aye. Those opposed vote no. The motion is lost.

The title of the bill was read and agreed to.

The bill was read on final action.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kuhn	Mr. Shields

Noes:—

Mr. Kamyk	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 6, noes 3.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also,

Bill No. 360. An Ordinance entitled, "An Ordinance exempting the position of one Accountant I, 13D, in the Pittsburgh Model Cities Program in the Office of the Mayor as created by Section 1 of Ordinance No. 12, approved January 30, 1970, from so much of the provisions of Section 42, Ordinance No. 450, approved January 7, 1902, as amended, as require employees to have resided in the City of Pittsburgh for at least two years immediately prior to appointment; and authorizing the Mayor to employ a person in said position who does not meet such requirements."

The ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also,

Bill No. 365. RESOLVED, That the Board of Water Assessors be and is hereby authorized and directed to exonerate 50% of the delinquent estimated water and sewage charge against the property located at 6834 Simonton Street —Ward 14 B&L 125-R-224—Owner Mrs.

Noble—third and fourth quarters 1966; four quarters 1967, and four quarters 1969. Council Bill 223.

Which was read.

Also,

Bill No. 366. RESOLVED, That the Board of Water Assessors be and is hereby authorized and directed to exonerate 75% of the estimated water and sewage charges against the property located at 1717 Center Avenue—Ward 3 B&L 2-D-54-02; Owner Fannie Rothman: fourth quarter 1965; all four quarters 1966-67-68 and the first and second quarters 1969.

Which was read.

Mr. Michaels:

I want to speak with regard to

Bill Number 374. I believe, Mr. President, that there is an error in the computations here that will require some checking on it.

I would ask that the bill be held for one week and recommitment at that time.

Mr. Michaels moved

That Bill No. 374 be recommitment to the Committee on Planning and Redevelopment.

Which motion prevailed.

Also,

MOTIONS AND RESOLUTIONS

The Chair presented

No. 412

Mayor Peter F. Flaherty
City of Pittsburgh

April 6, 1970

President and Members
City Council
City of Pittsburgh

Gentlemen:

I am pleased to nominate John H. Bingler, Jr. for the position of Director of the Department of Public Safety for the City of Pittsburgh.

Mr. Bingler is thirty-one years of age and resides at 1308 Lancaster Avenue, Regent Square with his wife Marsha and his two children, Lynn 22 months, and Michael two weeks old. If confirmed by your honorable body Mr. Bingler will, of course, move into the City of Pittsburgh.

Mr. Bingler graduated from Peabody High School in 1955, and Princeton University in 1959, where he received a degree in Electrical Engineering. He attended Princeton University on a Navy Scholarship and upon his graduation joined the U. S. Navy as an Ensign, J.G.

He served in the Navy from 1959 through 1962 aboard the Destroyer U.S.S. Norris, and in the latter part of his Navy Career was a member of the East Coast Frogman Team in Newport, Rhode Island.

From 1962 through 1965 he attended the University of Pittsburgh Law School where he graduated in 1965, third in his class.

From 1965 to 1967 he worked in the U. S. Attorney General's Office in Washington, D.C., and was assigned to the Civil Rights Division. He worked on Civil Rights cases in Mississippi and Louisiana. From 1967 to the present time he worked in the U. S. Attorney's office in Pittsburgh as Assistant U. S. Attorney under U. S. Attorneys Gustave Diamond and Richard Thornburg. In the U. S. Attorney's office he was assigned to Narcotics, Civil Rights and Embezzlement cases.

Mr. Bingler's background has been examined by the Bureau of Police. Their report verifies the above information and indicates that Mr. Bingler has made a fine reputation in Federal Court.

Very truly yours,

/s/ PETER F. FLAHERTY
Mayor

Which was read, received and filed.

Also,

Bill No. 413. RESOLVED, That the appointment by the Mayor of John H. Bingler, Jr., as Director of the Department of Public Safety of the City of Pittsburgh be and the same is hereby approved and confirmed.

Which was read.

The Chair:

Is there a background report on that?

Mr. Di Nardo:

Yes sir.

The Chair:

There is no need to read it. May I see it?

I rather think that we want a little bit of a more detailed report than that. Now that will be held over for two weeks as we have agreed to.

Mr. Fagan:

Well, Mr. President, I just wanted to formally make a motion here in City Council that any action today on confirmation of the new Public Safety Director be held for a period of two weeks, in which time members of this honorable body will have an opportunity to peruse the background and record of the new appointee.

I so move, Mr. Chairman.

The Chair:

I don't think it is necessary for the motion because we have already agreed and we had the motion and we have taken care of that before. It is automatic, if that is alright, Mr. Fagan?

Mr. Fagan:

I withdraw my motion.

Mr. Lynch:

If Mr. Fagan wishes to withdraw his motion that is alright. If not, I'll second it, Tom?

Mr. Mason:

Mr. Chairman, the Commonwealth of Pennsylvania and the City of Pittsburgh has been in the vanguard of public improvements, highways, building the Golden Triangle, fair housing, fair employment practices, civil rights, etc.

We are faced with the situation now, it seems to me, that as a City who is third in the nation—second in the nation in their quest to pass the Fair Employees Practices Law, first to pass the toughest fair housing law, that we appeal to our Senators, Senator Schweiker and Senator Scott, against the confirmation of Judge Carswell.

Our indication of such support would give support to such national organizations as the NAACP, the National Urban

League, The AFL-CIO, and to the Commonwealth's Bar Association which has recommended that Judge Carswell not be approved, and I would like to go on record and make a motion to that effect, that we represent our viewpoint to our respective Senators and Washington, D.C., forthwith.

Mr. Fagan:

I second the motion.

Mr. Kuhn:

Mr. President, I would like to join with Mr. Fagan in seconding the motion because I believe that our municipal responsibility in carrying out the terms of the Pledge of Allegiance to the Flag in a call for liberty for all in this country has been just the kind of legislation that many of us have been proud to sponsor in this body. The continuance of which, I think, would be jeopardized by the approval of a man who has, in a judicial, legal and judicial career, shown that he is unwilling to follow the interpretation of the Constitution of the United States by the court to which he is being appointed.

I would also observe that with some pride as a member of the Allegheny County Bar Association, that the Bar Association of this County voted similarly to recommend that the appointment of Judge Carswell to the Supreme Court of the United States not be confirmed.

The Chair:

Anybody else care to be heard?

As far as the Chair is concerned, before we take a vote, I certainly am opposed to participating in this kind of a resolution. I don't think it is close enough to us. I don't think it is close enough to us and I don't think we are familiar enough with the problems. As far as I am concerned, that is the way I feel about it and I'm going to vote against the resolution.

Anybody else care to be heard?

Mr. Kamyk:

I too do not know too much about

Mr. Carswell and some of the people that came out against him, maybe I don't agree with them either. Since I am not knowledgeable without his background, it is for the United States Senators to decide.

Therefore, I am also opposed to this resolution or motion.

Mr. Lynch:

I agree with you, and I think that our position regarding Mr. Carswell has no place in this body as Mr. Kuhn has frequently pointed out when we were discussing such mundane things as the Mayor's Cabinet. I'm not sure if this isn't really stretching the boundaries of City Council.

I'm reluctant to get involved in a resolution of this nature. I wouldn't know. I just wondered if it properly falls with the functions of this Council.

Mr. Cortese:

Mr. President, although I quite agree with the statements that have been made earlier regarding Mr. Carswell, I don't consider myself qualified to rule on this particular subject.

Therefore, I will abstain from voting.

The Chair:

Anybody else care to be heard?

Mr. Kuhn:

To answer the question about the legislative jurisdiction, perhaps I didn't make it clear. This legislative body has acted, and Mr. Mason has pointed it out in the field of the law which is most sensitive now concerning civil rights and civil liberties. Those questions come with increasing frequency before the Supreme Court of the United States. Our legislation which many of us have been proud to sponsor and vote for in this body might well be invalidated if men like Judge Carswell prevail in the Supreme Court of the United States.

I think we have a direct legislative interest as a municipal legislature and

it is for that reason that I would vote for this resolution, to memorialize our Senators and express to them our concern as members of this legislative body.

Mr. Lynch:

Mr. President, it seems to me to be a rather tenuous argument and a rather far strung out discussion of what we do here has a direct effect on the Supreme Court. I have not researched the question, but I don't see too many ordinances that appear before the United States Supreme Court, and I hold that this does seem to be above the powers of this legislative body. I don't know that my whole point is not to be a question that ought to taken before this Council.

And on the motion of Mr. Mason the ayes and noes were taken, and being taken were:

Ayes:—

Mr. Fagan

Mr. Kuhn

Mr. Mason

Mr. Shields

Abstaining:—

Mr. Cortese

Mr. Kamyk

Mr. Lynch

Mr. Michaels

Mr. Counahan

(Pres't)

Ayes: 4, Noes none.

And there not being a majority of the votes of Council in the affirmative, the motion was defeated.

Mr. Mason moved

That the Minutes of Council of Monday, March 31, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Kuhn presented

No. 477. WHEREAS, the needs of America's cities and its citizens who live in circumstances of poverty are not being met, while our military involvement in the war in Southeast Asia continues to cost the people a disproportionate share of the taxes they pay the national government, and

WHEREAS, expenses for defense contracts and weapons grow larger while appropriations for health, education and welfare are cut and legislation in those areas is vetoed by the President, and

WHEREAS, inflation increases and conditions of life in our nation deteriorate, while our economy is strained to support a large defense and military budget, and

WHEREAS, a re-ordering of our national priorities is urgently needed;

NOW, THEREFORE, be it

RESOLVED, that the Pittsburgh City Council hereby memorializes the President and the Congress to declare and carry out a definite program to terminate direct American involvement in the war in Southeast Asia; and be it further

RESOLVED, That the Pittsburgh City Council memorializes the Congress and the President to reduce defense and military expenditures and to provide adequate funds for programs in education, public welfare, housing, urban transportation and environmental controls, and so to re-order national priorities and re-direct national resources.

Which was read.

Mr. Kuhn:

Mr. President, I move the adoption of the resolution.

Mr. Mason:

Mr. President, I second the motion.

Mr. Kamyk:

Mr. President, members of Council, I rise in opposition to this resolution. I know that cities are in dire need of finances, and I think we ought to get some help. But I don't want to get help in trading our defenses and our respect throughout the world.

President Nixon was elected by the majority of our citizens, and I was one that did not support him. However, I have respect and I have faith that he is a good American and a defender of our democratic system.

This democracy of ours was being formulated and strengthened for almost two centuries. I don't think that our defenses ought to be weakened.

I recall after world war number two when the theme was, let's, or we shall defend democracy all over the world. I think the results are from that theme.

We are involved in a world today and we have to be involved for our own safety and the safety of our democracy and other democracies. When the powerful man from Russia was visiting Pittsburgh by the name of Kruschew he

said, "We shall destroy you on the inside, or from within". I'm wondering and I think I know what he meant. He meant that there will be dissatisfied people through this land of ours who will criticize certain actions of the President and Congress, and therefore split our unity, divide our unity and then weaken our position in the world.

Now we can recall from history also that Woodrow Wilson, the great President of the United States, also was for the United States getting involved in a League of Nations. At that time, the majority of our people were opposed to it. I think that if we had taken more interest in a world democracy maybe we would have avoided world war number two. Of course, I say maybe. I think that we had a strong chance.

Another thing I want to add is this, that when we are strengthening our defenses, when we are building our defenses, we are eliminating as much of unemployment as is necessary to do this strengthening, and if we are spending that kind of money and strengthening for defenses, I would rather spend that money in that manner, then maybe guaranteeing or offer guaranteed salaries for doing nothing.

So I cannot, in my position, support this resolution. I do not want to interfere with the President and the Congress because they elected for the purpose to protect our great democracy. Therefore, I'm voting against this resolution.

Mr. Lynch:

Mr. President, I would like to say that I'm going to vote against this resolution even though I want to make it clear for the record that I do agree in the war in Vietnam, and we ought to direct money wherever possible to the solution of urban and domestic problems, but I just wonder if that resolution has a proper place in a City Council. I think that Mr. Kuhn, and I have great respect for Mr. Kuhn's ability to advise the President and I'm sure that you probably understand the nation's problems far better than the President, the Congress, or the United States Senate. But the fact is he is not a Senator, or a Congressman, and in our capacities as City Councilmen we have a lot of work to do here. Now if you begin to address your-

self to national problems we are going to start to debate the Douglas impeachment and we might even get back to discussing Kaiser Wilhelm in world war one, and only God knows how far afield we are going to go.

So when this resolution comes up, I'm going to vote no because I think it has no place in here. I think it is an improper resolution to make and I think there is a serious question on whether the Chair could rule the motion out of order.

The Chair:

I cannot rule it out of order.

Mr. Michaels:

I'd like to say that I personally would like to see early withdrawal from Vietnam. If I have anything in by own personal background I feel badly about it was my inability to see this earlier. In fact, personally engage myself in doing that which would bring earliest possible withdrawal of our troops from Vietnam.

I also am reminded that my learned colleague, Mr. Mason, just two weeks ago proposed that we address ourselves to the United States Senate, particularly the Senators from Pennsylvania, and recommend that they not appoint Mr. Carswell to the Supreme Court bench. I too agreed that Mr. Carswell ought not to be appointed to that Supreme Court bench. However, I found it necessary to abstain from that motion.

It seems to me if we really study the record there, scarcely a week goes by that there isn't something that happens in the United States Senate that has to do with how this City runs. Just this past week there was a passage of a family assistance bill to create a new program replacing the welfare assistance and providing supplemental payments to families whose income falls below a specific minimum of \$1,600.

I subscribe that that is a very important piece of business that has to do with the Mayor, the citizens of this city and it was let go unnoticed.

I think that what has to be evaluated

here is what is truly the the responsibility of this Council. In fact, when we have space explorations, is it not true that there are funds denied our citizens? Isn't there also a question of priorities when we evaluate the mass transit system. I do not wish to sit here only choosing out those matters of Federal notice that are uppermost in the minds of our citizens. I think as a legislator in this City, I have to look beyond just the surface and into the depths of all problems and if this Council is going to dedicate itself to that responsibility, then I would like to join with it, if there can be, in fact, open debates with regard to Federal issues.

Then I think that we ought to discuss issues on some regular plan. But if the Chair is not willing to recognize open debate I find it difficult to deal with that problem. We would have to, in fact, look to the problems that are immediately with us. What about our local housing, or our traffic, or our parking problems, or, in fact, how much is getting accomplished in renewal. I believe that we ought to address ourselves to these problems and that is what I would like to do. Thank you.

Mr. Mason:

Mr. President, I'm constrained to indicate that I seconded this resolution because while it may seem to impinge upon the deliberations of Congress and the Senate, and while it certainly is directed towards the cessation of hostilities in Vietnam, I'm sure that the President is doing the very best he can.

On the other hand, whether we like it or not, as a City body we are constantly faced with increasing needs for Federal help. I cannot help but remind this honorable body that a group of Mayors met in a number of cities to examine the problems in those cities and how they could secure more Federal Funds. I looked with a scance and with some dismay with regard to the meager amount of money that we get for housing, and the meager amount of money that we are able to secure from the Federal Government to handle some of our Federal problems. Everybody in this body knows exactly what we are facing in terms of Home Rule, everybody knows

exactly what we are faced with in terms of any further taxes, and therefore, we must look to the Federal Government for help and that is the reason why I seconded this motion. We have here on our own home front problems which are of great significance to the welfare of the American people, all American people. I'm dead sincere about this in terms of what the local municipalities need in terms of financing for housing, for recreation, for medical aid, for family health, and for nutrition.

As you well know, we have been approached relative to how we can help subsidize the school lunch program. Some of the churches in these communities, and some of the responsible clergy have launched a campaign to try and get more money for the lunch program for little school children who don't have anything to eat. Lawrenceville, Oakland, East Liberty, and Southside, you name it, we have it.

I think that we need help and certainly out of our meager budget we cannot subsidize this, and therefore we must, of necessity, look forward to the Federal Government for help. That is the reason why I seconded this motion. I'm sorry it was totally centered in terms of just Vietnam, but we ought to look at our space programs, and we ought to take a look at local defense contract systems. I'm sure there is a lot of work that needs to be done that could be associated in other phases.

Mr. Cortese:

Mr. President, I'm in complete agreement with my colleague's remarks, Mr. Mason, about the need for Federal funding in the City of Pittsburgh, and obviously we have always found ways to take advantage of Federal funds until recently when they were stagnated.

However, on the subject of the Vietnam war, as I indicated two weeks ago, I personally don't consider myself qualified or cognizant enough to derive a decision on how to end the war.

Therefore, I will again abstain.

The Chair:

Anybody else;

Mr. Fagan:

Mr. Chairman, I rise in opposition to the resolution with mixed emotions. Recognizing the importance of our domestic problems and the need for finances as we find it here in our own nation, but also being mindful of the fact that the commitment we have to a free world, I feel that President Nixon has done a tremendous job in extricating us from the Vietnam situation and I think as his program continues that there will be sufficient monies to take care of our domestic problems.

Also, as long as we have any men, service men committed to other parts of the world, I will never become a party to any type of a resolution or a vote that would deny them of means that they have, as far as proper support is concerned, and returning them home.

Here in this past week we saw one of the most tremendous efforts ever made insofar as the lives of three men that costs millions of dollars, and I'm for spending that kind of money not only for the three astronauts that God returned safely, but the return of the men that we have committed to foreign soil that are fighting today for the freedom of our nation, and all freedoms throughout the world.

So, Mr. Chairman, I rise in opposition and will vote against the resolution.

The Chair:

Anybody else care to be heard.

Mr. Kuhn:

Mr. President, I only want to say two things because it has been fully discussed.

First, I want to disagree with Mr. Kamyk because I think, factually, I have to. The President of the United States was elected by less than a majority. If Mr. Kamyk was talking about the popular vote, the President of the United States was elected by less than fifty percent of the popular vote, although by a majority of the Electoral College vote in the Electoral College.

With respect to Mr. Michael's concern

about urban renewal, it is precisely my concern about urban renewal that gives me added strength in urging that we here go on record better knowing our needs in this City than does the National Administration. It is our needs in the City that I think have to be communicated.

With respect to Mr. Mason's agreement with me, I would only say I did not intend this resolution to be centered upon Vietnam. The word Vietnam doesn't appear in it. I am concerned, however, about the tremendous amount of money that is being spent in our defense establishment, some of it with very questionable wisdom.

The Chair:

Anybody else care to be heard?

Mr. Kamyk:

Mr. President, I may have erred on the popular vote, but I think it will come out in the wash. Since my statement by the majority of votes, people votes, I think that the majority vote was there.

Mr. Kuhn:

There is a point to it, Mr. President, if I may just conclude, it is the narrowness of that victory that, it seems to me, puts in doubt whether he was an overwhelming mandate for any particular policy with respect to Southeast Asia.

As a matter of fact, the campaign that was conducted in the Presidential elections in 1968 seemed to be directed very strongly toward this engagement, and it is, in fact, that that was not going forward with anything like it is, and it is the needs of the cities presently that I think makes this kind of resolution relevant now.

Mr. Michaels:

I mentioned earlier and I'd like to repeat. I wonder if there is a method by which we can make an evaluation judgment about those Federal statutes which affect city living and our residents to which we might react and give some consideration to. That is my

question and I'd like to repeat it. I also questioned the Chair as to whether or not we might have open discussions about these kinds of problems or whether that would be out of order.

The Chair:

Under the present laws, the rules and order of business, it would be impossible unless you had some business at hand, the resolution just like Mr. Kuhn's resolution. But the by-laws can be changed, of course. If that is Council's opinion that they should be changed, we will have a means of doing it. Mr. Kuhn is the Chairman of that Committee that changes the by-laws to what it is today. If you want to do it, of course, you can discuss it at a later date. Under the present setup it will have to be so ordered before there is anything before us.

Now, as far as the Chair is concerned, I know there is quite a discussion here in regards to this communication. I am in opposition to it myself. There is no question in my mind that the vast majority of the people in this country would like to see that war terminated tomorrow morning. We have lost a lot of lives there and what have you, but nevertheless, we think that they are moving in the right direction. I mean, I think they are moving in the right direction, pardon me. I can only speak for myself. I think that they are trying to do a good job in withdrawing, and if my memory serves me right, I think there is a group being withdrawn this week.

So, I'm going to vote against the resolution.

The Chair:

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreebaly to law, and were:

Ayes:

Mr. Kuhn
Mr. Mason

Mr. Shields

Noes:

Mr. Fagan
Mr. Kamyk

Mr. Lynch
Mr. Counahan
(Pres't)

Ayes 3, Noes 4. (Mr. Cortese and Mr. Michaels not voting).

And there not being a majority of the votes of Council in the affirmative, the bill was defeated.

Mr. Cortese presented

No. 478. WHEREAS, the provision of neighborhood branch libraries contributes to the educational, cultural and social well-being of this community; and

WHEREAS, the City Planning Department, in conjunction with the Carnegie Library of Pittsburgh and neighborhood organizations throughout the City conducted a study to determine the library needs of various neighborhoods; and

WHEREAS, the construction of City-built and owned branch libraries in Perry Hilltop, Squirrel Hill, Sheraden and Brookline, modernizations to the Allegheny Regional Branch and a replacement for the Hill District Wylie Branch are consistent with the Community Renewal Study; and

WHEREAS, City Council authorized the Department of Lands and Buildings to advertise and award contracts for the renovation of the Allegheny Regional branch library, for which \$1,350,000 in City Bonds are presently contained in a trust fund; and

WHEREAS, bids for the renovations were higher than estimated and funds allocated for; and

WHEREAS, City Council has authorized the purchase of land for a joint parking-library complex in Squirrel Hill at a total cost of \$380,000; authorized the planning and design of a branch library at a cost of \$70,000, which design funds cannot be recovered should the development not proceed; and

WHEREAS, City Council authorized the advertising and awarding of bids on the Squirrel Hill Library - Parking complex, which cancellation at this time may mean the loss of an additional \$100,000 in liability suits; and

WHEREAS, approximately \$250,000 in committed and contracted State and Federal funds will be lost to the City should the Library-Parking complex not

proceed, which loss shall also mean the loss of needed jobs and work opportunities for the citizens of this City; and

WHEREAS, City Council authorized the City to obtain a short-term loan in the amount of \$1,300,000 which would be repaid from a bond sale to be issued at a later date, so that the City could be paid over a paid of 20 years; and

WHEREAS, City Council authorized the establishment of a trust fund to contain required City funds, as well as Public Parking Authority grants to be applied to the development of the public parking facilities within the complex; and

WHEREAS, City Council authorized the Department of Lands and Buildings to acquire a site agreed upon by the Department of Lands and Buildings, the Department of City Planning, the Carnegie Library of Pittsburgh, and neighborhood civic organizations for a branch library serving the Perry Hilltop community, which land has been purchased, homes have been vacated, and preliminary design has been authorized by City Council.

WHEREAS, City Council authorized the Department of Lands and Buildings to conduct a feasibility study for the purpose of converting the tax-delinquent property known as the former Temple Theatre into a possible joint Library-Recreation Center in the Sheraden area; and

WHEREAS, preliminary studies for a replacement branch for the Wylie Branch in the Hill District have been initiated among planning members of the new Model Cities agency, members of that community, and the Department of City Planning and the Carnegie Library of Pittsburgh; and

WHEREAS, the Carnegie Library of Pittsburgh has recently published a list of library needs by priority; and

WHEREAS, it is recognized that the public library needs of the Hill District, Brookline, Sheraden, Squirrel Hill, Perry Hilltop and Allegheny Regional are still unmet; and

WHEREAS, a public hearing on the Allegheny Regional, Perry Hilltop and Squirrel Hill libraries was held by City Council on Monday, April 13, 1970.

NOW, THEREFORE, LET IT BE RESOLVED, That department agencies be directed to meet demonstrated public needs within a financial framework that this City can meet, to pursue State and Federal funds to meet the needs, and to honor its commitments to the residents of Perry Hilltop, Allegheny Regional, and Squirrel Hill; and specifically requests that the Director of the Department of Lands and Buildings be directed to proceed with the construction of the Squirrel Hill Library-Parking complex; and further directs that

The Department of Lands and Buildings, in conjunction with the Carnegie Library of Pittsburgh and the neighborhood civic organizations in the Perry Hilltop Area begin design for a branch library to serve this growing community; and that

The Department of Lands and Buildings, in conjunction with the Carnegie Library of Pittsburgh and residents of the Allegheny Regional area, revise plans of the branch library in that area to contain a minimum of 30,000 square feet of library space and remain, if possible, within the \$1,350,000 already allocated in a trust fund for this purpose by City Council; and that

The Department of Lands and Buildings and the Department of Parks and Recreation report its findings on the former Temple Theatre conversion into a Library-Recreation Center so that a public hearing can be held with residents of the Sheraden Community on the need and feasibility of such project; and that

The newly-formed Model Cities agency meet with appropriate City agencies, such as the Department of City Planning, the Department of Lands and Buildings, and the Carnegie Library of Pittsburgh to determine library needs, propose possible sites and development program; and civic organizations in this area so that a public hearing can be held

to determine the needs and feasibility of such a project; and that

The Department of Lands and Buildings meet with appropriate City agencies, including the Department of City Planning, the Pittsburgh Parking Authority, the Carnegie Library of Pittsburgh and civic organizations in the Brookline community and to report its findings so that a public hearing may be held to determine public needs and feasibility of such a project in this community.

FURTHER, BE IT RESOLVED, that the Council of the City of Pittsburgh recognizes its public commitments and the need to honor those commitments to the best of its ability; to recognize that for the sake of continuity in government that planning must be continuous and fulfillment of public needs must be continuous irrespective of changes in the City administration unless that City administration can demonstrate otherwise, either for financial or other considerations, that those commitments cannot be made and the reasons thereof. And the public be made aware that those needs cannot be made.

Which was read.

Mr. Cortese:

I move for adoption of the resolution.

Mr. Fagan:

I second the motion.

Mr. Kuhn:

Mr. President, while much of the content of the resolution is unexceptional, I do, if I understand correctly, regard the portion of it which directs the Department of Lands and Buildings to proceed with the construction of a particular library, the Squirrel Hill branch, which the Director of the Carnegie Library, Mr. Walton, has said that the library trustee's board regards as of a lesser priority, and further, an economic burden on the operating funds of that Institution, which funds must be obtained from the City and other sources.

I believe that the resolution directs

something which we should not, at this stage, at any rate, proceed with.

As I recall Mr. Walton's remarks at the hearing a week ago he said that the County-wide study of library needs was a matter which had a definite relationship to the planning of the library trustees and what they regard as important to the Carnegie Library system. That in the re-ordering of the priorities which the library must make in keeping up to the changes of needs and circumstances, much of which has been brought about by the very rapid and almost overpowering inflation of the last few years.

The library system, itself, Carnegie Library has told us, that this particular library should not be built in view of needs for others. That being the case, I believe that it would be inappropriate for Council here to direct that which the library system, which must administer the libraries itself, says it does not regard as important.

I say this with mixed feelings because I probably live nearer to the site of that proposed library than any member here. I have many friends and neighbors who feel strongly on this issue. But with whom I differed at the time of the original planning for the library at the Forbes and Murray location, and with whom I regret I must still differ as far as planning is concerned and the consideration of that move.

With respect to those considerations, those planning considerations, which by no means are unanimous, and the merchants in the Squirrel Hill area have indicated very clearly that they do not support the location of the library at the Forbes and Murray location not only by the absence of the financial support which would be necessary to the planning as it was originally proposed with the Parking Authority's participation, but also by their own expression here at the hearing last week, and by written communications.

Secondly, if we are to direct the construction of the Squirrel Hill Library as planned, the City's contribution to it would be one million dollars of City funds and this would be the most expensive library in City dollars of any that has ever been built. And this does

not include what the City might have to make up in additional funds by reason of the failure of the Parking Authority and the merchants to agree on their contribution in excess a third of a million dollars.

So the distance probability would be that in the estimating of a million dollars, the City's contribution would be a million, three hundred fifty thousand dollars.

Of course, the great shortage of funds in the serious expense of capital fund raising today that makes this a very serious question for the finances of the City, and for the debt service that has to be met out of our operating budgeting each year.

Mr. Cortese:

I would like to submit to my colleague that although Mr. Walton did indicate that there was going to be a County-wide study on the libraries, that my direct question to Mr. Walton was, "How would this affect your priorities?" And he said it would not affect it in any way, shape, or form.

Interestingly enough since actors have changed in various positions, both with the library and both with the present administration, it is only since then that the priorities have changed.

I submit also that the need remains in each of these communities and that the promise was made, and I'm sure you will have all noted by my many whereas's in the resolution that this was all done in keeping with the proper order of the law through City Council approvals and or authorizations.

Mr. Michaels:

I think that the discussions with Mr. Walton was one of establishing the priorities and I do believe he still indicated, or stated, within the realm of those priorities is a library in Squirrel Hill. He did not say there shall be no library built in Squirrel Hill, but rather he said that this is not a number one priority. In fact, he saw it as a priority further down the list.

I believe that Mr. Cortese has tried to point out here this afternoon that by reducing that priority in effect, the City chances to lose a great deal of funds. In fact, when the library is ultimately built, it will be at a greater cost to the City.

So I subscribe that by changing the priority and by putting Squirrel Hill up next to the Allegheny Library on the Northside that we, in fact, create a lesser hardship upon our budget and I believe that we ought to move with this library.

The Chair:

Does anybody have a copy of the letter from the Director of the Department of Lands & Buildings to the State Librarian? We received a copy of that. Would you explain that particular letter please?

Mr. Cortese:

The letter, as I understand it, was submitted by our Director of Lands & Buildings to the State Librarian, and with the intention, hopefully, of transferring again for, the second time, the \$250,000 Federal and State grant.

However, the latest we have heard, that is personally, is that this is no longer transferrable. Therefore, it would seem to me that we are going to lose this quarter of a million dollars if we do not act at the present time. I believe time is of the essence.

Again, I submit to you that this was intended to be a comprehensive study of past promises.

The Chair:

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes;

Mr. Cortese
Mr. Fagan
Mr. Lynch
Mr. Mason

Mr. Michaels
Mr. Shields
Mr. Counahan
(Pres't)

Noes:—

Mr. Kuhn

Ayes 7, noes one. (Mr. Kamyk not voting).

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Mason moved

That the Minutes of Council, of Monday, April 13, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,
Council adjourned.

Also, with an affirmative recommendation,

Bill No. 467. An Ordinance entitled, "An Ordinance changing the name of Centre Avenue, between Court Place and Penn Circle West, in the Second, Third, Fourth, Fifth, Seventh and Eighth Wards of the City of Pittsburgh, to Dr. M. L. King Avenue."

Which was read.

Mr. Shields:

Mr. President, I presented the papers and I would like to make a statement, if I may.

I am very happy to, at this time, offer for final passage the Bill No. 467, the purpose of which is to change the name of Centre Avenue to Dr. M. L. King Avenue. I have been very happy and proud to be associated with this body for a period of time, beginning January 5th of this year, and I was particularly proud today when we, as the Legislative Body of this fine city, honored a commitment that we felt the City should honor and should follow through with, in terms of advocating and directing and hoping that we can follow through on the building and erection of a fine library in Squirrel Hill. I think it represented the kind of principles upon which we choose to deal and operate in our fine city.

Recognizing the fact that we are operating in socially troublesome times, I felt, and I feel, in presenting Bill No. 467, that we can express—and this is one of the finest opportunities that perhaps we will have to indicate to all of the citizens of this fine city—that we recognize the contributions of all Americans and we honor and recognize a man, a Black man, who worked for the total good of our community, locally and nationally.

I realize we have conducted a poll which indicates the majority of those who responded, and that was only about 62 per cent, for one reason or another, were opposed to this change. I suggest and recommend our considerations be directed to the fact that a relatively small percentage responded. There were many people who were polled who for one reason or another, whether education or a matter of habit, or by reason of the way they do business, failed to respond. I have heard nothing in serious opposition to this bill except inconvenience and as citizens of America and residents of Pittsburgh, because of the essential functions and operations of our government, we have to subvert our personal inconveniences sometimes to the general good.

I suggest, and recommend most heartily, that two things can be accomplished by the passage of this bill. First of all, we commemorate a great American, and secondly, we will perhaps keep in mind and in the minds of the people who would otherwise tend toward upheaval and violence, the fact here that we are honoring a man whose total concern was for peaceful coexistence and peaceful progress. I suggest that we would be doing a serious disservice to this city if we do not pass this bill.

Mr. Mason:

Mr. President, I feel very keenly, as does my colleague, Mr. Shields, relative to the enactment of this piece of legislation. I recognize full well that there will be certain inconveniences but they are not unsurmountable, Mr. President. I would submit for consideration of my colleagues here in Council that there was no great hue and cry of citizenry of the nation relative to the development of

zipcoding by the Post Office and there was no great hue and cry against the Bell Telephone system relative to the changing of the exchanges to numbers rather than the old system.

I feel very keenly about the fact that we have not named one thing in this city for the late President John F. Kennedy, while every city you go to, you find a J. F. Kennedy Airport, or park, or boulevard. Yet we have not seen fit in this city at this point to name anything for our late, illustrious and great president. I feel that naming this street will serve as a symbol, as so well pointed out by my colleague, that here, together, we in this city, who struggled so for fair housing, fair employment practices, for development of free access to community facilities, that this will serve as a symbol to youngsters from point of origin to its end at Penn Circle. People will take pride, both black and white in the fact we recognize this man was an ameliorating, if not conciliating, individual who wanted all Americans, through non-violence, to live together, work together, play together, and get an education together, to make this the kind of country that both you and I, Mr. President, and my colleagues certainly envision. I strongly recommend that Bill No. 467 be recognized for its merits, its worth, and its symbolism to this total community, the City of Pittsburgh.

Mr. Fagan:

Mr. Chairman, members of City Council, I rise at this time in opposition to the changing of the name of Center Avenue to M. L. King Avenue. I do so because of the great admiration for one of the greatest men, humanitarian, and lover of peaceful devotion, and his last, full measure of devotion was to try to bring together black and white. I think under the present circumstances, however, where the majority of the people who made themselves known as to changing this street as objecting to it, this would bring discredit to a man I am sure we all admired. I feel in this very illustrious City of Pittsburgh, there are many fine public places of public use that we can name in honor of this great man, where we can all agree this should be done, and that is my reason for voting "no" at this particular time.

Mr. Michaels:

Mr. President, if I may, I vote "no" to Bill No. 467 and I do this with a great deal of dismay. I feel that Dr. Martin Luther King, Jr. personified the greatest in what we can expect of an American citizen. I believe this man recognized full well the greatest tragedy in our American life—our inability to recognize each citizen in a fair and equal way. Unfortunately, the names of streets become a highly personal situation to which this City Council felt a need to poll the citizens as to their likes and dislikes with regard to this changing. I believe in memorializing any edifice or community after a man, this should contain the universal feeling of all those people so affected. If, in fact, we cannot develop this in unanimity, then I do believe it is improper to so memorialize the man and I would hope very soon, within this city, we do develop a program whereby our Department of Public Service and Surveys can work out some means so that men who have shown themselves to be great Americans can be so honored by us and buildings, highways, streets, whatever, in the future, will carry these proud names.

Mr. Counahan:

I have not voted on this legislation for the reason that I happen to live on the street and I did not think it proper for me to vote, so I am registering an abstention.

Mr. Cortese:

Mr. President, I would like to also state that I gave this great thought before considering either an "aye" or "no." It seems as elected officials we must be responsive to the total citizenry of the city and since last week, I would say better than 90 per cent of the people I have had an opportunity to talk with have been against the renaming of Center Avenue to Dr. Martin Luther King Boulevard. However, the consensus of opinion should be arrived at with an alternative edifice to do honor to a great man and most often mentioned was the recreation center at an approximate cost of \$2 million being built shortly on Centre Avenue. I recommend all citizens give this consideration as I did.

The title of the bill was read and agreed to.

The bill was read on final action.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

MOTIONS AND RESOLUTIONS

Mr. Counahan:

The Chair would like to make a statement at this time regarding public hearings. We have had so many requests for public hearings, I believe it will be necessary to stretch them out somewhat. We have found we cannot keep up with them. Our stenographers in the office here are falling behind in their recordings of the hearings. As soon as we can see ourselves in the clear, I will schedule for more hearings. You have authorized me to set up a few of them and as soon as possible, I will do so, but the employees of this department must have sufficient time to do their work. It appears when there is a complaint, regardless of what that complaint is, the people want a public hearing. We have been granting them although some could be settled without a public hearing and I just wanted to notify everyone concerned, it is necessary to stretch them out somewhat.

Mr. Michaels:

I was aware during the public hearing this past Wednesday that the number of people allowed to enter the Chambers made it virtually impossible to conduct a proper hearing. I believe it ought to be a capacity set for the number of people who can attend a specific

hearing. I believe, had there been an emergency, it would have been impossible to handle it properly and if someone in the room would have become unruly, you would have been unable to physically have them removed so I ask that you arrive at a number of persons who can attend a public hearing, provide for that number, and allow that number in the room, and I so move.

Mr. Mason:

I rise to second that motion with the following comment. Without deprecation or defamatory remarks either one, the hearing held here the other day was in many ways a disgrace in behavior in terms of using cigarettes and in terms of heelmarks on the benches. All of the benches have to be refinished. I talked with Mr. Houston and he cannot remove the cigarette burns from the floor. I think this a tragedy and Mr. Michaels' motion and suggestion, I fully endorse and second it.

Which motion prevailed.

Mr. Counahan:

There were cigarette burns not only on the floor but we had them ground in on the benches, and all around here there was standing up on the benches. Now the varnish must be removed, and they must be refinished. So when we are talking about Council Chambers, it is going to be necessary to set up rules and regulations in regards to hearings. Heretofore, we permitted everyone to smoke at our hearings and Committee meetings. It may be necessary to eliminate that particular privilege which would eliminate most of Council smoking, too.

Mr. Mason moved

That the minutes of Council, of Monday, April 20, 1970 be approved.

Which motion prevailed.

And on motion of Mr. Mason,
Council adjourned.

MOTIONS AND RESOLUTIONS

The Chair presented

No 549;

CITY OF PITTSBURGH
Office of the Mayor
PETER F. FLAHERTY
Mayor

April 29, 1970

Honorable President and Members
City Council
CITY OF PITTSBURGH

Re: Council Bill No. 478, Library Projects

Gentlemen:

On April 20, 1970, your Honorable Body adopted a Resolution, Council Bill No. 478, relating to the Perry Hilltop, Allegheny Regional, Squirrel Hill, Sheraden, Model Cities and Brookline library projects.

At a public hearing before your Honorable Body on April 13, 1970, the President of the Board of Trustees of the Carnegie Library pointed out that after reexamining the library situation in the City, the Board had placed first priority on the restoration of the Allegheny Regional Branch. At the same public hearing, the Administration presented testimony indicating that the projected

capital costs and annual operating expenses of proposed new libraries militate against their construction in 1970. It was pointed out with respect to the Squirrel Hill Community, that with the proposed site as the center point of a circle there are two other libraries, the Oakland Main Branch and the East Liberty Branch, within a radius of 1.6 to 2 miles.

While this Administration intends to begin the restoration of the Allegheny Regional Branch this year, it requests that consideration of other projects, including Perry Hilltop, Sheraden, Squirrel Hill, Model Cities and Brookline, be held in abeyance until next year when the 1971 Budget can be examined. This request is consistent with the policies adopted by the Federal Government and by various local governments throughout the nation that capital projects should not be carried out at this time unless they are clearly essential.

This Administration may not ignore its duty under the Charter Act to exercise fiscal responsibility for the efficient administration of the City government.

I believe our citizens understand the financial dilemma that we face and that we can best serve them at this time by not going ahead with the construction of new branch libraries.

For the foregoing reasons, and after careful consideration of the content and financial consequences of the aforesaid Resolution, Council Bill No. 478, which was adopted by your Honorable Body on April 20, 1970, I cannot approve said Resolution. Accordingly pursuant to Section 10, Article XIV of the Act of March 7, 1901, P.L. 20, as amended, I hereby return said Resolution, Council Bill No. 478, to your Honorable Body; and I hereby veto the same.

Very truly yours,

/s/ Peter F. Flaherty
PETER F. FLAHERTY
Mayor

Which was read, received and filed.

Also,

Bill No. 478. WHEREAS, the provision of neighborhood branch libra-

ries contributes to the educational, cultural and social well-being of this community; and

WHEREAS the City Planning Department, in conjunction with the Carnegie Library of Pittsburgh and neighborhood organizations throughout the City, conducted a study to determine the library needs of various neighborhoods; and

WHEREAS, the construction of City-built and owned branch libraries in Perry Hilltop, Squirrel Hill, Sheraden and Brookline, modernizations to the Allegheny Regional Branch and a replacement for the Hill District Wylie Branch are consistent with the Community Renewal Study; and

WHEREAS, City Council authorized the Department of Lands and Buildings to advertise and award contracts for the renovation of the Allegheny Regional branch library, for which \$1,350,000 in City Bond Funds are presently contained in a trust fund; and

WHEREAS, bids for the renovations were higher than estimated and funds allocated for; and

WHEREAS, City Council has authorized the purchase of land for a joint parking-library complex in Squirrel Hill at a total cost of \$380,000; authorized the planning and design of a branch library at a cost of \$70,000, which design funds cannot be recovered should the development not proceed; and

WHEREAS, City Council authorized the advertising and awarding of bids on the Squirrel Hill Library-Parking complex, which cancellation at this time may mean the loss of an additional \$100,000 in liability suits; and

WHEREAS, approximately \$250,000 in committed and contracted State and Federal funds will be lost to the City should the Library-Parking complex not proceed, which loss shall also mean the loss of needed jobs and work opportunities for the citizens of this City; and

WHEREAS City Council authorized the City to obtain a short term loan in the amount of \$1,300,000 which would be repaid from a bond sale to be issued at a later date, so that the City could be paid over a period of 20 years; and

WHEREAS, City Council authorized the establishment of a trust fund to contain required City funds, as well as Public Parking Authority grants to be applied to the development of the public parking facilities within the complex; and

WHEREAS, City Council authorized Department of Lands and Buildings to acquire a site agreed upon by the Department of Lands and Buildings, the Department of City Planning, the Carnegie Library of Pittsburgh, and neighborhood civic organizations for a branch library serving the Perry Hilltop community, which land has been purchased, homes have been vacated and preliminary design has been authorized by City Council; and

WHEREAS, City Council authorized the Department of Lands and Buildings to conduct a feasibility study for the purpose of converting the tax-delinquent property known as the former Temple Theatre into a possible joint Library-Recreation Center in the Sheraden area; and

WHEREAS, preliminary studies for a replacement branch for the Wylie Branch in the Hill District have been initiated among planning members of the new Model Cities agency, members of that community, and the Department of City Planning and the Carnegie Library of Pittsburgh; and

WHEREAS, the Carnegie Library of Pittsburgh has recently published a list of library needs by priority; and

WHEREAS, it is recognized that the public library needs of the Hill District, Brookline, Sheraden, Squirrel Hill, Perry Hilltop and Allegheny Regional are still unmet; and

WHEREAS a public hearing on the Allegheny Regional, Perry Hilltop and Squirrel Hill libraries was held by City Council on Monday, April 13, 1970.

NOW, THEREFORE, LET IT BE RESOLVED, That department agencies be directed to meet demonstrated public needs within a financial framework that this City can meet, to pursue State and Federal funds to meet the needs, and to honor its commitments to the residents of Perry Hilltop, Allegheny Regional, and Squirrel Hill; and specifically requests that the Director of the

Department of Lands and Buildings be directed to proceed with the construction of the Squirrel Hill Library-Parking complex; and further directs that

The Department of Lands and Buildings in conjunction with the Carnegie Library of Pittsburgh and the neighborhood civic organizations in the Perry Hilltop area begin design for a branch library to serve this growing community; and that

The Department of Lands and Buildings, in conjunction with the Carnegie Library of Pittsburgh and residents of the Allegheny Regional area, revise plans of the branch library in that area to contain a minimum of 30,000 square feet of library space and remain, if possible, within the \$1,350,000 already allocated in a trust fund for this purpose by City Council; and that

The Department of Lands and Buildings and the Department of Parks and Recreation report its findings on the former Temple Theatre conversion into a Library-Recreation Center so that a public hearing can be held with residents of the Sheraden Community on the need and feasibility of such project; and that

The newly-formed Model Cities agency meet with appropriate City agencies, such as the Department of City Planning, the Department of Lands and Buildings, and the Carnegie Library of Pittsburgh to determine library needs, propose possible sites and development program; and civic organizations in this area so that a public hearing can be held to determine the needs and feasibility of such a project; and that

The Department of Lands and Buildings meet with appropriate City agencies including the Department of City Planning, the Pittsburgh Parking Authority, the Carnegie Library of Pittsburgh and civic organizations in the Brookline community and to report its findings so that a public hearing may be held to determine public needs and feasibility of such a project in this community.

FURTHER, BE IT RESOLVED, that the Council of the City of Pittsburgh recognizes its public commitments and the need to honor those commitments

to the best of its ability; to recognize that for the sake of continuity in government that planning must be continuous and fulfillment of public needs must be continuous irrespective of changes in the City administration unless that City administration can demonstrate otherwise, either for financial or other considerations, that those commitments cannot be made and that the public be made aware that those needs cannot be made and the reasons thereof.

Mr. Cortese:

Mr. President, if I may, I had drafted a graphic representation of the existing library facilities which I would like to place in front of Council in order to better describe the situation that faces us today. You will notice that the red squares represent those libraries that, after careful planning and consideration, were designed as existing structures to remain as library facilities. The four blue squares represent the four library structures recently built during the years 1964 to 1969 as part of our capital improvement program. It is also worthy to note that through good planning and through good fiscal policies, we were able to build these libraries with better than 50 per cent of the cost being paid by the Federal Government. The green squares represent the plan for from 1969 to 1974 as originally proposed for the capital improvement program on all libraries. It is to these libraries that I wish to point my remarks.

On April 29 of this year, this body received notice from the Mayor that he was vetoing Resolution, Council Bill No. 478 approved by this body on April 20, 1970.

The Mayor's letter noted that the "Board of Trustees" had placed first priority on the restoration of the Allegheny Regional branch library. Council's resolution calls for such restoration at the earliest possible time, so there is no disagreement on that point.

The Mayor stated in his letter that the "projected capital costs and annual operating expenditures of the proposed new libraries militate against their construction in 1970". In Council's hearing, it was clear that capital funds for

both the Squirrel Hill construction and Allegheny Regional reconstruction have already been allocated. Furthermore, it is highly unlikely that operating costs for either of these branches will be required from the City before fiscal 1971. The estimated time of 18 months for construction of the Squirrel Hill branch will not affect the City's operating budget until late 1971 or, more likely, early 1972. It is more probable that the restoration of the Allegheny Regional branch will not be completed until mid-1971.

Regarding the "policies adopted by the Federal government that capital costs should not be carried out at this time", I remind Council that the Federal government has already committed \$250,000.00 toward the construction of the Squirrel Hill library—funds which we will lose if we do not proceed.

It should also be noted that \$71,000.00 architect's fees have already been invested in the Squirrel Hill library and that a liability suit by the contractor could add further costs to the City. Clearly, it would seem more fiscally responsible to go ahead with this project rather than lose the quarter-million dollars of Federal funds, the City funds already invested for planning and design and other funds due to breach of contract. In addition, the City has already paid almost \$400,000.00 for the land.

Further, it is likely that costs will increase in the future so that not proceeding with this project which Council has approved for the past 18 months—including Mayor Flaherty's vote when he was a member of Council—will cost the taxpayer far more in the future.

The Mayor's veto also pointed out with respect to the Squirrel Hill community, that with the proposed site as the center point of a circle, there are two other libraries—the Oakland main branch and the East Liberty branch—within a radius of 1.6 to 2 miles. Many of the 40,000 City residents who would be served by the proposed Squirrel Hill library—essentially those living to the east and south from the "center of circle" are well beyond the 2-mile radius established by the Carnegie Library. Furthermore, topography of this City establishes the 2-mile service radius as

an impractical planning minimum. For example, within a two-mile radius there are four branch libraries—the Downtown, Wylie Avenue, Mt. Washington and the Allegheny Regional branch. Separating these facilities, although they are all within a two-mile radius—are hillsides, rivers and man-made traffic patterns.

It is essential that planning on the Wylie, Brookline, Sheraden, and Perry Hilltop branches be continued so that plans can be ready should the City's fiscal position be such—and should Federal and State funds become available—so that these facilities can be pursued in 1971 and thereafter.

Council has received numerous letters, phone calls and telegrams from various civic and neighborhood organizations requesting this body to carry out our library commitments to the best of our ability.

It is my deep feeling that sustaining the veto—and thus delaying action on these needed developments, will only cost us far more in the future. We need the services—the jobs that the Federal funds will provide—and the benefits that will accrue to this City by proceeding on sound planning programs consistent with manageable fiscal policy.

The City's library program is only one part of the Capital Budget items that comes to this body for action. Usually, Council has the Mayor's Capital Improvement Program early in the year, so that needed street improvements, street lighting, public safety facilities and other public projects can get under way during the early part of the construction season. It seems that this year we will miss half the construction season and—again pay a higher cost for the delay.

It is unfortunate that the library problem has been made a battle between the Mayor and Council. I believe that if the Mayor's administrative heads had conferred with Council, instead of taking precipitous and unilateral action to abandon the program, the present misunderstanding would not have been reached.

I am hopeful that this episode will

lead to a realization by the Mayor's department heads that cooperation between the Mayor's Office and Council is in the best interests of the City.

Council has shown its willingness to cooperate by approval of many of the Mayor's personal appointments, including waiver of residency requirements in several instances, to accommodate the Mayor.

It is time, I think, that the department heads realize that all of us, the Mayor, Council, department heads, and the entire payroll, are employees of the residents of the City. We are all paid by the taxpayers and all of us have an obligation and duty to them, not to any one man or any group.

Our obligation to the City also transcends personal feelings. I am not interested in whether a certain proposal is a carry-over from the Barr administration or part of the program of the Flaherty administration. My only interest in a proposal is whether it is in the best interests of the City. I know that my fellow Councilmen share this approach.

The Lawrence and Barr administrations did much for the City. I am hopeful the Flaherty administration will also. The prior administrations, I am sure, made mistakes. I am sure this one will also. But the fundamental goal is to continue with Pittsburgh's progress, in a cooperative manner, not only between the Mayor's office and Council but between any and all groups in the City. There is enough disunity. What we need is unity.

Therefore, in moving to override the Mayor's veto, I do so because I believe this is in the best interests of the City, and with the hope that in the future, department heads and personnel in the Mayor's office will work more closely with Council, for the benefit of all the people.

Mr. Lynch:

Mr. President, with great pride, I second the motion.

Mr. Michaels:

Mr. President, as Chairman of the Planning and Redevelopment Committee, I think it is important that I capsule some of the remarks of my colleague, Mr. Cortese, and look at it as we might. Number one, I think we have to establish, is there a genuine need for a library in the region of Squirrel Hill. I think we have to recognize, this is one of the largest communities in the City of Pittsburgh that remains without library facilities. While there may be other branches or, in fact, the main library, to which people can go, I do not believe it qualifies as what we consider a neighborhood facility. This is so because of the inability to be able to park in the Oakland area or, in fact, walk into the East Liberty area or to get there with proper public transportation. It also does not fit the modern guidelines of libraries which is to locate them close to shopping facilities which make it easier for busy mothers to take their children to the library and then return home.

We also must look at what has been a prior commitment. As pointed out, there were commitments made, with expenditures on the part of the government, to provide these facilities and to abandon them at this time would not be to the good interest of the public.

With regard to economics, if we are ever to build this library, and I believe the library people said they still thought there ought to be a Squirrel Hill branch but to move it from its priority position to number six position—in so doing, I do not believe the library administrators have properly evaluated the economics of this problem. When you do that, in effect, you are tossing away the Federal grant and wasting the money already put into the planning process.

With regard to the planning process, we know that here in this City, the problems are so great that very frequently, we cannot originate and conclude a project in a matter of a year or two so that if we are going to get a new administration at the library, or a new administration in the City, and everytime we do, there is a reevaluation of priority and the knowledge that has been pumped into the project, I do not

know how we are ever going to get any of these meaningful projects accomplished.

Thank you.

The Chair:

All those wishing to override the Mayor's veto will vote "Aye" and those opposed will vote "No".

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Lynch	Mr. Counahan (Pres't)

Ayes 8. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the objections and veto of the Bill by the Mayor was overridden.

Mr. Kamyk:

Mr. President and members of Council, I would like permission of the members of City Council to make a statement.

On Saturday, I was very proud, as a veteran myself, to participate in a Veterans Loyalty Day parade. Even though the weather was threatening, the participants within the parade were numerous and they had quite a beautiful parade. After reaching the so-called reviewing stand or platform, I was very disappointed and embarrassed because instead of seeing the usual platform, a large platform upon which the dignitaries gathered and viewed the parade, I saw a platform, two feet by four feet, whereupon were three people—two dignitaries and a person talking over a loudspeaker.

As I stood there and watched the parade, and of course they had the bleacher seats there, too, I was confronted by many veterans who were disappointed and displeased because who,

if not the veterans, are the people who try to enkindle patriotism in our hearts. In this case, our administration and the City of Pittsburgh did not cooperate with them and did not furnish them with the usual platform they furnished for other parades and this is my criticism against our City administration. I hope, in the future, they cooperate with our patriotic parades, especially when arranged by veterans who fought in former wars.

Mr. Counahan:

And being Chairman of the Committee on Lands and Buildings, that Department would certainly be affected.

Mr. Kamyk:

And that's why I was so ashamed.

Mr. Shields:

Mr. President, I would like to very briefly quote from the minutes of Monday, April 27, 1970, at which time I presented a resolution or ordinance for changing of the name of Centre Avenue to Dr. M. L. King Avenue. At that time, I said I had been very happy and proud to be associated with this body since January fifth of this year and particularly proud today, or that day, when we, in the Legislative Body of this fine City, honored a commitment which I felt the City should honor and follow through with in terms of advocating and dreaming and hoping we could follow through with the erection of a fine library in Squirrel Hill.

I refrained from making a statement at the time my colleague, Mr. Cortese, presented his resolution and motion. However, at this point, I would like to remind the members of Council, I feel that I represent the entire City of Pittsburgh and I am particularly concerned that residents in a particular area have a need that the City should fulfill and I want to say to the members of Council that I feel they forgot the needs and desires of the residents of the Hill District and the black citizens of the entire City of Pittsburgh on Monday, April 27, 1970.

Mr. Kamyk moved

That Mr. Kuhn be excused for absence from this meeting for the reason that he had to be in Washington, D.C., to be admitted to practice before the Supreme Court of the United States.

Which motion prevailed.

Mr. Mason moved

That the Minutes of Council, of Monday, April 27, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Mason moved

That Mr. Shields be excused.

Which motion prevailed.

Mr. Mason moved

That the Minutes of Council, of Monday, May 4, 1970, be approved.

Which motion prevailed.

Mr. Fagan:

Mr. Chairman, at this time, I would like to move that our adjournment today of this legislative body be out of respect to a great humanitarian, Walter Reuther.

From the year of 1946 when Walter Reuther was elected the International President of the United Auto Workers of America, he labored hard and long in the vineyards in an attempt to improve the working conditions and the dignity of the working man. He has done a very outstanding job having represented members of the automobile industry which is one of the outstanding industries of our nation.

But beyond this particular point, he also worked particularly for the poor people of our nation. He had an outstanding record as far as the housing was concerned, education of the poor children and also in Civil Rights. He believed and fought very seriously for the fact that all men are created equal, and I feel that our nation and the world has suffered a loss of a great outstanding humanitarian.

I would request, at this time, that the Council stand in a moment of silence in honor of Walter Reuther.

Which motion prevailed.

And on the motion of Mr. Fagan,
Council adjourned.

Which was read.

Mr. Fagan moved

The adoption of the resolution.

Which motion prevailed.

Mr. Mason presented

Bill No. 735. In the sudden death of Florence S. Reizenstein on June 4, 1970, the City of Pittsburgh, the entire community and the nation have

lost a benefactress of humanity. Florence Reizenstein's profound and passionate concern for her fellow human beings knew no bounds. It found expression in her active participation, during all her adult life, in a multitude of causes and organizations devoted to the promotion of a better understanding among all groups, to the elimination of injustice in all its many and varied manifestations, and to the improvement of the lives of all who are disadvantaged because of prejudice and discrimination.

Florence Reizenstein's dedication to her fellow human beings was exemplified in the qualities of leadership she brought to a host of organizations and public agencies, which include the Pennsylvania Commission on Human Relations, the Mayor's Commission on Human Relations, the National Association for the Advancement of Colored People, the Urban League the National Conference on Christians and Jews, the United Nations Association and the Negro Educational Emergency Drive.

Florence Reizenstein was a woman of deep convictions of vast talents and of limitless energies, all of which were directed selflessly and without stint to the task of enhancing the welfare of the oppressed. She was the vanguard of virtually every humanitarian organization, where her leadership and effectiveness were heightened by her deep human warmth, her graciousness and her modulation. The community has been severely diminished by her passing.

Therefore, in acknowledgement of the immeasurable contributions she has made to the entire community,

BE IT RESOLVED, That the Council of the City of Pittsburgh record with sorrow the death of Florence S. Reizenstein and express the sympathy of the City of Pittsburgh to the bereaved family.

Which was read.

Mr. Mason:

It is extremely difficult to put into words the energy, the capacity, and the vitality that Mrs. Reizenstein brought to this City, and to this City

Council. I'm aware of the fact because of my long association with her and a number of enterprises including the Urban League, the Mayor's Commission on Human Relations, the State Commission on Human Relations, and others, that she was a woman of great dedication.

I stand here to say that she is a great loss to this City. I'm also aware of the fact that sometimes the various members of City Council have thought, or had thought, that she was a thorn in their side, but she was for the welfare of this City. Her record of participation with the late Mayor Lawrence, and previous to him Mayor Scully, and later with Joseph M. Barr, certainly exemplifies the kind of thing that she stood for, for all of the citizens of the community.

She will be sorely missed. I move adoption of this resolution.

Mr. Lynch:

I second the motion.

Mr. Kuhn:

Mr. President, I don't want to repeat anything. But I would like to point out, however, that in our deliberations on very important legislation here in Council Mrs. Reizenstein's voice was always clearly and fearlessly raised on behalf of issues of conscience. I think she will be remembered by the people because of her active sponsorship of legislation of far reaching importance. Specifically I'm referring to the recent codification in the last few years of our Human Relations legislation. Mrs. Reizenstein was responsible, individually, for bringing that to Council's attention when the majority of the members of the Commission might not have urged the broadening of that legislation to include open housing. In fair employment legislation, Pittsburgh was in the forefront nationally. We were the first City, I think, to adopt legislation of this kind.

It was because Mrs. Reizenstein brought this to our attention, to Council, that this legislation was adopted.

So, we do owe her memory and all who cherish her a deep debt of gratitude.

Which motion prevailed.

Mr. Mason moved

That the Minutes of Council of Monday, June 1, 1970, be approved.

Which motion prevailed.

Mr. Mason moved

That this meeting of Council adjourn with a moment of silent prayer in memory of the late Florence S. Reizenstein.

Which motion prevailed.

And Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Lynch presented

Bill No. 788. WHEREAS, The City of Pittsburgh mourns the passing of the architect of its renaissance, the late Richard King Mellon; and

WHEREAS, Mr. Mellon's achievements and his contributions to the City and its people were widely known and thoroughly reviewed in the news treatment of his death; and

WHEREAS, nationally renowned for his great wealth and his distinguished family, he was, of course, a personality and a leader of far more depth. He represented a new stance of social responsibility; he epitomized a concern for the ills of his beloved city and its people; and, certainly as much as any man in Pittsburgh's long history, put into motion those organizational talents, skills and resources, which have so dramatically changed the face of the city.

Throughout his lifetime, Mr. Mellon shunned the glow of public approval, preferring to do his work in the background and with as little fanfare as possible, but the results of his efforts were of such a dramatic and visible nature that this anonymity was not possible.

Mr. Mellon was a father, soldier, philanthropist and financier; but, more than any of these he was a good and decent man whose concern for his fellow man became his life's work. We are all richer for having lived in his time, and poorer for his passing.

THEREFORE, BE IT RESOLVED, That the Council of the City of Pittsburgh record with sorrow the death of Richard King Mellon and extend the sympathy of the City of Pittsburgh to his family.

Which was read.

Mr. Lynch moved

The adoption of the resolution, and that copies be sent to each member of Mr. Mellon's family.

Mr. Cortese:

I consider it a privilege to second Mr. Lynch's motion.

Mr. Mellon, whose foresight and love for the City of Pittsburgh has provided for the citizens of this City a showplace for municipalities throughout the Country to view with envy and attempts to duplicate. Mr. Mellon, during the past two decades, has demonstrated fully that the financial powers within communities can and will cooperate fully with local government under responsible leadership. Indeed, his presence will be sorely missed and his memory and civic accomplishments will be long cherished.

Which motion prevailed.

UNFINISHED BUSINESS

The Chair presented

No. 785. RESOLVED, That the appointment by the Mayor of Stephen A. George as Director of the Department of Lands and Buildings of the City of Pittsburgh be and the same is hereby approved and confirmed.

Which was read.

Mr. Kamyk moved

The adoption of the resolution.

Which motion prevailed.

Mr. Counahan:

The Chair, at this particular time, wants the floor on personal privilege. That is, there is an order of business which I must explain in this particular way.

I have been receiving numerous telephone calls regarding telephone service, most of which I get at home. Insofar as we are concerned here, when you pick up a telephone to call the City of Pittsburgh and you receive a notification, not

by an operator but through a recording, that if you have called the police to call 765-1212 and if the fire department, call another number, and that all of the lines in the City of Pittsburgh are busy; we, as members of City Council, have a responsibility to the citizens of this City, when services are cut, regardless of who is to blame for it. I am not taking a stand that this one or that one is to blame but it is up to City Council to find out what it is all about and to make sure that the services are maintained as we set them up in our budget.

Now, if you want an experience that you will remember for a long time, just call our City operators and you will be surprised and this has been going on for a week. As President of City Council, maybe at times I have neglected to bring up before you subject matters like this, but this is the first time the services have been curtailed to this extent to my knowledge. It is going to be necessary for City Council to take the stand that when things are done like this, the heads of the Departments, or the Directors of the Departments must, of necessity, be called before City Council to explain what it is all about.

Under the laws of the Commonwealth of Pennsylvania for second class cities, you have that authority. My request to you is, use it. This has been going on too long and I haven't heard, nor have I had, an explanation from anyone. I have heard rumors; I hear there is too much work up there for these people. I don't know, and I'm not taking a stand, but you, as members of City Council, must remember you can call any director or head of a department before you to explain conditions like this.

I thank you. I'm sorry for taking up your time. If you feel you have something to say on this subject, now is the time to say it.

Mr. Cortese:

Mr. President, I can only speak to some degree of the Department of Public Safety.

This is a problem not just recently created. It dates back a good six months at least. My understanding is that this whole area of answering service to the

citizenry has been understaffed for at least six months. I made this known to the Mayor of the City of Pittsburgh quite some time ago. Now the situation has become worse and I agree, we should take a different stand and hopefully find a solution.

Mr. Fagan:

Mr. Chairman, I really want to state, not only is there a disruption of the service of the telephone system in the City of Pittsburgh, but in all of the departments there has been a great curtailment of services that the citizens of Pittsburgh are entitled to. I think we have a good start at this time and as far as the Labor Committee, which was appointed by yourself, I move we immediately have the Director and the people involved in a meeting so we, in City Council, can do our duty in seeing that services are not disrupted unnecessarily or that any action of the Mayor's office in any way jeopardizes the health, safety and welfare of the citizens of Pittsburgh. I think, through your office, Mr. Chairman, that meeting should be set up immediately and I am sure the other members of the Labor Committee will be available, at your call.

Mr. Counahan:

The other members of the Labor committee, is that satisfactory?

Mr. Mason:

Mr. Chairman, I think the Chairman of the Labor Committee has summed it up quite succinctly and has made it abundantly clear that services to the people must not be curtailed and that we ought to call the director of the department either before the Labor Committee or City Council as a whole, as you have already indicated. Since there are pending discussions on the status of the Labor Committee, I don't want to be in diametrical opposition with the Chairman of the Labor Committee but in light of certain communications your office has received, as President of this Council, we have to take the whole gambit of the status of this committee and its responsibilities into consideration, and if you are saying, let's

call the Director in before the whole of City Council, let's do that. If we are saying the Labor Committee has a responsibility over which it really doesn't in the long haul, then I am sorry, I disagree with the Chairman of the Labor Committee at this given point.

The only thing we can do, and what we have done in the past, is make recommendations to City Council as a whole. The problem you have posed here this afternoon is the problem of curtailment of city services as a whole to which the whole of City Council is responsible. This is one thing.

On the other hand, I do not want to digress or divert but I want to make sure we understand the various communications your office has received should be brought before the Labor Committee for discussion and recommendation to this City Council. I am concerned about city services, myself. I have not received telephone calls at home but I have been pestered on the street relative to the lack of ability of citizens to reach any given department through the switchboard.

The Chair:

I don't know that I have any complaints in writing; Mrs. Law would have that, but I do get them at home. Now, Mr. Fagan has made a suggestion, and you have made another. What, then, do you suggest? Insofar as I am concerned, I want to do what Council wants to do. Is City Council going to meet as a whole in regard to this subject matter which was brought up in Council's conference this morning? Maybe if you want to discuss the subject at that time, it would be alright, but I think it should be aired out here and we should take the stand that where directors do something that interferes with city services, they should be brought before Council...

Mr. Mason:

Mr. Chairman, I then move that person or persons responsible for the problem we have at hand be called before the full of City Councilmen and the other items I referred to be discussed between the Labor Committee and the President's office. In other words, I

move that the person or persons responsible or accountable for the present problem we have relative to communications between the public and the city government be called before City Council as a whole.

Mr. Shields seconded the motion.

Which motion prevailed.

The Chair:

Mr. DiNardo, as City Clerk, will you find out who is the head of that department at this time and arrange a meeting with City Council. We will have the meeting right out here in the open and try to find out what it is all about.

Now, Mr. Mason, you had something else that had to do with Mr. Fagan's Committee?

Mr. Mason:

I am sorry I got into a public discussion. I was saying I would like to strongly urge and suggest that the Labor Committee, together with yourself, meet, relative to several communications now on file in your office. The Labor Committee needs to discuss this as quickly as we possibly can. That is my position and I move we move as rapidly as we possibly can on such a meeting, Mr. Kuhn, Mr. Fagan, and myself, together with you.

Mr. Lynch seconded the motion.

Which motion prevailed.

MOTIONS AND RESOLUTIONS

Mr. Mason moved

That the Minutes of Council, of Monday, June 22, 1970, be approved.

Which motion prevailed.

Mr. Mason moved

That this meeting of Council recess until Thursday, July 2, 1970, at 10:00 o'clock, A.M. (D.S.T.).

Which motion prevailed.

And Council recessed.

Pittsburgh, Pa.,

July 2, 1970

And the hour of 10:00 o'clock, A.M. (D.S.T.), having arrived and the time of recess having expired, Council reconvened and there were present:

Bill No. 844. WHEREAS, under the authority of Sec. 116 of the Housing Act of 1949, as amended, the United States of America, acting by and through the Secretary of the Department of Housing and Urban Development, has agreed to make a Federal Grant to the City of Pittsburgh to assist in a program of demolition of structures which are unsound and unfit for human habitation, which program is described in Application for Demolition Grant No. Pa. M-5; and

WHEREAS, as a condition precedent to the payment of a grant Under Sec. 116, it is necessary that the City of Pittsburgh exhaust all other available legal procedures to secure remedial action by the owners of the structures before

governmental action is needed to demolish them; and

WHEREAS, certain demolition work has been carried out under the program and the City of Pittsburgh is desirous of receiving a grant payment to cover the costs of such demolition;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH:

(1) That the demolition of the structures set forth on the schedule supporting the requisition for payment of the Federal Grant was in accord with the requirements of State and local laws and in the public interest.

(2) That all other available legal procedures to secure remedial action by the owners of such structures were exhausted before governmental action to demolish them was taken.

Mr. John F. Counahan
President of City Council
City County Building
Pittsburgh, Pennsylvania 15219

Dear Mr. Counahan:

At this time, I am requesting a special meeting of City Council to give us permission to start our summer program. Any assistance in expediting these programs so that they will become operational before the summer is over will be greatly appreciated.

These programs were approved by HUD, July 1, 1970 and we did not receive the notification of approval in the City of Pittsburgh until July 6, 1970, therefore, we had no opportunity to get these programs approved during your regular business session.

We would appreciate it if you would take action on the following projects:

- (1) Recreation Facilities—To provide physical improvement to existing city facilities.
- (2) Cultural - Recreation Component - Point Park College.
- (3) Uptown Little League — Physical improvement to the Little League field in the Hill.
- (4) National Achievement Clubs Inc. —To provide 50 camperships.
- (5) Summer Youth Employment— To provide summer employment with the city for 100 youths.

These programs will improve the recreation facilities of the city by providing lights and improving other facil-

ities in the City. They will also provide jobs to the Pittsburgh residents.

Sincerely yours,

/s/ Arthur L. Burt

MOTIONS AND RESOLUTIONS

The Chair presented

Bill No. 918.

WHEREAS, the Council of the

City of Pittsburgh has approved the submission by the Pittsburgh Model Cities Program to the United States Department of Housing and Urban Development of the Comprehensive Recreation Project by Resolution No. 127, approved June 19, 1970, and of the Youth Recreation Employment Project by Resolution No. 128, approved June 19, 1970; and

WHEREAS, the City of Pittsburgh received notification from said Department of Housing and Urban Development of the approval of said projects on July 6, 1970; and

WHEREAS, the said programs are intended to be implemented during the summer months; and

WHEREAS, by letter dated July 7, 1970, the Pittsburgh Model Cities Program has requested that the Council of the City of Pittsburgh grant permission to start said summer program so that they may become operational; and

WHEREAS, it is for the benefit of the City of Pittsburgh that said programs and the implementation thereof be approved by the Council of the City of Pittsburgh at this time:

NOW, THEREFORE, BE IT RESOLVED:

1. That the following programs as set forth in letter from Arthur L. Burt, Executive Director, Pittsburgh Model Cities Program, to President of City Council dated July 7, 1970, are hereby approved:

4. That the Department of Parks and Recreation is hereby authorized to take such steps as may be necessary in order to implement the Summer Youth Employment Program of the Youth Recreation Employment Project, subject to reimbursement, pursuant to appropriate legislation, from the Pittsburgh Model Cities Program Trust Fund.

5. That the Council of the City of Pittsburgh hereby expresses its intention to enact such ordinances or other legislation as may be necessary in connection with the aforesaid programs and projects, at its next legislative meeting on August 3, 1970, including, but not limited to, necessary ordinances transferring funds from Pittsburgh Model Cities Program Trust Fund to appropriate accounts in the Departments of Public Works and Parks and Recreation.

Which was read.

Mr. Kamyk moved

The adoption of the resolution.

Which motion prevailed.

Mr. Mason:

I did not want to comment during roll call since I had been summarily educated by the President of Council.

I am getting increasingly concerned relative to our agencies which are receiving Federal money and the short notices which we get before this body, this honorable body, which has to pass upon and is sponsor for such legislation. This does not only pertain to Model Cities, so I hope Mr. Burt, who is present here, does not take this as personal, but we get these emergency trips and they are called on short order.

The proper rules of Council have not been followed by the Administrators simply because they were told by Washington or they are told by their Philadelphia Regional Office that they have to be so and so at such and such a time.

I regret very much that this summer program happens to be not the target of my remarks, but a jumping-off point on this. I think Council needs to be a little bit more stringent in all of these requests that come through.

No I don't know what the funding arrangements are and so forth and so on, but the short notices, frankly, over the last five or six months have become a source of irritation maybe with me—certainly with me—but certainly with some of the other City Councilmen. I can't speak for all of them, but I just wanted to make that for the record.

The Chair:

Thank you. Your remarks will be made a part of the record.

Mr. Michaels:

Mr. Chairman, I would hope that our August meeting of the Finance Committee that the City Treasurer, Mr. Cosetti, would be available to discuss with us where we stand with regard to income and expenses for the first six months of the year in keeping with our earlier decision to meet after the first quarter.

I think we also ought to meet after the second quarter with the Treasurer so we have a proper understanding of

expenses to date, and income to date and see how we are going with regard to our annual budget.

I would like to so move that he be instructed to be at the August Finance Committee meeting.

Mr. Mason

I second the motion.

The Chair:

Would you repeat that motion?

Mr. Michaels:

I move that Mr. Cosetti, the City Treasurer, be asked to attend the August Finance Committee meeting of Council where he might discuss with us income and expenditures relative to the City budget for the first six months of fiscal year 1970.

Mr. Mason:

I'll second the motion.

Which motion prevailed.

The Chair:

Anything else to come before Council?

Mr. Cortese:

Mr. President, after listening and holding back Mr. Kamyk, I'm sure that all of us in Council received notification recently from Mr. O'Laughlin who happens to be the liaison officer to the Federal Government and to any other HUD agency for the Mayor's Office, and as part of our agreement to Council in giving him, so-to-speak carte blanche on all of his trips, it was understood that on a periodic timing he would furnish us the necessary information as to where these trips were, the expenditures involved, the reason for the trip, what monies were received by the City of Pittsburgh, what can be anticipated for the future, and so on.

Unfortunately, the communication which I have received, and I imagine the same applies to all of the other Council-

men, only tells us of his various and sundry trips, and I would hope that, as a body of Council, we might request from Mr. O'Laughlin and from the Mayor's Office that a better explanation follow.

The Chair:

Tank you. Under the rules of Council, in making trips like that it is mandatory to make a report to the members of City Council. Now, he did make a report, but, in your opinion, the report doesn't cover the subject matter thoroughly, is that correct?

Mr. Cortese:

That is correct, Mr. President.

The Chair:

Mr. DiNardo, I would like to have you notify all of the heads of the departments, and particularly the new heads of the departments, that when we, as members of Council, approve the people going, when authorizing people going to conventions, meetings, and what have you, we expect a report, a written report to the members of Council, or to City Council.

I think that that has been neglected just a shade. I haven't heard a report, and we don't have a necessity to read them all in the open, but the members of Council should be in a position, as we worked out years ago, of looking over the reports and finding out what they were doing.

Mr. Cortese, that will be taken care of just as soon as possible and the Mayor's Office will be notified. There is no exception there. In other words, they are supposed to report to Council the same as anybody else.

Mr. Mason:

Mr. Chairman, following up on Mr. Cortese's remarks, in line with Mr. Michaels' request that Mr. Cosetti be in attendance at our Committee meeting, I would like to hear from Mr. O'Laughlin rather than an itinerary.

If you put that in the form of a mo-

tion, Mr. Cortese, I will be very happy to second it—that he also be requested in light of the fact that we do not have a report and we ought to know what is forthcoming because of tenuous amounts of spending between municipalities and the Federal Government.

Mr. Cortese:

I have no objection to meet as Mr. Mason requests.

The Chair:

The motion is we call him here to meet with City Council, and under what particular heading?

Mr. Mason:

Inter-Governmental Affairs.

The Chair:

We don't have that as an order of business and I wanted to know what Committee meeting he should attend?

Mr. Mason:

Finance Committee—that he appear before the Finance Committee and make a report as to what has been achieved in terms of his itinerary because that is all we have as a report on his itinerary.

Mr. Lynch:

I think that, if you forgive me, I think that is a somewhat embarrassing thing to ask Mr. O'Laughlin. I think that Mr. Cortese's remarks were not meant to be a motion and I think it was properly handled by the Chair to have the City Clerk request that he make a more detailed report in writing.

I think that you are uselessly embarrassing this man by asking him to make a public disclosure of the reason for his trips when we have not done that in the past, and I do not want to see that become a policy. I would like to see the thing handled as we had requested for a moment ago.

I would like to ask that the motion

be tabled and allow the thing handled as suggested, and for the City Clerk to contact Mr. O'Laughlin and give us a more detailed report.

I don't see any reason to embarrass the man beyond that.

Mr. Michaels:

Mr. Chairman, I can't see how we can consider it an embarrassment to ask any departmental head to appear before any Committee of Council. I don't think we intend to embarrass Mr. O'Laughlin, we rather want to deal with regard to what we believe to be a very important part of our affairs, and that is how he relates to other governmental agencies and what he sees as the course of action that he will take over the next few months.

I do agree with Mr. Cortese and Mr. Mason that the sooner we establish a rapport of Mr. O'Laughlin and really had an opportunity to find out what is going on, the better it will be for this Council.

The Chair:

Anything else under remarks? A question on the motion? All in favor of the motion will accept by saying aye when their names are called, those opposed will vote no, and the clerk will call the roll.

Mr. Cortese:

Have I a second to the motion?

The Chair:

I thought we did.

Mr. Mason:

I said I would second it if you made a motion. So, I did second it, sir.

The Chair:

I took it as a second, Mr. Cortese, and Mr. Mason agrees that it is?

Mr. Mason:

Yes, that is correct.

Upon which motion the ayes and
noes were taken, and being taken were:

Ayes:—

Mr. Cortese

Mr. Fagan

Mr. Kamyk

Mr. Mason

Mr. Michaels

Mr. Shields

Mr. Counahan

(Pres't)

Noes: Mr. Lynch.

Ayes 7. Noes 1.

And a majority oh the votes of Coun-

cil being in the affirmative, the motion
prevailed.

Mr. Kamyk moved

That Mr. Kuhn be excused for
absence from this meeting.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.

CITY OF PITTSBURGH DECLARATION OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, the City Treasurer, in letters addressed to the Mayor and City Controller under date of July 30, 1970, has stated that the recent Court Decision, Hospital Council of Western Pennsylvania, et al, v, City of Pittsburgh, No. 68—March Term 1970, requires us to refund to institutions of purely public charity; and

WHEREAS, Code Account No. 31, Refunds, Institution and Service Privilege Tax, account for such refunds only contains \$25,000.00; and

WHEREAS, In order to make the refunds as they are approved, an addi-

tional appropriation of \$450,000.00 is requested to be made for this purpose; and

WHEREAS, the foregoing appears to be a good and sufficient reason to impel the certification of emergency under the circumstances;

NOW, THEREFORE, we, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John E. McGrady, Controller of the City of Pittsburgh, do hereby certify to City Council the existence of an emergency requiring the appropriation of \$450,000.00 to Code Account No. 31, Refunds, Institution and Service Privilege Tax, Department of City Treasurer, to provide additional funds for adjustments in taxes as required.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that all appropriations shall be made annually by general ordi-

nance except in the cases of emergency when special appropriations may be made to meet the same; and,

WHEREAS, pursuant to Ordinance No. 185, approved June 2, 1970, the City of Pittsburgh has heretofore entered into a grant agreement, under Contract No. S3-0130-40, with the United States Department of Labor for its Neighborhood Youth Corps Summer Project; and,

WHEREAS, The United States, through the Department of Labor and the Department of Interior, has by recent legislative enactment, funded a new concurrent summer project for major cities to be administered through and in conjunction with the Neighborhood Youth Corps program, known as the Summer Recreation Project, enacted under the Recreation Support Program, Manpower Defense Training Act, Title I, to be effective immediately for the summer, 1970; and,

WHEREAS, the City of Pittsburgh has been notified by the United States that it is qualified for benefits under the new legislative supplemental program to the Neighborhood Youth Corps program; provided however, that application be made immediately; and,

WHEREAS, upon consultation and review with officials of the United States it was further determined that under the benefits offered in said program there could be included, as part of summer recreational facilities, swimming pools and other recreational equipment and facilities; provided, however, that application for said project must commence immediately on or before July 15, 1970; and provided further, that said program must be operational within 10 days from the date application was filed, to wit: July 25, 1970; and

WHEREAS, upon inquiry and investigation and, upon contact with various pool manufacturers as well as suppliers of summer recreation equipment, who could qualify to meet maximum standards relating to size, capacity, costs and the ability to provide immediate delivery and emplacement to meet the deadline to make the project operational on or before July 25, 1970, it was determined that the following named companies could meet the necessary requirements:

Modular Aqua Systems, Inc.	64,800.00
Recreation Equipment Unlimited	14,700.00
Chatham Sports Center	12,900.00
Mamaux & Sons	125.00
Appel Media, Inc.	1,331.50
Homelite Division Textron Inc.	7,000.00 ; and,

WHEREAS, the aforesaid companies were able and willing to provide such equipment in advance of payment in order to meet the July 25, 1970 deadline as stipulated and required in order to qualify and meet the conditions of the Summer Recreation Project; and,

WHEREAS, all funds to be expended for the purchase of the swimming pools and the other summer recreation equipment and facilities are to be paid from federal monies without contribution from local funds under an additional federal grant in the total amount of \$108,000.00; and,

WHEREAS, because the program involved herein has been only recently enacted and because application, qualification and full implementation of said program must have been made on or before July 25, 1970, there exists good and sufficient reason to employ the Certificate of Emergency to permit the operation of the Summer Recreation Project concurrently with the Neighborhood Youth Corps Summer Program for 1970 and to have immediately secured the necessary swimming pools and other summer recreation equipment and facilities above described;

NOW THEREFORE, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John E. McGrady, Controller of the City of Pittsburgh, do hereby certify to City Council the existence of an emergency requiring the allocation for appropriations to permit the payment of

Modular Aqua Systems, Inc.	64,800.00
Recreation Equipment Unlimited	14,700.00
Chatham Sports Center	12,900.00
Mamaux & Sons	125.00
Appel Media, Inc.	1,331.50
Homelite Division Textron Inc.	7,000.00

all to be paid from Code Account No. 401, Neighborhood Youth Corps, Summer Program No. 4 (1970).

CITY OF PITTSBURGH
Pete Flaherty, Mayor

August 5, 1970

Hon. John F. Counahan
and Members of City Council
City-County Building
Pittsburgh, Pennsylvania 15219

Gentlemen:

SUBJECT: BILLS NO. 898 AND 899

I have been advised that no action was taken at today's committee meeting concerning my request for a professional labor consultant to aid the City in its upcoming negotiations with the Police, Fire and various other labor and employees group.

At present, the demands of the Police and Fire alone are in excess of \$10 million. Other employee groups are beginning to make their demands. The magnitude of the labor demands will require considerably more research, effort, and preparation than any previous demands in our City's history. The new Public Employees Law makes our burden an even greater one this year because of its new provisions.

There are no provisions in our 1970 budget for such a position, and we have no salary comparable to that set forth in the bill, whereby we could bring in an experienced, qualified labor relations professional.

I am also advised by the Solicitor that the 1970 budget cannot be re-opened at this time for the establishment of such a position on an employee basis. We can, however, discuss this in the 1971 budget; but that will be of no help during the remainder of this year, during which period I believe it is imperative that we have the type of professional assistant that has been outlined in the above bill.

I will appreciate it if you would consider this at your Friday meeting.

Very truly yours,

/s/ PETE FLAHERTY
Mayor

MOTIONS & RESOLUTIONS

Mr. Kuhn:

Mr. President, with respect to Bill No. 1051, the Mayor's communication, I would like to move at this time that Council, immediately following the completion of the business before us at this Executive meeting, convene as the Committee on Finance for the purpose of considering the request of the Mayor as contained in Bill No. 1051, for this reason.

Yesterday, when a similar request was received by Council in Committee, there was no motion by any member of Council who had voted in favor of the tabling of 898 and 899 Bills to which the Mayor's request relates, who could move to remove those bills from the table. I am now informed that a member of the Council who voted to table those bills would be willing to reconsider them in Committee again, whether to move to remove from the table or not, provided information might be given to us, to Council, relative to the request that the Mayor has made in this Bill No. 1051. And so, in order that this new request may be considered and the Mayor's Office can present such information to us, I would ask that we immediately convene a special meeting of the Committee on Finance following the

transaction of the business in this legislative session.

I would say that if we do this, we should, in the event we should in such special Committee meeting, determine to remove the bill from the table, recess this legislative meeting until the completion of that special meeting, if we do determine to proceed with the special Committee meeting.

So, my motion is that we convene a special meeting of the Committee on Finance immediately following the transaction of the business presently before us.

Which motion prevailed.

And Council recessed.

And the time of recess having expired, Council reconvened and there were present:

Mr. Cortese	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

REPORTS OF COMMITTEES

Mr. Kuhn presented

No. 1060. Report of the Committee on Finance for August 6, 1970, transmitting two ordinances to Council.

Which was read, received and filed.

Mr. Kuhn moved

That Rule 8 be suspended providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Also, with an affirmative recommendation,

Bill No. 898. An Ordinance entitled, "An Ordinance transferring the sum of Thirty Thousand (\$30,000.00) Dollars from Code Account 42—Con-

tingent Fund to Code Account 1017—Miscellaneous Services—Mayor's Office."

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also,

Bill No. 899. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor, on behalf of the City of Pittsburgh, to enter into an Agreement or Agreements for specialized professional services in connection with the conduct of negotiations and arbitration proceedings with employees of the City of Pittsburgh, such services to include labor relations advice, representation at negotiating meetings and economic and job evaluation advice; and providing for the payment thereof."

Which was read.

Mr. Kuhn moved

That the bill be amended by adding an additional line to read: "appointment of Consultant with the approval by City Council."

Which motion prevailed.

The title of the bill was read and agreed to.

The bill was read on final action.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken, agree-

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, the Director of the Department of Water, in letters addressed to the Mayor and the City Controller under date of August 17, 1970, states that the Pennsylvania Public Utility Commission authorized the South Pittsburgh Water Company to increase its water rates and charge a Utility Realty Tax surcharge, thereby increasing the water charges due from the City of Pittsburgh to the South Pittsburgh Water Company for the balance of 1970; and

WHEREAS, in order to meet these increased charges an emergency appropriation of \$220,000.00 is required to Code Account Number 1702 Water Rents; and

WHEREAS, such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

NOW, THEREFORE, we, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John E. McGrady, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh the existence of an emergency requiring the appropriation of the sum of \$220,000.00 to Code Account Number 1702 Water Rents to pay the increased water charges ordered by the Pennsylvania Public Utility Commission in favor of the South Pittsburgh Water Company for the remainder of 1970.

CITY OF PITTSBURGH

Pete Flaherty, Mayor

August 18, 1970

Honorable John F. Counahan
President
City Council
City-County Building
Pittsburgh, Pennsylvania 15219

Dear Mr. Counahan:

I hereby submit for your approval the name of R. Conrad Cooper and Cooper-Sentner Company, Labor Relations Consultants, #5 Gateway Center, Pittsburgh, Pa. 15222, as labor relations consultant for the City of Pittsburgh.

I would appreciate it if you would convene City Council as soon as possible as arbitration proceedings are about to begin.

Very truly yours,

/s/ Pete Flaherty
PETE FLAHERTY

PF:eb

Which was read, received and filed.

The Chair:

I received that communication from the Mayor and, of course, I put a copy of it on your desk or sent it to your home. My own personal opinion of the request for a special meeting was that I didn't think it was necessary for the reason that we already were into arbitration proceedings, or were on the verge of—we had practically started arbitration proceedings and there was no particular hurry about getting any-

body in here to make decisions, or wouldn't be anybody available to make any decisions under that particular subject.

So, I didn't push for the special meeting, and as far as Mr. Cooper is concerned, that will be brought up at a later date, but the truth of the matter is, that I couldn't see any reason for an emergency meeting of Council. We had agreed among ourselves that the latter part of the month of August Council would, if necessary, if they wanted to go away on their vacations, and I wasn't going to call them back for no reason at all.

Now, then the arbitration proceedings, insofar as the Police and Firemen are concerned, were already taken care of. Naturally, if you did not agree with those organizations under the laws of the State of Pennsylvania, when they can request binding arbitration, and they had done that. They had done it, and they had their arbitrators picked and there was no reason for any particular emergency.

I'm giving you my own particular opinion of it. Now, that is the reason I didn't call a special meeting. I didn't think it was necessary. Thank you.

MOTIONS AND RESOLUTIONS

The Chair presented

No. 1162. Communication from Civil Service Commission, reporting on proposed appointees to the Art Commission, Board of Adjustment, Housing Authority of the City of Pittsburgh, Commission on Human Relations, Civil Service Commission and City Planning Commission.

Which was read, received and filed.

The Chair:

Some of these addresses don't tell us whether they live in the City or not, is that correct?

Mr. DiNardo:

Apple Avenue is in the City, I can verify that.

The Chair:

I know Apple Avenue. Bradford Woods is not in the City. Mount Lebanon is not in the City.

Mr. DiNardo:

It so states on everyone, Mr. Chairman, right on the address it tells you Mount Lebanon, Pa., Bradford Woods, Pa. Do you want me to continue with the resolution?

The Chair:

How about Whiteside Road?

Mr. DiNardo:

Whiteside Road is postal zone 19. So, it must be in the Hill.

Mr. Mason:

It is in the Hill District.

The Chair:

That is the Hill District?

Mr. Mason:

Yes sir.

The Chair:

Sheridan Avenue, Grandview Avenue, Forbes Avenue, Bunkerhill Road. The Chair will recognize a motion.

Mr. Michaels:

Point of order. Mr. President, does a member of a Commission, who is appointed, who lives outside the City, do we have to pass a waiver of residency before he may be appointed to that Commission?

The Chair:

It should be. In my opinion, yes. I may be wrong on that.

Mr. Shields:

May we, in passing this resolution, affirm some and deny others?

The Chair:

You can affirm some and deny others, yes. What is your pleasure?

Mr. Michaels:

We can't vote affirmatively on those who do not live in the City, is that the opinion of the Chair?

The Chair:

You can affirm the ones that live in the City.

Mr. Michaels:

You may affirm those that live outside the City also?

The Chair:

Outside of the City also.

Mr. Shields:

Mr. Chairman, I move that this body affirm those members that have been appointed who live in the City limits only.

The Chair:

Any second to it?

Mr. Mason:

I second the motion.

Mr. Cortese:

I didn't hear the motion.

The Chair:

Affirm the people that live in the City only.

Mr. Cortese:

I second the motion, Mr. President.

Mr. Fagan:

I'm opposed to some of those that live in the City and are being appointed.

The Chair:

You can mention their names.

Mr. Kuhn:

Mr. President, I'd like to speak to the motion before us. We have had the benefit of the membership of non-residents on Commissions and Boards in the City in the past. The Planning Commission is one in which non-residents have served the City, Planning Commission positions are not paid. The knowledge of problems of the community outside the City, we have had from non-residents on the Planning Commission, and the Art Commission in the past, has been of benefit to the City.

I, myself, don't see that City residence is a necessary qualification as a general matter. I'm inclined to believe that a person living in the City is more likely to understand the City's problems in a different degree from the way in which a non-resident will. But, as to the motion, itself, which is to affirm those that are residents of the City, it confines itself to that. I will vote with respect to those appointments as they come up.

But, as to those who are non-residents, I'm willing, when we are finished voting on this motion, to put a motion that we affirm those who are non-residents as well.

The Chair:

You have heard the motion. Question on the motion? All in favor of the motion may accept by saying aye when their names are called, and those opposed will vote no.

Mr. Fagan:

Mr. Chairman, I object to the following appointments of the Mayor. First, Ruth Pittrell, replacing Joseph A. Goney, this is in the Housing Authority. Harold Tweedy, who replaces Dr. David J. Wynne, and Stephen George, replacing Francis T. Johns.

Over on the Parking Authority, I object to Roslyn M. Litman, replacing Frederic G. Weir, David Miller replacing Alfred M. Hunt, Edward Lewis, replacing

Edward T. Fitch, Les Gallagher, replacing John E. Reynolds, Jr., and William Moore, replacing Honorable Louis Mason, Jr.

Mr. Chairman, I would like to state my reasons that I object to these appointments is because of the fact that in the City Housing Authority and also in the Parking Authority in the City of Pittsburgh, it has been well run over the years by very dedicated appointees that have given of their time and efforts, one of them being our own colleague, Louis Mason. I feel that the Mayor, once again, is appointing those that are unfamiliar with the problems, both in the Housing Authority, and also in the Parking Authority, and as a result of it, will once again withhold from the City of Pittsburgh the great experience of those dedicated people that he has replaced.

As such, I stand in opposition to the Mayor's appointments as stated.

The Chair:

Anybody else?

The Chair:

Roll Call on Motion by Mr. Shields to vote on Residents of Pittsburgh.

And the roll being called, the ayes and noes were taken, agreeably to law as follows:

ART COMMISSION

Sylvester Damianos
Virgil Cantini
Irene Pasinski
Harold Corsini
Timothy Stephens

**HOUSING AUTHORITY OF
PITTSBURGH**

Ruth Pittrell
Harold Tweedy
Stephen George
Aaron Levinson

BOARD OF ADJUSTMENT
Gerald Fox

PLANNING COMMISSION
David Barbour

All members of Council voting "aye" on the appointees with the exception

of Mr. Fagan voting "No" on Ruth Pittrell, Harold Tweedy and Stephen George to the Housing Authority of Pittsburgh.

Mr. Kuhn:

Mr. President, I move that the names of those appointees who are non-residents, be affirmed.

Mr. Lynch:

I second that motion.

Mr. Cortese:

I would like to know, and I'm afraid I don't have this information as to whether or not any of these individuals live outside the City, and actually I appreciate the expertise might have the best interest in the City of Pittsburgh. Is this information available? And if they do have a business in the City of Pittsburgh to serve the citizens in some way, then I would say, yes, I'd be only to glad to go along with my colleague's position.

The Chair:

Thank you.

Mr. Michaels:

Mr. President, in the case of one of the members appointed, apparently, of course, the City of Pittsburgh, at least the Stadium Authority saw fit to appoint him as one of the architects involved in designing our 35 or 36 million dollar stadium and, certainly if we can find his expertise adequate for that job, I think we might find it adequate for a position in this commission.

The Chair:

Anybody else care to be heard?

Mr. Cortese:

I believe I would second Mr. Kuhn's motion, although not varying to my original one.

The Chair:

The Chair does not know, because all

the Chair has in front of it is the record from the Mayor's Office, and the Mayor's Office doesn't show that. So, I'm not in a position to tell whether they are from the City or not.

Mr. Mason:

Mr. Chairman, I recognize what the maker of the motion has said, and having been an administrator, or with at least two, possibly three Commissioners on the Commission on Human Relations living outside the City, they did make a contribution, that is true. But, we are living in tenuous times, it seems to me, and that appointees to our administrative bodies ought to reside in the City. In light of the census figures, in light of their empathy, in light of their sensitivity to the problems of the City, and I am not saying to my other colleague, Mr. Cortese, that does not mean because Mr. "X" or Miss "Y" lives outside the City or owns a business in the City, lacks that expertise.

So, I find myself, even with all my research on these people—which we are authorized to do under our two-week ruling—and since we haven't met since August 3, I have done my homework on this.

I only want to say that a maker of the motion certainly has a right in terms of his objections. But, on the other hand, I would only like to share my feelings relative to this matter, not in light of these individuals per se. But, in light of the increasing problems we are having in the metropolitan area, and certainly the hard-core area calls for a higher, an increasingly higher degree of sensitivity, and anybody who does not believe that ought to take a look at certain events that have taken place during the month of August in this City.

I'm just concerned that we not isolate ourselves, Mr. President, and that people who live here, who work here, who play here, who understand the recreational problems, the housing problems, and all the other problems that this Council is trying to struggle with, understand it also.

Now, I have no quarrel with any of these people who live outside the City,

but I just want to make sure any reservations I had relative to the motion made by my colleague.

The Chair:

The information that you think is pertinent—the only way we can handle this situation, of course, will be to hold this over for another meeting until we can get that information. So, I don't know whether Council would object to that or not. But, I don't have that information before us, before me rather, and if Council has no objection, why we can hold this over until our next meeting and endeavor to get that information. Are there any objections from members of Council?

Mr. Kuhn:

Mr. President, I think the appointments ought to be acted on. I do know, I don't have the list of the non-residents before me—but I believe that Mr. Ritchey has an office in Gateway Center, the others have, as well, I think they have, reasonable connections with the City, to justify their being appointed by the Mayor.

To comment on Mr. Mason's remarks, one sure way of isolating ourselves from the City is to do just that, and, I think, in voting against a non-resident on the ground of non-residency alone, that certainly meets my definition of isolation.

The Chair:

Thank you. Does anybody else care to be heard?

Mr. Shields:

I'd like to ask a question, Mr. President. If anyone here has the answer, do we know that if we have a person on a Committee, or Commission from Fox Chapel, or people on a board that are residents from Bradford Woods?

The Chair:

Roll Call to vote on motion of Non-Residents made by Mr. Kuhn and seconded by Mr. Lynch.

The ayes and noes were taken, agreeably to law, as follows:

ART COMMISSION

Dahlen K. Ritchey
Joseph Gasparella

PLANNING COMMISSION

John Bitzer, Jr.

All members of Council voting "aye" on the appointees with the exception of Mr. Shields and Mr. Counahan (Pres't) voting "No" on Dahlen K. Ritchey and Joseph Gasparella to the Art Commission and John Bitzer, Jr. to the Planning Commission.

The Chair presented

Bill No. 1039. **RESOLVED**, That the appointment by the Mayor of Dahlen K. Ritchey, Box 5, Lincoln Road, Bradford Woods; Joseph R. Gasparella, 207 Broadmoor Avenue; Sylvester Damianos, 328 Locust Street; Virgil Cantini, 205 S. Craig Street; Irene Pasinski, 1141 Wightman Street; Harold Corsini, 1028 N. Sheridan Avenue and Timothy Stephens, 2708 Wylie Avenue, as Members of the Art Commission of the City of Pittsburgh be and the same is hereby approved and confirmed.

Which was read and approved.

Also,

Bill No. 1041. **RESOLVED**, That the appointment by the Mayor of Ruth Pittrell, 883 Whiteside Road; Harold Tweedy, 1101 Sheridan Avenue; Stephen George, 137 Grandview Avenue and Aaron Levinson, 5438 Forbes Avenue, as Members of the Housing Authority of the City of Pittsburgh be and the same is hereby approved and confirmed.

Which was read and approved.

Also,

Bill No. 1043. **RESOLVED**, That the appointment by the Mayor of Gerald W. Fox, 7124 Apple Avenue, as a Member of the Board of Adjustment be and the same is hereby approved and confirmed.

Which was read and approved.

Also,

Bill No. 1045. RESOLVED, That the appointment by the Mayor of David F. Barbour, Washington Plaza Apartments; John F. Bitzer, Jr., 202 Woodcock Drive; James S. Williams, 1531 Oberlin Street, as Members of the City Planning Commission be and the same is hereby approved and confirmed.

Which was read and approved.

The Chair:

Does anybody else have anything else to come before Council?

Mr. Michaels:

I find no grievance with the several appointments that the Mayor has placed before us. I find problem, however, with the fact that the list of appointments to the various Commissions and Boards, that there was not a single member of this body. I think this does not work to the advantage of the citizens of the City of Pittsburgh. I'm well aware of the class of separation of the Executive from the Legislative, but the fact is we are all well aware that this Legislative body, of this City, does not have a particularly extensive staff available to find out what actually is happening in these Boards, and what the work of the various Authorities and Commissions are.

By simple expedient of an appointment of various members of Council to these various Commissions and Authorities, and the word that our colleagues might bring back from meetings on these various Committees itself, I think a great deal of the work of this City might be accomplished more expeditiously, and more, if I may say, more accurately, and that this has not taken place is a matter of great concern to me.

The Chair:

Well, of course, that was the original reason for having members of Council on a particular Board. Council would be represented at the meeting, and the member of the Board could bring back to Council a comprehensive report, and that was the idea of it apparently.

Now, the idea of the eliminating of Council from about everything has been moving along rather swiftly, and we here in Council help it along quite a bit.

So, it is going to be up to Council to sit down and work out a problem that I see developing around here.

Now, we have—I have been bothered an awful lot by this Leech Farm deal there. I don't think there is a member in City Council who knows what it is all about, and we do not have a committee. We don't have anybody to keep in close touch, and when I'm talking to people about the situation, I think they figure that I should know more, and I really, absolutely, do not know anything more about it. The reason is because we don't have any members of Council in close touch with the Administration. Now, you would be surprised how many complaints I receive in regards to that Juvenile Home. We don't have to agree with the County, but we certainly can bring things to a head, and at least tell them yes or no. We are not in a position to do that. We can't do it for the simple reason that we don't have anybody around to tell us what is going on. And, as long as we agree to go along with some of these things here, we have an appointment, and I'm getting a little bit angry about this, we are having appointments from people out of town, and we are very capable. We have an awful lot of capable people within the confines of the City to handle these different Commissions.

We, as members of Council vote along with the Administration, and then, on the other hand, we criticize him for doing certain things.

So, it is time that we either explain ourselves, or quit criticizing the Administration. I don't like to get into that for my particular position in the Chair. But, just to see what went on here today, and sit up back here with this gavel in your hand, and see how foolish we all look after the two motions that we had before us. I don't want to exclude people from outside of town. But, the fact of the matter is, I have quite a few of my relatives out of town, and they are no different than the people here in the City of Pittsburgh. They are human beings, but they have their

interest in their own particular locality. They know their locality. We, in the City of Pittsburgh, have people here that certainly know what is going on, and know the City of Pittsburgh, and they should be put on these Commissions. And, as long as I'm able to vote, I'm going to vote against the people who moved in when we have people available. Thank you.

Anybody else?

Mr. Mason:

I don't have any objections, Mr. Chairman, but also among these nominees to the various Commissions was the appointment of one Mr. Gerald Fox to the Board of Adjustment, and if Mr. DiNardo read that name, I did not hear it.

Mr. DiNardo:

Well, I read it in the letter of explanation from the Civil Service.

Mr. Mason:

I'm sorry.

The Chair:

It was read out in the open with the original letter. Anything else to come before Council?

Mr. Kuhn moved

That Mr. Kamyk be excused for absence from this meeting.

Which motion prevailed.

Mr. Mason moved

That the Minutes of Council, of Thursday, August 6, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.

Bill No. 1142. WHEREAS, under Title I of the Housing Act of 1949, as amended, (herein referred to as "Title I"), the Secretary of Housing and Urban Development is authorized to extend financial assistance to local public agencies in the elimination and prevention of the spread of their slums and urban blight through the planning and undertaking of urban renewal projects; and

WHEREAS, it is desirable and in the public interest that the Urban Redevelopment Authority of Pittsburgh make surveys and prepare plans, presently estimated to cost approximately Seven Hundred Forty Thousand Nine Hundred Dollars (\$740,900.00) in order to undertake and carry out an urban renewal project of the character contemplated by Section 110(c) of Title I in that area proposed as an Urban Renewal Area, situated in the City of Pittsburgh, County of Allegheny and State of Pennsylvania, which is described as follows:

Generally, the Project is bounded as follows: on the east by a line drawn southward parallel to N. Braddock Ave. from a point approximately 210 feet east of N. Braddock Ave. on the south side of Frankstown Ave. to Felicia Way, and then west on Felicia

Way to North Braddock Avenue, and then south on North Braddock Avenue to Bennett Street, and then west on Bennett Street to Collier Street, and then south on Collier Street to Formosa Way; on the south by a line drawn from Collier Street along Formosa Way to Nadir Way; on the west by a line drawn from Formosa Way northward along Nadir Way to Kelly Street, and then west along Kelly Street approximately 138 feet, and then north to Fleury Way, and then west along Fleury Way to a point approximately 90 feet to the west of North Lang Avenue, and then north to Bennett Street, and then west approximately 10 feet along Bennett Street, and then north to Felicia Way, and then east approximately 10 feet along Felicia Way, and then north to Frankstown Avenue, and then east approximately 40 feet along Frankstown Avenue, and then north, to Forest Way; and on the north by a line drawn eastward, from a point approximately 40 feet to the west of North Lang Avenue along Forest Way, to North Lang Avenue, then south to Forest Way, then east to the boundary of Redevelopment Area No. 19, Homewood North, and then east along that boundary.

NOW, THEREFORE, BE IT RESOLVED BY THE City of Pittsburgh:

1. That the proposed Urban Renewal Area described above is a slum, blighted, deteriorated, or deteriorating area appropriate for an urban renewal project and that the undertaking by the Urban Redevelopment Authority of Pittsburgh of surveys and plans for an urban renewal project of the character contemplated by Section 110(c) of Title I in the proposed Urban Renewal Area is hereby approved.

2. That the financial assistance available under Title I is needed to enable the Urban Redevelopment Authority of Pittsburgh to finance the planning and undertaking of the proposed Project.

3. That it is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with Federal financial assistance under Title I, including those prohibiting discrimination because

of race, color, creed or national origin and including those relating to the relocation of site occupants, to the provision of local grants-in-aid, and to the requirement that as a condition to the execution of a contract for a loan and capital grant for an urban renewal project the locality present to the Secretary of Housing and Urban Development a Workable Program, as set forth in Section 101(c) of Title I, for utilizing approximate public and private resources to eliminate and prevent the development or spread of slums and urban blight; and that it is the sense of this body (a) that a feasible method for the relocation of families displaced from the urban renewal area, in conformity with Title I, can be prepared, and (b) that the local grants-in-aid can and will be provided in an amount which will be not less than one-third of the Net Project Cost of the Project and which, together with the Federal capital grant, will be generally equal to the difference between Gross Project Cost and the proceeds or value of project land sold, leased, or retained for use in accordance with the urban renewal plan.

4. That the filing of an application by the Urban Redevelopment Authority of Pittsburgh for an advance of funds from the United States of America to enable it to defray the cost of the surveys and plans for an urban renewal project in the proposed Urban Renewal Area described above is hereby approved.

Which was read.

Also,

WHEREAS, the Council of the City of Pittsburgh, by Resolution No. 242 of 1968, approved an Amendment, dated November 1, 1968, to the said Proposal for the Hill District Recovery Program area; and

WHEREAS, the Council of the City of Pittsburgh, by Resolution No. 161 of

1970, approved the acquisition by the Urban Redevelopment Authority of Pittsburgh of a site from the Women's Society of Christian Service of the Pittsburgh Annual Conference of the Methodist Church, said site being Block 11K, Lot 15 located at 2000 and 2002 Fifth Avenue in the First Ward of the City of Pittsburgh; and

WHEREAS, the Urban Redevelopment Authority of Pittsburgh has submitted by letter dated August 28, 1970, a form of Agreement for Sale of Land by and between the Urban Redevelopment Authority of Pittsburgh and the Housing Authority of the City of Pittsburgh in connection with Block 11K, Lot 15 located at 2000 and 2002 Fifth Avenue in the First Ward of the City of Pittsburgh; and

WHEREAS, the Council of the City of Pittsburgh believes that the proposed conveyance is in the best interests of the City of Pittsburgh and is in accordance with the program set forth in the Hill District Recovery Program Proposal, as amended, and desires to give its approval to said conveyance.

NOW, THEREFORE, BE IT

RESOLVED, That the form of Agreement for Sale of Land by and between the Urban Redevelopment Authority of Pittsburgh and the Housing Authority of the City of Pittsburgh in connection with Block 11K, Lot 15 located at 2000 and 2002 Fifth Avenue in the First Ward of the City of Pittsburgh submitted to this Council by the Urban Redevelopment Authority of Pittsburgh by letter dated August 28, 1970, be and the same is hereby approved, it being in substantial conformity with the program set forth in the Hill District Recovery Program Proposal, as amended.

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911,

P.L. 461, provides that all appropriations shall be made annually by general ordinance except in the cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, Joseph L. Cosetti, City Treasurer, in letters addressed to the Mayor and the City Controller, under date of September 17, 1970, states that an emergency has arisen in the Office of the City Treasurer in connection with the NYC Summer Program, making it necessary to transfer \$10,000.00 from NYC Summer Program 402, Supplies, Equipment, Miscellaneous Services, Materials—Federal Funds, to NYC Summer Program 401, Salaries and Wages—Federal Funds, in order to meet the payroll for summer enrollees due September 18, 1970; and

WHEREAS, additional funds of \$10,000.00 are needed to meet said payroll costs; and

WHEREAS, NYC Summer Program 401, Salaries and Wages—Federal Funds, does not include the necessary funds for such payment, the Federal check for such funds not yet having been received; and

WHEREAS, such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

NOW, THEREFORE, We, Peter F. Flaherty, Mayor of the City of Pittsburgh, and John E. McGrady, Controller of the City of Pittsburgh, do hereby certify to City Council the existence of an emergency requiring the transfer of the additional sum of \$10,000.00 from NYC Summer Program 402, Supplies, Equipment, Miscellaneous Services, Materials—Federal Funds, to NYC Summer Program 401, Salaries and Wages—Federal Funds, for the purpose hereinbefore set forth.

Which was read and referred to the Committee on Public Works.

Mr. Michaels:

Mr. President, I am making the presentation of these papers at the request of the administration. This is a request for a zoning change on Leech Farm presented by Stephen George, Di-

rector of the Department of Lands and Buildings. I am quite confused since this is not in keeping with prior recommendations made by the City Planning Department in late 1969 and once again in 1970 and does not carry the recommendation of either the interim Planning Director who has just left, nor the new, expensive gentleman we have hired from Philadelphia costing \$25,000.

I am quite perturbed by this but make this presentation at the direction of Administration.

Mr. Michaels presented

No. 1210. An Ordinance amending the Zoning Ordinance No. 192, approved May 10, 1958, as amended, Zoning District Map Sheet Z-N20-E32 and Z-N10-E32 by changing from "S" Special District to "RP" Planned Residential Unit Development all that part of Lot and Block 123 D 1, as follows: Beginning at a point, said point being at the Common Boundary of Lot No. 1, Block 123L, Lot No. 1, Block 82H, and Lot No. 1, Block 123D; thence N. 1° 20' 51", a distance of 1345.25 to a point; thence S. 88° 27' 9" E, a distance of 978.74 feet to a point; thence S. 0° 7' 9" E, a distance of 165 feet to a point; thence S 1° 20' 51" W, a distance of 930.00 feet, plus or minus, to a point; thence N. 88° 39' 9" N, a distance of 71.20 feet to a point; thence S 1° 20' 51" W, a distance of 344.08 feet to a point, said point being the center line of Leech Farm Road to the boundary line of Lot No. 1, Block 123L and Lot No. 1, Block 123D; thence along said boundary line S. 77° 12' 40" E. to the point of beginning, 12th Ward."

Which was read and referred to the Committee on Planning and Redevelopment.

Mr. Shields presented

MOTIONS AND RESOLUTIONS

The Chair presented

Bill No. 1114.

WHEREAS, Ordinance No. 361, approved August 11, 1970, authorized the Mayor, on behalf of the City of Pittsburgh, to enter into an Agreement or Agreements for specialized professional services in connection with the conduct of negotiations and arbitration proceedings with employees of the City of Pittsburgh, such services to include labor relations advice, representations at negotiating meetings and economic and job evaluation advice, at a cost not to exceed Thirty Thousand Dollars (\$30,000.00), payable from Code Account No. 1017, the appointment of the consultant to be with the approval of City Council; and

WHEREAS, Cooper-Sentner Co. and R. Conrad Cooper are willing to serve in such capacity;

NOW, THEREFORE, BE IT RESOLVED, That the Council of the City of Pittsburgh hereby approves the selection of Cooper-Sentner Co. and R. Conrad Cooper as the consultant in connection with the afore-recited Agreement.

Which was read.

Mr. Counahan:

You have heard the Resolution. What is your pleasure?

I think, gentlemen, there should be a motion. If you don't care to make a motion, that is your privilege, but I do think you should.

Mr. Lynch:

If I were to make a motion, under Parliamentary Rule, can I then vote against the nomination of Mr. Cooper?

Mr. Counahan:

You can make a motion against him; you can make a motion for him, whatever you want.

Mr. Lynch:

I move Council reject the nomination of Conrad Cooper.

Mr. Fagan:

Second the motion.

Mr. Counahan:

Are there any remarks?

Mr. Kuhn:

I am going to vote in favor of this motion of Mr. Lynch's for reasons I have stated before. When the original proposal for a Labor Consultant was made, I commented there were very few, if any, people with qualifications in the field of public employees to bring to the aid of the City any substantial experience. I must say that in meeting with Council and answering questions that were put to him by members of Council, Mr. Cooper was commendably candid in stating that he and his company had no particular experience or qualifications in representing employees of municipal corporations or quasi-public corporations. In voting in favor of Mr. Lynch's motion, I only want to be understood as not questioning the qualifications of Mr. Cooper and his organization in labor consultant work in industry, generally. His experience with steel industries, I think, is well known and highly demonstrated his competence in industry but there were no representations of public employees who are governed by peculiar limitations. There are rights and limitations on public employees and on their employers that puts in quite a different complex the issues that must be determined in their recommendations and negotiations that attend in the absence of experience in this field and it seems to me to be fatal to the employment of a consultant particularly of the consulting field proposed here.

But whatever the fee, it seems to me

the City does not gain anything by employing as a consultant a firm that has had no experience in the field at all and for that reason and that reason alone, I support the motion.

Mr. Counahan:

Any further remarks.

The Clerk will call the roll.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese	Mr. Mason
Mr. Fagan	Mr. Michaels
Mr. Kamyk	Mr. Shields
Mr. Kuhn	Mr. Counahan
Mr. Lynch	(Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the appointment was rejected.

Mr. Lynch:

Mr. President, I feel I must at this time comment on a letter placed on my desk five minutes before this meeting. The covering letter I see is signed by the Mayor and includes a lengthy and ponderous letter from Mr. Cooper. I would like to point out the manner Council was informed represents a public relations technique rather than administrative practice and as such is an insult to this legislative body.

Secondly, I would like to state that until now, I have had no personal problem with Mr. Cooper. His ability is widely known and certainly he qualified in terms of his field. However, in view of the fact he felt a need to issue such a letter, let me comment further. He says, in his own words, "a copy of his brief, seven-paragraph contract." When I asked the Solicitor for a copy of the contract, he sent me up the seven-page, unsigned missive which I directed to the President, which excluded the services of Mr. Cooper. Mr. Cooper refers to it as a contract and so we must regard it as such.

Later, in his letter, he says, "Mayor Flaherty called on me, described some

dimensions of the employee relations problems which confront the City, and asked if I could be of service. I told him about the background of our company and explained that in keeping with current commitments on work available to us, a fee of \$30,000 per year would command less than a week per month of consultation; indicated that full time service by me was not available because of other commitments; and advised him that even if the situation were otherwise, I had no intention of devoting my time to detailed preparation for, or handling of routine negotiations which can just as well be performed by others." This statement seems to clearly substantiate my objection to the contract.

I would further make one final comment. In private executive session when Mr. Cooper was asked by my colleagues if he intended to devote full time to the job, he gave, I believe, the answer, "How else would I do it?". When I pressed the question, he said, "I intend to become involved." At that point, I asked to see a copy of the contract. I think R. Conrad Cooper's services were never available to the City and I think Council did a fine job in rejecting him. I am always touched deeply that someone living in Fox Chapel would presume to solve the problems of the City in which he does not reside but I think the City can survive without his help as it has for so many years in the past.

The Chair presented

Bill No. 1217.

WHEREAS, The railroad industry of the County of Allegheny and the City of Pittsburgh forms the economic lifeline for some three hundred wage earners who are employed in the Glenwood Locomotive Shops of the Baltimore and Ohio Railroad; and

WHEREAS, The Baltimore and Ohio Railroad is in the process of moving its locomotive shops from the City of Pittsburgh, thereby causing hardship to employees of said railroad, and their families,

THEREFORE, It is the intent of the Council of the City of Pittsburgh to memorialize the Baltimore and Ohio Railroad to reassess their intent to

move and to take into consideration the impact upon the economy of this great city.

Mr. Lynch:

Mr. President, in the history of any city, its accomplishments and gains are made up not only of steel and concrete that go to comprise the city, but also the effort and dedication and service of its citizens. I suppose people come to civic service with several motives such as profit or political gain, but the finest motive of all is civic pride and civic accomplishment, so that what this City is today, and I think it is a matter of pride around this country, was brought about through the foresight of men who entered into civic service for no other reason than a sense of pride and involvement.

I think the names of those men just read by the City Clerk certainly fill the

shoes and fit the role of men who bring to this City experience and expertise; men whose motives are solely the well-being of all of us. In that sense, I then would urge the city and the administration as well to find some time to publicly express the gratitude of this City and I urge this Council do that today. I am honored to move these resolutions be adopted.

Mr. Mason:

It is with some little bit of embarrassment, since my name is part of the resolutions, that I second the maker of the motion because of the great sacrifices many of these people made to participate in non-paying jobs, giving of themselves, their background, their environment, to contribute to the commissions on which they served. I would like to suggest, in seconding the motion, that a copy go to each of the individuals who served so nobly in behalf of the City of Pittsburgh.

Which motion prevailed.

No. 1334.

CITY OF PITTSBURGH

Pete Flaherty, Mayor

October 2, 1970

Hon. John F. Counahan
Members of City Council
City-County Building
Pittsburgh, Pennsylvania 15219

Gentlemen:

I am returning Bill No. 54—rezoning a large tract of land in the Leech Farm area of the City of Pittsburgh—with my veto for the following reasons:

FIRST—As you know, this acreage represents the finest site in the City of Pittsburgh for the development of moderate income housing. As early as August 17, 1962, the City Planning Commission recommended the purchase of the Leech Farm site for housing purposes.

SECOND—On January 4, 1963, the City of Pittsburgh and the Urban

Redevelopment Authority authorized the purchase of the Leech Farm site for housing purposes.

THIRD—Over the past decade, our City lost 100,000 residents. One of the main reasons for this exodus is the lack of moderate income housing.

FOURTH—During this same period from 1960 to 1970, there has been an increase of fifty per cent in growth of tax exempt institutions within the City of Pittsburgh. And every addition to the tax exempt list puts a heavier burden on the City of Pittsburgh property owners.

FIFTH—One of the nation's best home builders has offered to build over 200 moderate income homes on the site in question with a market value of five million dollars which would produce more than \$100,000 a year in city and school real-estate taxes.

SIXTH—It should also be remembered that the proposed new facility is not for the purpose of making a "HOME" for wards of the court. The actual purpose is only to serve as a temporary holding area pending investigation of alleged offenders. An alleged offender will spend about seven days at the facility while awaiting his hearing. It is not a treatment center or home for juveniles.

SEVENTH—There are other County-owned sites which would more properly serve for the juvenile facility. On May 7, 1966 the County did purchase a site for the facility on Fleming Avenue. This site was termed the ideal site and it received the approval of the County Planning Department and the Advisory Board of Managers. The purchase price of the Fleming Avenue property was \$535,000, all of which was paid for by the taxpayers of Allegheny County for the same facility that now is proposed at Leech Farm. No reason has ever been given to the taxpayers as to why the Fleming Avenue property was abandoned.

EIGHTH—Pittsburgh is a small central city as major cities go—less than 55 square miles in all. Our land is scarce. Yet many of our tax exempt institutions including the State Highway Department, the County, the universities and hospitals are taking over our taxable land at an alarming rate. I am, therefore, asking Council to stop rezoning the land for institutional uses.

For these reasons I ask that you reconsider the bill before you and vote against the rezoning of our Leech Farm property to an institutional use.

Sincerely yours,

/s/ PETE FLAHERTY

Which was read.

Mr. Michaels:

Mr. Chairman, as you know, we have considered the matter of the Leech Farm site for many months and have conducted several hearings for hearing out various members of our community as to the best use of the Leech Farm area. I am presenting for the record the conclusions of the potential for development of that site.

The most striking features about the Leech Farm property are two, its complete isolation from any established community, and the presence of the major institutional uses, the Army Re-

serve Center and Marcy State Hospital and the Veterans Hospital. The site is literally accessible from only one street, has limited public transportation basically during the daytime hours, has no residents, no shopping, no schools, no playgrounds, and no churches. The conclusion to which this drives one, is that whatever occurs on this property must either relate to the institutional uses already there, or must be completely self-sufficient.

Of the several broad types of possibilities for development, residential, commercial, industrial, institutional, and open space, several are easily and immediately eliminated.

The presence of the hundreds of acres of Highland Park on the adjoining hill-top across Washington Boulevard, and the lack of large numbers of immediate users in the immediate area both now and potentially, rules out a major park as unjustifiable.

The lack of major utilities, the lack of highways and railroads, the limited amount of purely flat and buildable land, and the proximity of the existing major institutional uses to which industrial development would be incompatible, all rule out industry, with the possible exception of light manufacturing or a research park which will be discussed later.

The same factors of limited flat land, limited vehicular access, limited utilities, and the presence of major, incompatible institutional uses also mitigate against commercial use of the Leech Farm property. More important however, its basic location off the beaten path, on the fringe of development, outside of an existing market area, and accessible from only one direction, the south, make its potential for successful commercial development extremely low.

That leaves residential and institutional development as possibilities, including the exception of a "clean" industrial or research park.

Bearing the stark isolation of this property in mind, it should be apparent that residential development, if permitted on this site, could only survive successfully if it was conceived of and developed as a self-sufficient community

with its own shopping, recreation, and educational facilities. Such facilities can be economically supported by large scale single-family residential development, or by small scale but intensive and high priced development. Since the site can only accommodate at most some 300 single-family units, one third of a minimum basic residential neighborhood, the only feasible residential proposal for this site would be a high density mixed apartment and townhouse community of one-thousand units, designed for upper-middle and high income people, with the guaranteed mobility of private automobiles, and containing all of its own amenities such as a community convenience shopping center, swimming pool, playground, meeting rooms, and private transportation to educational facilities. An excellent example of this kind of development would be Pennsbury Village near Rosslyn Farms off the Parkway West toward the Airport. Unfortunately, it is extremely unlikely that a market for such housing exists at this time in the City of Pittsburgh. Therefore, although academically feasible, such a high density, high income, self contained community is not practically feasible on the Leech Farm property at this time.

If the income level to be served by high density housing on the Leech Farm property were to be reduced to the moderate or low income market that does exist now for housing in the City, the project economics would only be workable if massive public subsidies were provided for basic utilities and streets. Recreational facilities and a community center could also be built with public subsidies, but in no case could private commercial facilities be supported within this area by moderate or low income families, as is evidenced by the difficulty such operations have suffered in Spring Hill, Broadhead-Fording, and St. Clair.

Carried to the extreme, the worst possible development on this site, from a social point of view, would be to construct two to three hundred low cost housing units in the \$17,000 to \$19,000 range for sale or rent to low or moderate income families, and condemn the occupants to an isolated, ghettoed existence without other neighbors, without shopping, without schools, without rec-

reation, without churches, and without a sense of community which comes from being a real part of a City neighborhood. To add tragedy to tragedy, the residents of such a development would not only have to suffer from its deficiencies, they would also have to pay in hard won dollars as renters or home owners for the dubious privilege of living in such an area.

Finally, our experience so far with isolated homogenous low income developments, "projects", is that they are sociologically degenerative, that they are damaging to the residents, and become problem areas within the larger community.

Summarizing the residential potential of the Leech Farm property: a high-density, high-income, self-sufficient residential enclave, although technically possible, is not marketable and therefore not possible at this time. a low or moderate income, self-sufficient community of family type housing would be marketable at this time, but would be possible only with massive public subsidies for basic site improvements such as streets and utilities, and subsidies for shopping, recreational, educational, and community service facilities, and finally and most important, would be sociologically indefensible. Residential use of this site is therefore not desirable at this time.

It should go without saying that the presence of major institutions as the only existing uses in the Leech Farm area at this time goes a long way toward making a case for continuing institutional development in the area. From the sole point of view of what the planners call "compatibility of land use", institutional development would be the obvious choice. And, the City's official master plan has for years called for an institutional district in the Leech Farm area. Other advantages to institutional development would be: institutions are often essential to the operation of the general community; they are often hubs around which economic and other activity usually develops; such facilities, either public or private, often pay top dollar for land; they usually can afford the cost of access roads, utilities, and site improvements; they are usually major employers, and major buyers of supporting services from area businesses.

Institutions are also usually "land" tax exempt, a disadvantage to be sure. But to say quickly that, that one characteristic easily offsets the advantages would be like saying to the merchants of Oakland that the buying power of the 30,000 students and 1700 faculty members at the University of Pittsburgh is insignificant, or that the nearly 6000 jobs and the 63 million dollar per year payroll created by Pitt are insignificant in the community, or that the educational and cultural services that it provides are not important to the City, and that in fact, Pitt should be closed and its lands used for some good "tax producing" purpose.

Even agreeing for the moment that too much tax-exempt property can be a burden to the City, and also agreeing that some institutional uses are essential to the City's operation, the question to be asked is really, "What lands should be occupied by tax-exempt institutions, the prime downtown and business district properties, or the outlying properties of low economic value and low potential tax yield?" In this case, if there are tax-exempt institutions which need land in Pittsburgh and are free to choose their sites, would it not be better for the City to have them occupy land in Leech Farm rather than in Oakland or Downtown? The answer should be obvious.

It just happens of course that there is such an institution, the Allegheny County Juvenile Detention Home, now in Oakland on valuable but tax-exempt property, and wanting to come out to Leech Farm. They would like to take twelve of the thirty usable acres available for a new detention home. They would like to locate on the knob, the bluff overlooking the river-valley on the back of the site. They would like to bring a road and utilities from Leech Farm Road through the property and to their site.

Leaving aside for the moment the other details of the bargain which the City might be able to make with the County involving other properties which the County owns which could be used as consideration in addition to money, consider what this proposal would mean only to the Leech Farm area.

In the process of developing their proposed site, the County would provide the street and utilities which would make the entire site usable for other development. The County would occupy the rear of the site, leaving the front portion on the main road to Marcy Hospital and incidentally the center, the core of the Leech Farm area, available for other development. The presence of this new generator of professional, service, and visitor traffic would improve the case for increased public transportation schedules in the general area. The entire market ability of the City's remaining holdings in the area would be substantially improved, and the immediately available and developable property remaining could be sold for other institutional uses, or more importantly, as discussed earlier, for good taxable private uses such as a research park, or a small commercial center, or motel, or professional office building, or any combination of the above as a supporting service center to the existing and possibly new institutions in the area.

Lest anyone believe that this chain of development events is only a fairy tale, bear in mind that: the Veterans Hospital is already there; Marcy State Hospital is already there; the Reserve Center is already there; a private nursing home is already committed on the only piece of private property in the area next to Marcy; the nursing home developers have already expressed an interest in and a need for a motel in the area; the County is ready to go ahead with the Juvenile Detention Home if the City will agree; the eighteen acres of "front end" property would be available with streets and utilities for disposition and development, and the likelihood that they could be disposed of for the kind of taxable uses listed above would be extremely high.

While the construction of the Juvenile Detention Home is not the responsibility of the City Council. We must acknowledge our responsibility to the total community in providing a site if at all possible. To ask Commissioners to take this facility out of the city is not in keeping with the best interest of city residents since two-thirds of the case load of the Juvenile Detention Home are city children, and they can be most expeditiously served when they

are located within close proximity to the Oakland Medical Center.

Thus, it is a carefully constructed proposal with many of its pieces already in place, the entire objective of which is to help meet the real institutional needs of this community, and, to foster good solid tax paying, job-producing, private development at the same time, with all elements in basic harmony with each other.

I wish to refer to the Mayor's letter and what I believe to be errors in his evaluation of the situation. When he says the Leech Farm site is the best possible site in the City of Pittsburgh for moderate income housing, I feel I must differ with him. I will grant that when standing on the bluff, you have an excellent view of the Allegheny River. I do not believe a view of the Allegheny River then becomes a perfect housing site. This is an entirely isolated area, does not relate to other residential communities, and to go up there and put in 200 family residences places great cost and great responsibility on this City and I do not believe this would be economically feasible. As you know, in order to create this 200-family community, we would have to put in new water lines, new sanitary sewers, new storm sewers, provide transportation facilities for children going to school since there is no school site; we would have to put in recreation facilities, playgrounds, swimming pools and possibly a new community center. When you consider the cost of all these facilities, then you recognize that the City would not be buying itself a good deal.

Also with regards to the residents, you would have to recognize that these people would be entirely socially deprived: no shopping center, no churches, no organized youth community development of things like scout troops and Little Leagues and things of that type that make a neighborhood livable and there would have to be all this new effort put into the development.

Also, I might point out, as neighborhoods come before us asking, pleading, for improvement of their present facilities, they all show a great sense of pride in their community. They have a desire

to stay there and wish to upgrade the community in which they live. I believe this is where we should be putting our money and our stress, into upgrading present neighborhoods rather than running away to a hill site, trying to provide 200 additional units. I do believe it is necessary at this time, referring to the official report, to point out there is a belief that to go up on that site would be a tragedy. The development would cause people, putting hard-earned money into this type of settlement, a great disadvantage.

Also, I ought to point out at this time that the site is presently zoned for, and used for institutional and medical purposes. It is not a fairy tale but a fact that there is a Marcy State Hospital, a Veterans Administration Hospital, and there is an Army Reserve Center. Therefore, after considering all the facts, we ought to agree, if there has to be certain institutional sites in the City of Pittsburgh, and granted they are tax exempt but they do serve some purposes to the City, then certainly we ought to keep what is in present character an institutional district, just that. If this site ends up in the hands of Allegheny County with a Juvenile Detention Center there, I think we have accomplished a good purpose. It is presently located in Oakland on highly valuable tax land. If able to convert this land, then, for a use that would be tax productive, I think we have gained an excellent exchange for the City of Pittsburgh and the City, therefore, will be the gainer in the long run.

I would ask, then, and move at this time, that we override the Mayor's veto.

Mr. Mason seconded the motion.

The Chair:

All those wishing to override the Mayor's veto will vote "Aye" and those opposed will vote "No".

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:—

Mr. Cortese

Mr. Fagan

|-----------|--------------------------|
| Mr. Kamyk | Mr. Michaels |
| Mr. Lynch | Mr. Shields |
| Mr. Mason | Mr. Counahan
(Pres't) |

Ayes 8. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the objections and veto of the Bill by the Mayor was overridden.

Mr. Kamyk moved

That Mr. Kuhn be excused for

absence from this meeting, as he was in Harrisburg on City business.

Which motion prevailed.

Mr. Mason moved

That the Minutes of Council, of Monday, September 28, 1970, be approved.

Which motion prevailed.

And on motion of Mr. Mason,

Council adjourned.
